

**PROTEST TO APPLICATION**

Suzanne Haas, as owner of the real property  
(print or type name of person signing protest)

434 NE Medford Dr. Lee's Summit 64064, hereby protests the  
(address or legal description of person signing protest)

preliminary development plan for the property  
(rezoning, special use permit, or preliminary development plan)

described in Application # PL 2021367  
Residential Preliminary Development Plan  
(description of application)

for the following reasons:

When we purchased our home 13 years ago there were no plans for a street coming through from Woods Chapel to Dick Howser. This will greatly increase traffic, crime's <sup>affect</sup> safety, of pedestrians etc. for a street to come through at this location. It will also bring property values down in our area. There is no reason that Lakewood needs an additional entrance with <sup>one</sup> also close at Channel Drive. I need to hear a good reason for the road to come through. We are fine with the homes, but not the road.
