Position: Director

Why interested: I am passionate about the arts, supporting them both locally and regionally- theatre, music, and visual arts. Our children (5 and 8 yrs old) are involved in music and art programs, and my husband and I both have participated in community theatre and music programs. I have an undergraduate degree in theatre from UCM, and a graduate degree in theatre management from the Yale School of Drama. Although I now work in a business field, I have the desire to increase my arts advocacy locally through more formal/active support. Through my work, I am connected to many businesses and individuals throughout the region as a personal network.

Other participation: I am involved as a volunteer with Girl Scouts of America and lead a variety of charitable efforts for my work and neighborhood. Additionally, I have previously been the leader of the outreach committee at my church and participated in a pastor selection committee. I would like to be more involved in my community though, which is why I reached out for this opportunity.

Interested in serving on: Arts Council
