

<b>SECTIONS DISCUSSED</b>	<b>REVIEW GROUP COMMENTS</b>	<b>STAFF RECOMMENDATIONS</b>	<b>BOARD OF APPEALS COMMENT</b>
<b>303.2 Enclosures</b>	Group agreed that fencing continues to be the best option for pool safety during discussion about pool covers.	Keep current code in place.	No comment
<b>304.14 Insect Screens</b>	Agree that window (insect) screens shall continue to not be required.	Section remains deleted from code.	No comment
<b>304.15 Doors</b>	Agree that code amendment can remain unchanged.	Keep current code in place.	No comment
<b>305.3 Interior Surfaces</b>	Agree that this section should be deleted and NHS shouldn't be inspecting interior paint and surfaces.	Section remains deleted from code.	No comment
<b>Sec. 16-300 (Sec. 401.3 Alternative Devices)</b>	Not necessary	Section deleted from code.	No comment
<b>Sec. 16-301 (Section 402.1 Habitable Spaces)</b>	Not necessary	Section deleted from code.	No comment
<b>602.3 Heating Supply</b>	Agree that this shall remain deleted. Redundant and the occupant shall be responsible for heat not solely just the owner.	Section remains deleted from code.	No comment
<b>602.4 Occupiable Workspaces</b>	Felt this should be relevant only if space/unit is being occupied.	Amended to remove language defining a period of dates and changed to only when the space is being occupied.	No comment
