## **ARTICLE II**

### **THE BONDS**

**Section 201. Title and Amount of Bonds.** No Bonds may be issued under this Indenture except in accordance with the provisions of this Article. The Bonds authorized to be issued under this Indenture shall be designated as "City of Lee's Summit, Missouri, Taxable Industrial Development Revenue Bonds (Mid-States Project), Series 2026." The maximum total principal amount of Bonds that may be issued hereunder is hereby expressly limited to \$79,650,000.

**Section 202. Nature of Obligation.** The Bonds and the interest thereon shall be special obligations of the City payable solely out of certain rents, revenues and receipts derived by the City from the Project and the Lease (excluding the Unassigned Rights), and not from any other fund or source of the City. The Bonds are secured by a pledge and assignment of the Trust Estate to the Trustee in favor of the Owners, as provided in this Indenture. The Bonds and the interest thereon shall not constitute general obligations of the City, the State or any political subdivision thereof, and neither the City, the State or related political subdivision thereof shall be liable thereon, and the Bonds shall not constitute an indebtedness within the meaning of any constitutional, charter or statutory debt limitation or restriction, and are not payable in any manner by taxation.

#### **Section 203. Denomination, Number and Dating of the Bonds.**

(a) The Bonds shall be issuable in the form of one fully-registered Bond, in substantially the form set forth in **Exhibit C** hereto, in the denomination of \$0.01 or any multiple thereof.

(b) The Bonds shall be dated by the Trustee as of the date of initial delivery thereof as provided herein. If the Bonds are at any time thereafter transferred, any replacement Bonds shall be dated as of the date of authentication thereof.

#### **Section 204. Method and Place of Payment of Bonds.**

(a) The principal of and interest on the Bonds shall be payable in any coin or currency of the United States of America which on the respective dates of payment thereof is legal tender for payment of public and private debts.

(b) Payment of the principal of the Bonds shall be made upon the presentation and surrender of such Bonds at the payment office of any Paying Agent named in the Bonds. The payment of principal on the Bonds shall be noted on the Bonds on **Schedule I** thereto and the registration books maintained by the Trustee pursuant to **Section 206** hereof. Payment of the interest on the Bonds shall be made by the Trustee on each Payment Date to the Person appearing on the registration books of the Trustee hereinafter provided for as the Owner thereof on the fifteenth day (whether or not a Business Day) of the calendar month next preceding such Payment Date by check or draft mailed to such Owner at such Owner's address as it appears on such registration books.

(c) The Bonds and the original **Schedule I** thereto shall be held by the Trustee in trust, unless otherwise directed in writing by the Owner. If the Bonds are held by the Trustee, the Trustee shall, on each Payment Date, send a revised copy of **Schedule I** via facsimile or other electronic means to the Owner, the Company (if not the Owner) and the City. Absent manifest error, the amounts shown on **Schedule I** as noted by the Trustee shall be conclusive evidence of the principal amount paid on the Bonds.

(d) If there is one Owner of the Bonds, the Trustee is authorized to make the final or any interim payments of principal on such Bonds by internal bank transfer or by electronic transfer to an account at a commercial bank or savings institution designated in writing by such Owner and located in the continental United States. The Trustee is also authorized to make interest payments on such Bonds by internal bank transfer or by electronic transfer to an account at a commercial bank or savings institution designated by such Owner and located in the continental United States.

(e) If the Company is the sole Owner of the Bonds, then the Company may set-off (by book entry or other reasonable means) its obligation to the City as lessee under the Lease against the City's obligations to the Company as the bondholder under this Indenture. The Trustee may conclusively rely on the absence of any notice from the Company to the contrary as evidence that such set-off has occurred. On the final Payment Date, the Company may deliver to the Trustee for cancellation the Bonds and the Company shall receive a credit against the Basic Rent payable by the Company under **Section 5.1** of the Lease in an amount equal to the remaining principal on the Bond so tendered for cancellation plus accrued interest thereon.

#### **Section 205. Execution and Authentication of Bonds.**

(a) The Bonds shall be executed on behalf of the City by the manual or facsimile signature of its Mayor or City Manager and attested by the manual or facsimile signature of the City Clerk, and shall have the corporate seal of the City affixed thereto or imprinted thereon. If any officer whose signature or facsimile thereof appears on the Bonds ceases to be such officer before the delivery of such Bond, such signature or facsimile thereof shall nevertheless be valid and sufficient for all purposes, the same as if such Person had remained in office until delivery. Any Bond may be signed by such Persons as at the actual time of the execution of such Bond are the proper officers to sign such Bond although at the date of such Bond such Persons may not have been such officers.

(b) The Bonds shall have endorsed thereon a Certificate of Authentication substantially in the form set forth in **Exhibit C** hereof, which shall be manually executed by the Trustee. No Bond shall be entitled to any security or benefit under this Indenture or shall be valid or obligatory for any purposes until such Certificate of Authentication has been duly executed by the Trustee. The executed Certificate of Authentication upon any Bond shall be conclusive evidence that such Bond has been duly authenticated and delivered under this Indenture. The Certificate of Authentication on any Bond shall be deemed to have been duly executed if signed by any authorized signatory of the Trustee.

#### **Section 206. Registration, Transfer and Exchange of Bonds.**

(a) The Trustee shall keep books for the registration and for the transfer of Bonds as provided in this Indenture.

(b) The Bonds may be transferred to an Approved Investor only upon the books kept for the registration and transfer of Bonds upon surrender thereof to the Trustee duly endorsed for transfer or accompanied by an assignment duly executed by the Owner or such Owner's attorney or legal representative in such form as shall be satisfactory to the Trustee. In connection with any such transfer of the Bonds, the City and the Trustee shall receive an executed representation letter signed by the proposed assignee in substantially the form of **Exhibit D** hereto. Upon any such transfer, the City shall execute and the Trustee shall authenticate and deliver in exchange for such Bond a new fully registered Bond or Bonds, registered in the name of the transferee, of any denomination or denominations authorized by this Indenture, in an aggregate principal amount equal to the Outstanding principal amount of such Bond, of the same maturity and bearing interest at the same rate.

(c) In all cases in which Bonds are exchanged or transferred hereunder the provisions of any legend restrictions on the Bonds shall be complied with and the City shall execute and the Trustee shall authenticate and deliver at the earliest practicable time Bonds in accordance with the provisions of this Indenture. All Bonds surrendered in any such exchange or transfer shall forthwith be cancelled by the Trustee. The City or the Trustee may make a reasonable charge for every such exchange or transfer of Bonds sufficient to reimburse it for any tax, fee or other governmental charge required to be paid with respect to such exchange or transfer, and such charge shall be paid before any such new Bond shall be delivered. Neither the City nor the Trustee shall be required to make any such exchange or transfer of Bonds during the 15 days immediately preceding a Payment Date on the Bonds or, in the case of any proposed redemption of Bonds, during the 15 days immediately preceding the selection of Bonds for such redemption or after such Bonds or any portion thereof has been selected for redemption.

(d) If any Owner fails to provide a certified taxpayer identification number to the Trustee, the Trustee may make a charge against such Owner sufficient to pay any governmental charge required to be paid as a result of such failure, which amount may be deducted by the Trustee from amounts otherwise payable to such Owner under such Owner's Bond.

(e) The City and the Trustee consent to the pledge of the Bond to any Financing Party (as such term is defined in the Lease).

**Section 207. Persons Deemed Owners of Bonds.** As to any Bond, the Person in whose name the same is registered as shown on the bond registration books required by **Section 206** hereof shall be deemed and regarded as the absolute owner thereof for all purposes. Payment of or on account of the principal of and interest on any such Bond shall be made only to or upon the order of the Owner thereof or a legal representative thereof. All such payments shall be valid and effectual to satisfy and discharge the liability upon such Bond, including the interest thereon, to the extent of the sum or sums so paid.

## **Section 208. Authorization of the Bonds.**

(a) The Bonds are authorized in the aggregate maximum principal amount of \$79,650,000 for the purpose of providing funds to pay the costs of the Project, which Bonds shall be designated "City of Lee's Summit, Missouri, Taxable Industrial Development Revenue Bonds (Mid-States Project), Series 2026." The Bonds shall be dated as provided in **Section 203(b)** hereof, shall become due on **December 1, 2038** (subject to prior redemption as provided in **Article III** hereof) and shall bear interest as specified in **Section 208(f)** hereof, payable on the dates specified in **Section 208(f)** hereof.

(b) The Trustee is hereby designated as the Paying Agent. The Owners of a majority of Bonds then Outstanding may designate a different Paying Agent upon written notice to the City and the Trustee.

(c) The Bonds shall be executed without material variance from the form and in the manner set forth in **Exhibit C** hereto and delivered to the Trustee for authentication. Prior to or simultaneously with the authentication and delivery of the Bonds by the Trustee, there shall be filed with the Trustee electronic copies of the following:

(1) The ordinance passed by the City Council authorizing the issuance of the Bonds and the execution of this Indenture, the Performance Agreement, the Bond Purchase Agreement and the Lease;

(2) Counterparts of this Indenture, the Lease, the Performance Agreement and the Bond Purchase Agreement;

(3) A representation letter from the Purchaser in substantially the form attached as **Exhibit D** hereto;

(4) A request and authorization to the Trustee on behalf of the City, executed by the Authorized City Representative, to authenticate the Bonds and deliver the same to or at the direction of the Purchaser upon payment to the Trustee, for the account of the City, of the purchase price thereof specified in the Bond Purchase Agreement. The Trustee shall be entitled to conclusively rely upon such request and authorization as to names of the purchaser and the amount of such purchase price;

(5) An opinion of counsel nationally recognized on the subject of municipal bonds to the effect that the Bonds constitute valid and legally binding limited and special revenue obligations of the City; and

(6) Such other certificates, statements, receipts, opinions and documents as the Trustee shall reasonably require for the delivery of the Bonds.

(d) When the documents specified in subsection (c) of this Section have been filed with the Trustee, and when the Bonds have been executed and authenticated as required by this Indenture, the Purchaser shall pay the Closing Price to the Trustee, and the Trustee shall endorse the Bonds in an amount equal to the Closing Price and then either hold the Bonds in trust or if so directed in writing deliver the Bonds to or upon the order of the Purchaser.

(e) Following the initial issuance and delivery of the Bonds, the Company may submit additional requisition certificates in accordance with **Section 4.4** of the Lease, and the Trustee shall, based solely on the amount set forth in the requisition, endorse the Bonds in an amount equal to the amount set forth in each requisition certificate. The date of endorsement of each Principal Amount Advanced (as defined in subsection (g) below) as set forth on **Schedule I** to the Bonds shall be the date of receipt of each requisition certificate by the Trustee. The Company shall be deemed to have paid over to the Trustee, and the Trustee shall be deemed to have deposited into the Project Fund, an amount equal to the amount of such requisition. The Trustee shall, at the time of each endorsement, send revised **Schedule I** to the Bonds via facsimile or electronic mail to the Purchaser and the Company (if not the sole Owner of the Bonds) and the City. The Trustee shall keep a record of the total requisitions submitted by the Company for the Project, and shall notify the Company and the City in writing if the requisitions submitted exceed the maximum principal amount of the Bonds.

(f) The Bonds shall bear interest at the rate of 7.50% per annum on the Cumulative Outstanding Principal Amount of the Bonds. Such interest shall be payable in arrears on each December 1, commencing on December 1, 2026, and continuing thereafter until the Cumulative Outstanding Principal Amount is paid in full; provided that the aggregate maximum principal amount shall not exceed \$79,650,000 and further provided that the Bonds shall be paid in full no later than **December 1, 2038**. Interest shall be calculated on the basis of a year of 360 days consisting of twelve months of 30 days each, and the payment of which will be reflected via a transaction entry on the trust records held by the Trustee and Paying Agent.

(g) The Trustee shall keep and maintain a record of the amount deposited or deemed to be deposited into the Project Fund pursuant to the terms of this Indenture as “Principal Amount Advanced” and shall enter the aggregate principal amount of the Bonds then Outstanding on its records as the “Cumulative Outstanding Principal Amount.” On each date upon which a portion of the Cumulative Outstanding Principal Amount is paid to the Owners, pursuant to the redemption provisions of this Indenture, the Trustee shall enter on its records the principal amount paid on the Bonds as “Principal Amount Redeemed,” and shall enter the then Outstanding principal amount of the Bonds as “Cumulative Outstanding Principal Amount.” The records maintained by the Trustee as to amounts deposited into the Project Fund or principal amounts paid on the Bonds shall be the official records of the Cumulative Outstanding Principal Amount for all purposes, absent manifest error, and shall be in substantially the form of the Table of Cumulative Outstanding Principal Amount as set out in the form of Bonds in **Exhibit C** hereto. If any moneys are deposited by the Trustee into the Project Fund, then the Trustee shall provide a statement of receipts and disbursements with respect thereto to the City and the Company upon written request. After the Project has been completed and the certificate of payment of all costs is filed as provided in **Section 504** hereof, the Trustee, upon written request, to the extent it has not already done so pursuant to this Section or **Section 1012** hereof, shall file a final statement of receipts and disbursements with respect thereto with the City and the Company.

**Section 209. Mutilated, Lost, Stolen or Destroyed Bonds.** If any Bond becomes mutilated, or is lost, stolen or destroyed, the City shall execute and the Trustee shall authenticate and deliver a new Bond of like series, date and tenor as the Bond mutilated lost, stolen or destroyed; provided that, in the case of any mutilated Bond, such mutilated Bond shall first be surrendered to the Trustee, and in the case of any lost, stolen or destroyed Bond, there shall be first furnished to the City and the Trustee evidence of such loss, theft or destruction satisfactory to the Trustee, together with indemnity satisfactory to the Trustee to save each of the City and the Trustee harmless. If any such Bond has matured, instead of delivering a substitute Bond, the Trustee may pay the same without surrender thereof. Upon the issuance of any substitute Bond, the City and the Trustee may require the payment of an amount sufficient to

reimburse the City and the Trustee for any tax or other governmental charge that may be imposed in relation thereto and any other reasonable fees and expenses incurred in connection therewith.

**Section 210. Cancellation and Destruction of Bonds Upon Payment.**

(a) All Bonds which have been paid or redeemed or which the Trustee has purchased or which have otherwise been surrendered to the Trustee under this Indenture, either at or before maturity shall be cancelled by the Trustee immediately upon the payment, redemption or purchase of such Bonds and the surrender thereof to the Trustee.

(b) All Bonds cancelled under any of the provisions of this Indenture shall be destroyed by the Trustee. The Trustee shall execute a certificate describing the Bonds so destroyed, and shall file executed counterparts of such certificate with the City and the Company.

**ARTICLE III**

**REDEMPTION OF BONDS**

**Section 301. Redemption of Bonds.**

(a) The Bonds are subject to redemption and payment at any time before the stated maturity thereof, at the option of the Company, (1) in whole, if the Company exercises its option to purchase the Project and deposits an amount sufficient to effect such purchase pursuant to the Lease on the applicable redemption date, or (2) in part, if the Company prepays additional Basic Rent pursuant to the Lease. If only a portion of the Bonds are to be redeemed, (1) Bonds aggregating at least 10% of the maximum aggregate principal amount of Bonds authorized hereunder shall not be subject to redemption and payment before the stated maturity thereof, and (2) the Trustee shall keep a record of the amount of Bonds to remain Outstanding following such redemption. Any redemption of Bonds pursuant to this paragraph shall be at a redemption price equal to the par value thereof being redeemed, plus accrued interest thereon, without premium or penalty, to the redemption date.

(b) The Bonds are subject to mandatory redemption, in whole or in part, to the extent of amounts deposited in the Bond Fund pursuant to **Section 9.1** or **9.2** of the Lease, in the event of substantial damage to or destruction or condemnation of substantially all of the Project. Bonds to be redeemed pursuant to this paragraph shall be called for redemption by the Trustee on the earliest practicable date for which timely notice of redemption may be given as provided hereunder. Any redemption of Bonds pursuant to this paragraph shall be at a redemption price equal to the par value thereof being redeemed, plus accrued interest thereon, without premium or penalty, to the redemption date. Before giving notice of redemption to the Owners pursuant to this paragraph (b), money in an amount equal to the redemption price shall have been deposited in the Bond Fund.

(c) The Bonds are subject to mandatory redemption, in whole, on the last day of the final Project Equipment Abatement Period or on the last day of the Project Real Estate Abatement Period, whichever ends later, if such date is prior to **December 1, 2038**.

(d) In connection with a redemption under paragraphs (a), (b) or (c) of this Section, at its option, the Company may deliver to the Trustee for cancellation any Bonds owned by the Company and not previously paid, and the Company shall receive a credit against the amounts payable by the Company

for the redemption of such Bonds in an amount equal to the principal amount of the Bonds so tendered for cancellation, plus accrued interest.

**Section 302. Effect of Call for Redemption.** Before or on the date fixed for redemption, funds, Government Securities, or a combination thereof, shall be placed with the Trustee which are sufficient to pay the Bonds called for redemption and accrued interest thereon, if any, to the redemption date. Upon the happening of the above conditions and appropriate written notice having been given, the Bonds or the portions of the principal amount of Bonds thus called for redemption shall cease to bear interest on the specified redemption date, and shall no longer be entitled to the protection, benefit or security of this Indenture and shall not be deemed to be Outstanding under the provisions of this Indenture. If the Bonds are fully redeemed before maturity and an amount of money equal to the Trustee's and the Paying Agent's agreed to fees and expenses hereunder accrued and to accrue in connection with such redemption is paid or provided for, the City shall, at the Company's direction, deliver to the Company the items described in **Section 11.2** of the Lease.

**Section 303. Notice of Redemption.** If the Bonds are to be called for redemption as provided in **Section 301(a)** hereof, the Company shall deliver written notice to the City and the Trustee that it has elected to redeem all or a portion of the Bonds at least 40 days (10 days if the Company is the Owner) prior to the scheduled redemption date. The Trustee shall then deliver written notice to the Owners at least 30 days (five days if the Company is the Owner) prior to the scheduled redemption date by facsimile and by first-class mail stating the date upon which the Bonds will be redeemed and paid, unless such notice period is waived by the Owners in writing.

## ARTICLE IV

The Bonds may have endorsed thereon such legends or text as may be necessary or appropriate to conform to any applicable rules and regulations of any governmental authority or any custom, usage or requirements of law with respect thereto.

## ARTICLE V

### CUSTODY AND APPLICATION OF BOND PROCEEDS

**Section 501. Creation of Funds.** There are hereby created and ordered to be established in the custody of the Trustee the following special trust funds in the name of the City:

- (a) "City of Lee's Summit, Missouri, Project Fund – Mid-States Project" (herein called the "Project Fund");
- (b) "City of Lee's Summit, Missouri, Costs of Issuance Fund – Mid-States Project" (herein called the "Costs of Issuance Fund"); and

(c) "City of Lee's Summit, Missouri, Bond Fund – Mid-States Project" (herein called the "Bond Fund").

**Section 502. Deposits into the Project Fund.** The proceeds of the sale of the Bonds (whether actually paid or deemed paid under **Section 208** hereof), including Additional Payments provided for in the Bond Purchase Agreement, when received, excluding such amounts required to be paid into the Bond Fund pursuant to **Section 601** hereof, shall be deposited by the Trustee into the Project Fund. Any money received by the Trustee from any other source for the purpose of purchasing, constructing, improving and equipping the Project shall pursuant to any directions from the Person depositing such moneys also be deposited into the Project Fund.

**Section 503. Disbursements from the Project Fund.**

(a) The moneys in the Project Fund shall be disbursed by the Trustee for the payment of, or reimbursement to the Company (or any other party that has made payment on behalf of the Company) for payment of, Project Costs upon receipt of requisition certificates signed by the Company in accordance with the provisions of **Article IV** of the Lease. The Trustee hereby covenants and agrees to disburse such moneys in accordance with such provisions.

(b) If, pursuant to **Section 208** hereof, the Trustee is deemed to have deposited into the Project Fund the amount specified in the requisition certificates submitted by the Company in accordance with the provisions of **Article IV** of the Lease, the Trustee shall upon endorsement of the Bonds in an equal amount be deemed to have disbursed such funds from the Project Fund to the Company (or such other purchaser designated by the Company) in satisfaction of the requisition certificate.

(c) In paying any requisition under this Section, the Trustee may rely as to the completeness and accuracy of all statements in such requisition certificate if such requisition certificate is signed by the Authorized Company Representative. If the City so requests in writing, a copy of each requisition certificate submitted to the Trustee for payment under this Section shall be promptly provided by the Trustee to the City. The City hereby authorizes and directs the Trustee to make disbursements in the manner and as provided for by the aforesaid provisions of the Lease.

**Section 504. Completion of the Project.** The completion of the acquisition, construction, improvement and equipping of the Project and payment of all costs and expenses incident thereto shall be evidenced by the filing with the Trustee of the certificate required by the provisions of **Section 4.5** of the Lease. As soon as practicable after the Completion Date any balance remaining in the Project Fund shall without further authorization be transferred by the Trustee to the Bond Fund and applied as provided in **Section 4.6** of the Lease.

**Section 505. Deposits into and Disbursements from the Costs of Issuance Fund.** Money deposited by the Company in the Costs of Issuance Fund shall be used solely to pay costs of issuing the Bonds or refunded to the Company as hereinafter provided. The Trustee shall without further authorization disburse from the Costs of Issuance Fund, to the extent available, money sufficient to pay the amounts shown in a closing memorandum or requisition certificate provided to the Trustee on or before the date of delivery of the Bonds, which shall have attached thereto the statements, invoices and related items described in said closing memorandum or requisition certificate. The Trustee may rely conclusively on the amounts due as shown in the closing memorandum or requisition certificate and will not be required to make any independent inspection or investigation in connection therewith. Any of such money not used to pay costs of issuance by the date that is six months after the date of this Indenture shall be refunded to the Company.

**Section 506. Disposition Upon Acceleration.** If the principal of the Bonds has become due and payable pursuant to **Section 902** hereof, upon the date of payment by the Trustee of any moneys due as provided in **Article IX** hereof, any balance remaining in the Project Fund shall without further authorization be deposited in the Bond Fund by the Trustee, with advice to the City and to the Company of such action.

## ARTICLE VI

### REVENUES AND FUNDS

#### **Section 601. Deposits Into the Bond Fund.**

(a) The Trustee shall deposit into the Bond Fund, as and when received, (a) all accrued interest on the Bonds, if any, paid by the Purchaser; (b) all Basic Rent payable by the Company to the City specified in **Section 5.1** of the Lease; (c) any Additional Rent payable by the Company specified in **Section 5.2** of the Lease; (d) any amount in the Project Fund to be transferred to the Bond Fund pursuant to **Section 504** hereof upon completion of the Project or pursuant to **Section 506** hereof upon acceleration of the Bonds; (e) any excess Net Proceeds (as defined in the Lease) of condemnation awards or insurance received by the Trustee pursuant to **Section 9.1(b)** or **Section 9.2(b)** of the Lease; (f) the amounts to be deposited in the Bond Fund pursuant to **Sections 9.1(f)** and **9.2(c)** of the Lease; (g) all interest and other income derived from investments of Bond Fund moneys as provided in **Section 702** hereof; and (h) all other moneys received by the Trustee under and pursuant to any of the provisions of the Lease when accompanied by written directions from the Person depositing such moneys that such moneys are to be paid into the Bond Fund.

(b) The Trustee shall notify the Company in writing, at least 15 days before each date on which a payment is due under **Section 5.1** of the Lease, of the amount that is payable by the Company pursuant to such Section.

#### **Section 602. Application of Moneys in the Bond Fund.**

(a) Except as provided in **Section 604** and **Section 908** hereof or in **Section 4.6(a)** of the Lease, moneys in the Bond Fund shall be expended (or deemed to be expended) solely for the payment of the principal of and the interest on the Bonds as the same mature and become due or upon the redemption thereof before maturity; provided, however, that any amounts received by the Trustee as Additional Rent under **Section 5.2** of the Lease and deposited to the Bond Fund as provided in **Section 601** above, shall be expended by the Trustee for such items of Additional Rent as they are received or due without further authorization from the City.

(b) The City hereby authorizes and directs the Trustee to withdraw sufficient funds from the Bond Fund to pay the principal of and the interest on the Bonds as the same become due and payable and to make said funds so withdrawn available to the Paying Agent for the purpose of paying said principal and interest. To the extent the Company is the Owner of all of the Bonds Outstanding, payment may be made via transaction entry on the trust records held by Trustee.

(c) Whenever the amount in the Bond Fund from any source whatsoever is sufficient to redeem all of the Bonds Outstanding and to pay interest to accrue thereon before such redemption, the

City covenants and agrees, upon request of the Company, to take and cause to be taken the necessary steps to redeem all such Bonds on the next succeeding redemption date for which the required redemption notice may be given or on such later redemption date as may be specified by the Company. The Trustee may use any moneys in the Bond Fund to redeem a part of the Bonds Outstanding in accordance with and to the extent permitted by **Article III** hereof so long as the Company is not in default with respect to any payments under the Lease and to the extent said moneys are in excess of the amount required for payment of Bonds theretofore matured or called for redemption and past due interest, if any, in all cases when such Bonds have not been presented for payment.

(d) After payment in full of the principal of and interest, if any, on the Bonds (or provision has been made for the payment thereof as provided in this Indenture), and the fees, charges and expenses of the Trustee, the City and any Paying Agent and any other amounts required to be paid under this Indenture, the Lease and the Performance Agreement, all amounts remaining in the Bond Fund shall be paid to the Company upon the expiration or sooner termination of the Lease.

**Section 603. Payments Due on Days Other than Business Days.** In any case where the date of maturity of principal of or interest, if any, on the Bonds or the date fixed for redemption of any Bonds is not a Business Day, then payment of principal or interest, if any, need not be made on such date but may be made on the next succeeding Business Day with the same force and effect as if made on the date of maturity or the date fixed for redemption, and no interest, if any, shall continue to accrue for the period after such date.

**Section 604. Nonpresentment of Bonds.** If any Bond is not presented for payment when the principal thereof becomes due, either at maturity or otherwise, or at the date fixed for redemption thereof, if funds sufficient to pay such Bond shall have been made available to the Trustee, all liability of the City to the Owner thereof for the payment of such Bond shall forthwith cease, determine and be completely discharged, and thereupon it shall be the duty of the Trustee to hold such fund or funds, without liability for interest thereon, for the benefit of the Owner of such Bond who shall thereafter be restricted exclusively to such fund or funds for any claim of whatever nature on his part under this Indenture or on, or with respect to, said Bond. If any Bond is not presented for payment within one year following the date when such Bond becomes due, whether by maturity or otherwise, the Trustee shall without liability for interest thereon repay to the Company the funds theretofore held by it for payment of such Bond, and such Bond shall, subject to the defense of any applicable statute of limitation, thereafter be an unsecured obligation of the Company, and the Owner thereof shall be entitled to look only to the Company for payment, and then only to the extent of the amount so repaid, and the Company shall not be liable for any interest thereon and shall not be regarded as a trustee of such money.

**Section 605. Repayment to the Company from the Bond Fund.** After payment in full of the principal of and interest, if any, on the Bonds (or provision has been made for the payment thereof as provided in this Indenture), and the fees, charges and expenses of the Trustee, the City and any Paying Agent and any other amounts required to be paid under this Indenture and the Lease, all amounts remaining in the Bond Fund shall be paid to the Company upon the expiration or sooner termination of the Lease.

## ARTICLE VII

### SECURITY FOR DEPOSITS AND INVESTMENT OF FUNDS

**Section 701. Moneys to be Held in Trust.** All moneys deposited with or paid to the Trustee for account of the Bond Fund or the Project Fund under any provision of this Indenture, and all moneys

deposited with or paid to any Paying Agent under any provision of this Indenture, shall be held by the Trustee or Paying Agent in trust and shall be applied only in accordance with the provisions of this Indenture and the Lease, and, until used or applied as herein provided, shall constitute part of the Trust Estate and be subject to the lien hereof. Neither the Trustee nor any Paying Agent shall be under any liability for interest on any moneys received hereunder except such as may be agreed upon in writing.

**Section 702. Investment of Moneys in Funds.** Moneys held in the Project Fund and the Bond Fund shall, pursuant to written direction of the Company, signed by the Authorized Company Representative, be separately invested and reinvested by the Trustee in Investment Securities which mature or are subject to redemption by the Owner before the date such funds will be needed. Moneys in the Costs of Issuance fund shall be held un-invested. If the Company fails to provide written directions concerning investment of moneys held in the Project Fund and the Bond Fund, the Trustee shall invest in such Investment Securities specified in paragraph (e) of the definition of Investment Securities, provided they mature or are subject to redemption before the date such funds will be needed. The Trustee is specifically authorized to implement its automated cash investment system to assure that cash on hand is invested and to charge its normal cash management fees and cash sweep account fees, which may be deducted from income earned on investments; provided that any such fees shall not exceed the interest income on the investment. Any such Investment Securities shall be held by or under the control of the Trustee and shall be deemed at all times a part of the fund in which such moneys are originally held, and the interest accruing thereon and any profit realized from such Investment Securities shall be credited to such fund, and any loss resulting from such Investment Securities shall be charged to such fund. After the Trustee has notice pursuant to **Section 1001(h)** hereof of the existence of an Event of Default, the Trustee shall direct the investment of moneys in the Bond Fund and the Project Fund. The Trustee shall sell and reduce to cash a sufficient amount of such Investment Securities whenever the cash balance in any Fund is insufficient for the purposes of such Fund. In determining the balance in any Fund, investments in such Fund shall be valued at the lower of their original cost or their fair market value as of the most recent Payment Date. The Trustee may make any and all investments permitted by the provisions of this Section through its own bond department or any affiliate or short-term investment department. The Trustee may rely on the investment directions of the Authorized Company Representative as to both the suitability and legality of the directed investments.

**Section 703. Record Keeping.** The Trustee shall maintain records designed to show compliance with the provisions of this Article and with the provisions of **Article VI** hereof for at least six years after the payment of all of the Outstanding Bonds.

## ARTICLE VIII

### GENERAL COVENANTS AND PROVISIONS

**Section 801. Payment of Principal and Interest.** The City covenants and agrees that it will, but solely from the rents, revenues and receipts derived from the Project and the Lease as described herein, deposit or cause to be deposited in the Bond Fund sufficient sums payable under the Lease promptly to meet and pay the principal of and the interest on the Bonds as they become due and payable at the place, on the dates and in the manner provided herein and in the Bonds according to the true intent and meaning thereof. Nothing herein shall be construed as requiring the City to operate the Project as a business other than as lessor or to use any funds or revenues from any source other than funds and revenues derived from the Project.

**Section 802. Authority to Execute Indenture and Issue Bonds.** The City covenants that it is duly authorized under the Constitution and laws of the State to execute this Indenture, to issue the Bonds and to pledge and assign the Trust Estate in the manner and to the extent herein set forth; that all action on its part for the execution and delivery of this Indenture and the issuance of the Bonds has been duly and effectively taken; that the Bonds in the hands of the Owners thereof are and will be valid and enforceable obligations of the City according to the import thereof.

**Section 803. Performance of Covenants.** The City covenants that it will faithfully perform at all times any and all covenants, undertakings, stipulations and provisions contained in this Indenture, in the Bonds and in all proceedings of its governing body pertaining thereto. The Trustee may take such action as it deems appropriate to enforce all such covenants, undertakings, stipulations and provisions of the City hereunder.

**Section 804. Instruments of Further Assurance.** The City covenants that it will do, execute, acknowledge and deliver, or cause to be done, executed, acknowledged and delivered, such Supplemental Indentures and such further acts, instruments, financing statements and other documents as the Trustee may reasonably require for the better pledging and assigning unto the Trustee the property and revenues herein described to the payment of the principal of and interest, if any, on the Bonds. The City covenants and agrees that, except as herein and in the Lease provided, it will not sell, convey, mortgage, encumber or otherwise dispose of any part of the Project or the rents, revenues and receipts derived therefrom or from the Lease, or of its rights under the Lease.

**Section 805. Recordings and Filings.** The City shall file or cause to be kept and filed all financing statements, and hereby authorizes the Trustee to file or cause to be kept and filed continuation statements with respect to such originally filed financing statements related to this Indenture in order to fully preserve and protect the security of the Owners and the rights of the Trustee hereunder provided a copy of the originally filed financing statement is timely delivered to the Trustee. Unless otherwise notified in writing by the Company or City, the Trustee may conclusively rely upon any originally filed financing statements in filing any continuation statements hereunder. The City will cooperate in causing this Indenture and all Supplemental Indentures, the Lease and all Supplemental Leases and all other security instruments to be recorded and filed in such manner and in such places as may be required by law in order to fully preserve and protect the security of the Owners and the rights of the Trustee hereunder.

**Section 806. Inspection of Project Books.** The City covenants and agrees that all books and documents in its possession relating to the Project and the rents, revenues and receipts derived from the Project shall at all times be open to inspection by such accountants or other agencies as the Trustee may from time to time designate.

**Section 807. Enforcement of Rights Under the Lease.** The City covenants and agrees that it will enforce all of its rights and all of the obligations of the Company (at the expense of the Company) under the Lease to the extent necessary to preserve the Project in good repair and reasonably safe operating condition, and to protect the rights of the Trustee and the Owners hereunder with respect to the pledge and assignment of the rents, revenues and receipts coming due under the Lease; provided that, the City and the Trustee, as its assignee, shall refrain from enforcing any such right or obligation (except for the Unassigned Rights or the rights of the City or the Trustee to receive payments owing to either of them for their own account under the Indenture, the Lease, the Performance Agreement or any other agreement related to the Bonds or for their rights of indemnification or to be protected from liabilities by insurance policies required by the Lease) if so directed in writing by the Owners of 100% of the Outstanding Bonds. The City agrees that the Trustee, as assignee of the rentals and other amounts to be received by the City

and paid by the Company under the Lease, or in its name or in the name of the City, may enforce all rights of the City to receive such rentals and other amounts and all obligations of the Company to pay such rentals and other amounts under and pursuant to the Lease for and on behalf of the Owners, whether or not the City is in default hereunder.

## ARTICLE IX

- (b) Default in the due and punctual payment of the interest on any Bond, whether at the stated maturity or accelerated maturity thereof, or at any date fixed for redemption thereof;
- (c) Default as specified in **Section 12.1** of the Lease has occurred; or
- (d) Default in the performance, or breach, of any other covenant or agreement under this Indenture.

No default specified above shall constitute an Event of Default until the Trustee or the Owners of 25% in aggregate principal amount of all Bonds Outstanding has given actual notice of such default by registered or certified mail to the City and the Company, and the City and the Company have had 30 days after receipt of such notice to correct said default or cause said default to be corrected and have not corrected said default or caused said default to be corrected within such period; provided, however, if any such default (other than a default in the payment of any money) is such that it cannot be corrected within such period, it shall not constitute an Event of Default if corrective action is instituted by the City or the Company (as the case may be) within such period and diligently pursued until the default is corrected.

**Section 902. Acceleration of Maturity in Event of Default; Rescission.**

(a) If an Event of Default has occurred and is continuing after the notice and cure period described in **Section 901** elapses, the Trustee may, and upon the written request of the Owners of not less than 25% in aggregate principal amount of Bonds then Outstanding, shall, by notice in writing delivered to the City and the Company, declare the principal of all Bonds then Outstanding and the interest accrued thereon immediately due and payable, and such principal and interest and all other amounts due hereunder shall thereupon become and be immediately due and payable.

(b) If, at any time after such declaration, but before the Bonds have matured by their terms, all overdue installments of principal and interest upon the Bonds, together with the reasonable and proper expenses of the Trustee, and all other sums then payable by the City under this Indenture are either paid or provisions satisfactory to the Trustee are made for such payment (and all sums then payable as Additional Rent under the Lease by the Company have been paid to the City or other appropriate payee), then and in every such case the Trustee shall, but only with the approval of a majority of the Owners of the Bonds then Outstanding, rescind such declaration and annul such default in its entirety. In such event,

the Trustee shall rescind any declaration of acceleration of installments of rent payments on the Bonds under **Section 12.2** of the Lease.

(c) In case of any rescission, then and in every such case the City, the Trustee, the Company and the Owners shall be restored to their former position and rights hereunder respectively, but no such rescission shall extend to any subsequent or other default or Event of Default or impair any right consequent thereon.

**Section 903. Surrender of Possession of Trust Estate; Rights and Duties of Trustee in Possession.** If an Event of Default has occurred and is continuing after the notice and cure period described in **Section 901** hereof elapses, the City, upon demand of the Trustee, shall forthwith surrender the possession of, and it shall be lawful for the Trustee, by such officer or agent as it may appoint, to take possession of all or any part of the Trust Estate, together with the books, papers and accounts of the City pertaining thereto, and including the rights and the position of the City under the Lease, and to hold, operate and manage the same, and from time to time make all needful repairs and improvements. The Trustee may lease the Project or any part thereof, in the name and for account of the City, and collect, receive and sequester the rents, revenues and receipts therefrom, and out of the same and any moneys received from any receiver of any part thereof pay, and set up proper reserves for the payment of all proper costs and expenses of so taking, holding and managing the same, including without limitation (a) reasonable compensation to the Trustee, its agents and counsel, (b) any reasonable charges of the Trustee hereunder, (c) any taxes and assessments and other charges having a lien that is senior to the lien of this Indenture, (d) all expenses of such repairs and improvements and (e) any amounts payable under the Performance Agreement. The Trustee shall apply the remainder of the moneys so received in accordance with the provisions of **Section 908** hereof. Whenever all that is due upon the Bonds has been paid and all defaults cured, the Trustee shall surrender possession of the Trust Estate to the City, its successors or assigns, the same right of entry, however, to exist upon any subsequent Event of Default. While in possession of such property, the Trustee shall render annually to the City and the Company a summarized statement of receipts and expenditures in connection therewith.

**Section 904. Appointment of Receivers in Event of Default.** If an Event of Default has occurred and is continuing after the notice and cure period described in **Section 901** elapses, and upon the filing of a suit or other commencement of judicial proceedings to enforce the rights of the Trustee and of the Owners under this Indenture, the Trustee shall be entitled, as a matter of right, to the appointment of a receiver or receivers of the Trust Estate or any part thereof, pending such proceedings, with such powers as the court making such appointment shall confer.

**Section 905. Exercise of Remedies by the Trustee.**

(a) Upon the occurrence of an Event of Default, the Trustee may pursue any available remedy at law or in equity by suit, action, mandamus or other proceeding to enforce the payment of the principal of and interest on the Bonds then Outstanding and all other amounts due hereunder, and to enforce and compel the performance of the duties and obligations of the City or the Company as herein set forth or as set forth in the Lease, respectively.

(b) If an Event of Default has occurred and is continuing after the notice and cure period described in **Section 901** elapses, and if requested to do so by (1) the City (in the case of an Event of Default pursuant to **Section 12.1(a)** of the Lease, to the extent that such Event of Default is based upon the nonpayment of Additional Rent, **Section 12.1(b)** of the Lease, to the extent that such Event of Default relates to Unassigned Rights, or **Section 12.1(c)** or **(d)** of the Lease), or (2) the Owners of 25% in aggregate principal amount of Bonds then Outstanding and indemnified as provided in subsection (l) of

**Section 1001** hereof, the Trustee shall be obligated to exercise such one or more of the rights and powers conferred by this Article as the Trustee, being advised by counsel, shall deem most expedient and in the interests of the City or the Owners, as the case may be.

(c) All rights of action under this Indenture or under any of the Bonds may be enforced by the Trustee without the possession of any of the Bonds or the production thereof in any trial or other proceedings relating thereto, and any such suit or proceeding instituted by the Trustee shall be brought in its name as Trustee without necessity of joining as plaintiffs or defendants any Owners, and any recovery of judgment shall, subject to the provisions of **Section 908** hereof, be for the equal benefit of all the Owners of the Outstanding Bonds.

**Section 906. Limitation on Exercise of Remedies by Owners.** No Owner shall have any right to institute any suit, action or proceeding in equity or at law for the enforcement of this Indenture or for the execution of any trust hereunder or for the appointment of a receiver or any other remedy hereunder, unless (a) a default has occurred of which the Trustee has been notified as provided in **Section 1001(h)** hereof or of which by said subsection the Trustee is deemed to have notice, (b) such default has become an Event of Default, (c) the Owners of 25% in aggregate principal amount of Bonds then Outstanding have made written request to the Trustee, have offered it reasonable opportunity either to proceed for such reasonable period not to exceed 60 days following such notice and to exercise the powers hereinbefore granted or to institute such action, suit or proceeding in its own name, and have offered to the Trustee indemnity as provided in **Section 1001(l)** hereof, and (d) the Trustee thereafter fails or refuses to exercise the powers herein granted or to institute such action, suit or proceeding in its own name; such notification, request and offer of indemnity are hereby declared in every case, at the option of the Trustee, to be conditions precedent to the execution of the powers and trusts of this Indenture, and to any action or cause of action for the enforcement of this Indenture, or for the appointment of a receiver or for any other remedy hereunder, it being understood and intended that no one or more Owners shall have any right in any manner whatsoever to affect, disturb or prejudice this Indenture by their action or to enforce any right hereunder except in the manner herein provided, and that all proceedings at law or equity shall be instituted, had and maintained in the manner herein provided and for the equal benefit of the Owners of all Bonds then Outstanding. Nothing in this Indenture contained shall, however, affect or impair the right of any Owner to payment of the principal of and interest on any Bond at and after the maturity thereof or the obligation of the City to pay the principal of and interest on each of the Bonds issued hereunder to the respective Owners thereof at the time, place, from the source and in the manner herein and in the Bonds expressed.

### **Section 907. Right of Owners to Direct Proceedings.**

(a) The Owners of a majority in aggregate principal amount of Bonds then Outstanding may, at any time, by an instrument or instruments in writing executed and delivered to the Trustee, direct the time, method and place of conducting all proceedings to be taken in connection with the enforcement of the terms and conditions of this Indenture, or for the appointment of a receiver or any other proceedings hereunder; provided that such direction shall not be otherwise than in accordance with the provisions of law and of this Indenture, including **Section 1001(l)** hereof.

(b) Notwithstanding any provision in this Indenture to the contrary, including paragraph (a) of this Section, the Owners shall not have the right to control or direct any remedies hereunder upon an Event of Default under **Section 12.1(a)** (but only if such Event of Default is based upon the nonpayment of Additional Rent), **Section 12.1(b)** (but only with respect to Unassigned Rights) or **Section 12.1(c)** or **(d)** of the Lease.

## **Section 908. Application of Moneys in Event of Default.**

(a) All moneys received by the Trustee pursuant to any right given or action taken under the provisions of this Article shall, after payment of any obligations outstanding under the Lease and the Performance Agreement, of the cost and expenses of the proceedings resulting in the collection of such moneys and of the fees, expenses, liabilities and advances incurred or made by the Trustee (including any attorneys fees and expenses) or amounts to be paid pursuant to **Section 903** hereof, be deposited in the Bond Fund and all moneys so deposited in the Bond Fund shall be applied as follows:

(1) Unless the principal of all the Bonds shall have become or shall have been declared due and payable, all such moneys shall be applied:

FIRST – To the payment to the Persons entitled thereto of all installments of interest, if any, then due and payable on the Bonds, in the order in which such installments of interest became due and payable, and, if the amount available shall not be sufficient to pay in full any particular installment, then to the payment ratably, according to the amounts due on such installment, to the Persons entitled thereto, without any discrimination or privilege;

SECOND – To the payment to the Persons entitled thereto of the unpaid principal of any of the Bonds which shall have become due and payable (other than Bonds called for redemption for the payment of which moneys are held pursuant to the provisions of this Indenture), in the order of their due dates, and, if the amount available shall not be sufficient to pay in full Bonds due on any particular date, together with such interest, then to the payment, ratably, according to the amount of principal due on such date, to the Persons entitled thereto without any discrimination or privilege.

(2) If the principal of all the Bonds shall have become due or shall have been declared due and payable, all such moneys shall be applied to the payment of the principal and interest, if any, then due and unpaid on all of the Bonds, without preference or priority of principal over interest or of interest over principal or of any installment of interest over any other installment of interest or of any Bond over any other Bond, ratably, according to the amounts due respectively for principal and interest, to the Person entitled thereto, without any discrimination or privilege.

(3) If the principal of all the Bonds shall have been declared due and payable, and if such declaration shall thereafter have been rescinded and annulled under the provisions of **Section 910** hereof, then, subject to the provisions of subsection (2) of this Section in the event that the principal of all the Bonds shall later become due or be declared due and payable, the moneys shall be applied in accordance with the provisions of subsection (1) of this Section.

(b) Whenever moneys are to be applied pursuant to the provisions of this Section, such moneys shall be applied at such times and from time to time as the Trustee shall determine, having due regard to the amount of such moneys available and which may become available for such application in the future. Whenever the Trustee shall apply such moneys, it shall fix the date (which shall be a Payment Date unless it shall deem another date more suitable) upon which such application is to be made and upon such date interest on the amounts of principal to be paid on such dates shall cease to accrue.

(c) Whenever all of the Bonds and interest thereon, if any, have been paid under the provisions of this Section, and all fees, expenses and charges of the City and the Trustee and any other amounts required to be paid under this Indenture and the Lease have been paid (including any amounts payable under the Performance Agreement), any balance remaining in the Bond Fund shall be paid to the Company as provided in **Section 602** hereof.

**Section 909. Remedies Cumulative.** No remedy by the terms of this Indenture conferred upon or reserved to the Trustee or to the Owners is intended to be exclusive of any other remedy, but each and every such remedy shall be cumulative and shall be in addition to any other remedy given to the Trustee or to the Owners hereunder or now or hereafter existing at law or in equity or by statute. No delay or omission to exercise any right, power or remedy accruing upon any Event of Default shall impair any such right, power or remedy or shall be construed to be a waiver of any such Event of Default or acquiescence therein; every such right, power or remedy may be exercised from time to time and as often as may be deemed expedient. If the Trustee has proceeded to enforce any right under this Indenture by the appointment of a receiver, by entry, or otherwise, and such proceedings have been discontinued or abandoned for any reason, or have been determined adversely, then and in every such case the City, the Company, the Trustee and the Owners shall be restored to their former positions and rights hereunder, and all rights, remedies and powers of the Trustee shall continue as if no such proceedings had been taken.

**Section 910. Waivers of Events of Default.** The Trustee shall waive any Event of Default hereunder and its consequences and rescind any declaration of maturity of principal of and interest, if any, on Bonds, and only upon the written request of the Owners of at least 50% in aggregate principal amount of all the Bonds then Outstanding, provided, however, that (1) there shall not be waived without the consent of the City an Event of Default hereunder arising from an Event of Default under **Section 12.1(a)** of the Lease (but only if such Event of Default is based upon the nonpayment of Additional Rent), **Section 12.1(b)** of the Lease (but only with respect to Unassigned Rights), or **Section 12.1(c)** or **(d)** of the Lease, and (2) there shall not be waived without the consent of the Owners of all the Bonds Outstanding (a) any Event of Default in the payment of the principal of any Outstanding Bonds when due (whether at the date of maturity or redemption specified therein), or (b) any Event of Default in the payment when due of the interest on any such Bonds, unless prior to such waiver or rescission, all arrears of interest, or all arrears of payments of principal when due, as the case may be, and all reasonable expenses of the Trustee and the City (including reasonable attorneys' fees and expenses), in connection with such default, shall have been paid or provided for. In case of any such waiver or rescission, or in case any proceeding taken by the Trustee on account of any such default shall have been discontinued or abandoned or determined adversely, then and in every such case the City, the Company, the Trustee and the Owners shall be restored to their former positions, rights and obligations hereunder, respectively, but no such waiver or rescission shall extend to any subsequent or other default, or impair any right consequent thereon, and all rights, remedies and powers of the Trustee shall continue as if no such proceedings had been taken.

## ARTICLE X

### THE TRUSTEE

**Section 1001. Acceptance of the Trusts.** The Trustee hereby accepts the trusts imposed upon it by this Indenture, but only upon and subject to the following express terms and conditions, and no implied covenants or obligations shall be read into this Indenture against the Trustee:

(a) The Trustee, before the occurrence of an Event of Default and after the curing or waiver of all Events of Default that may have occurred, undertakes to perform such duties and only such duties as are specifically set forth in this Indenture. If any Event of Default has occurred and is continuing, subject to **Section 1001(l)** hereof, the Trustee shall exercise such of the rights and powers vested in it by this Indenture, and shall use the same degree of care and skill in their exercise, as a prudent Person would exercise or use under the circumstances in the conduct of its own affairs.

(b) The Trustee may execute any of the trusts or powers hereunder or perform any duties hereunder either directly or through agents, affiliates, attorneys or receivers and shall not be responsible for any misconduct or negligence on the part of any agent, attorney or receiver appointed or chosen by it with due care. The Trustee may conclusively rely upon and act or refrain from acting upon any opinion or advice of counsel, who may be counsel to the City or to the Company, concerning all matters of trust hereof and the duties hereunder, and may in all cases pay such reasonable compensation to all such agents, attorneys and receivers as may reasonably be employed in connection with the trusts hereof. The Trustee shall not be responsible for any loss or damage resulting from any action or nonaction by it taken or omitted to be taken in good faith in reliance upon such opinion or advice of counsel addressed to the City and the Trustee.

(c) The Trustee shall not be responsible for any recital herein or in the Bonds (except with respect to the Certificate of Authentication of the Trustee endorsed on the Bonds), or except as provided in the Lease and particularly **Section 10.8** thereof, for the recording or rerecording, filing or refiling of this Indenture or any security agreement in connection therewith (excluding the continuation of Uniform Commercial Code financing statements), or for insuring the Project or collecting any insurance moneys, or for the validity of the execution by the City of this Indenture or of any Supplemental Indentures or instruments of further assurance, or for the sufficiency of the security of the Bonds. The Trustee shall not be responsible or liable for any loss suffered in connection with any investment of funds made by it in accordance with **Article VII** hereof.

(d) The Trustee shall not be accountable for the use of any Bonds authenticated and delivered hereunder. The Trustee, in its individual or any other capacity, may become the Owner or pledgee of Bonds with the same rights that it would have if it were not Trustee. The Trustee shall not be accountable for the use or application by the City or the Company of the proceeds of any of the Bonds or of any money paid to or upon the order of the City or Company under any provision of this Indenture.

(e) The Trustee may rely and shall be protected in acting or refraining from acting upon any resolution, certificate, statement, instrument, opinion, report, notice, request, direction, consent, order, affidavit, letter, telegram or other paper or document provided for under this Indenture believed by it to be genuine and correct and to have been signed, presented or sent by the proper Person or Persons. Any action taken by the Trustee pursuant to this Indenture upon the request or authority or consent of any Person who, at the time of making such request or giving such authority or consent is an Owner, shall be conclusive and binding upon all future Owners of the same Bond and upon Bonds issued in exchange therefor or upon transfer or in place thereof.

(f) As to the existence or nonexistence of any fact or as to the sufficiency or validity of any instrument, paper or proceeding, or whenever in the administration of this Indenture the Trustee shall deem it desirable that a matter be proved or established before taking, suffering or

omitting any action hereunder, the Trustee shall be entitled to rely upon a certificate signed by the Authorized City Representative or an Authorized Company Representative as sufficient evidence of the facts therein contained, and before the occurrence of a default of which the Trustee has been notified as provided in subsection (h) of this Section or of which by said subsection it is deemed to have notice, the Trustee shall also be at liberty to accept a similar certificate to the effect that any particular dealing, transaction or action is necessary or expedient, but may at its discretion secure such further evidence deemed necessary or advisable, but shall in no case be bound to secure the same. The Trustee is under no duty to perform an independent investigation as to any statement or fact contained in any such certificate, opinion or advice it obtains regarding the accuracy or truth of any statement or correctness of any opinion. The Trustee shall not be liable for any action or inaction taken in good faith in reliance on such a certificate or any advice received from counsel, and the Trustee may conclusively rely as to the truth of the statements and the correctness of the opinions or statements expressed therein.

(g) The permissive right of the Trustee to do things enumerated in this Indenture shall not be construed as a duty, and the Trustee shall not be answerable for other than its negligence or willful misconduct. In no event shall the Trustee be liable for consequential damages. The Trustee shall not be liable for any act or omission, in the absence of bad faith, when the Trustee reasonably believes the act or failure to act is authorized and within its powers to perform under the Indenture.

(h) The Trustee shall not be required to take notice or be deemed to have notice of any default hereunder except failure by the City to cause to be made any of the payments to the Trustee required to pay the principal of and the interest on the Bonds as the same become due and payable, unless the Trustee is specifically notified in writing of such default by the City or by the Owners of at least 25% in aggregate principal amount of all Bonds then Outstanding.

(i) At any and all reasonable times and subject to the Company's reasonable and standard security procedures, the Trustee and its duly authorized agents, attorneys, experts, engineers, accountants and representatives may, but shall not be required to, inspect any and all of the Project, and all books, papers and records of the City pertaining to the Project and the Bonds, and to take such memoranda from and in regard thereto as may be desired. The Trustee shall treat all proprietary information of the Company as confidential.

(j) The Trustee shall not be required to give any bond or surety in respect to the execution of its trusts and powers hereunder or otherwise in respect of the Project.

(k) The Trustee may, but shall not be required to, demand, in respect of the authentication of any Bonds, the withdrawal of any cash, the release of any property, or any action whatsoever within the purview of this Indenture, any showings, certificates, opinions, appraisals or other information, or corporate action or evidence thereof, in addition to that by the terms hereof required, as a condition of such action by the Trustee deemed desirable for the purpose of establishing the right of the City to the authentication of any Bonds, the withdrawal of any cash, or the taking of any other action by the Trustee.

(l) Notwithstanding anything in the Indenture or the Lease to the contrary, before taking any action under this Indenture other than the payments from moneys on deposit in the Project Fund or the Bond Fund, as provided herein, the Trustee may require that satisfactory indemnity be furnished to it for the reimbursement of all costs and expenses to which it may be

put and to protect it against all liability which it may incur in or by reason of such action, except liability which is adjudicated to have resulted from its negligence or willful misconduct by reason of any action so taken.

(m) Notwithstanding any other provision of this Indenture to the contrary, any provision relating to the conduct of, intended to provide authority to act, right to payment of fees and expenses, protection, immunity and indemnification to the Trustee, shall be interpreted to include any action of the Trustee, whether it is deemed to be in its capacity as Trustee, bond registrar or Paying Agent.

(n) The Trustee shall have no responsibility with respect to any information, statement or recital in any official statement, offering memorandum or any other disclosure material prepared or distributed with respect to the Bonds and shall have no responsibility for compliance with any state or federal securities laws in connection with the Bonds.

(o) None of the provisions of this Indenture shall require the Trustee to expend or risk its own funds or otherwise to incur any liability, financial or otherwise, in the performance of any of its duties hereunder, or in the exercise of any of its rights or powers if it shall have reasonable grounds for believing that repayment of such funds or indemnity satisfactory to it against such risk or liability is not assured to it.

**Section 1002. Fees, Charges and Expenses of the Trustee.** The Trustee shall be entitled to payment of and/or reimbursement for reasonable fees for its ordinary services rendered hereunder and all advances, agent and counsel fees and other ordinary expenses reasonably made or incurred by the Trustee in connection with such ordinary services. If it becomes necessary for the Trustee to perform extraordinary services, it shall be entitled to reasonable extra compensation therefor and to reimbursement for reasonable extraordinary expenses in connection therewith; provided that if such extraordinary services or extraordinary expenses are occasioned by the neglect or willful misconduct of the Trustee, it shall not be entitled to compensation or reimbursement therefor. The Trustee shall be entitled to payment and reimbursement for the reasonable fees and charges of the Trustee as Paying Agent for the Bonds. Pursuant to the provisions of **Section 5.2** of the Lease, the Company has agreed to pay to the Trustee all reasonable fees, charges and expenses of the Trustee under this Indenture. The Trustee agrees that the City shall have no liability for any reasonable fees, charges and expenses of the Trustee, and the Trustee agrees to look only to the Company for the payment of all reasonable fees, charges and expenses of the Trustee and any Paying Agent as provided in the Lease. Upon the occurrence of an Event of Default and during its continuance, the Trustee shall have a lien with right of payment before payment on account of principal of or interest on any Bond, upon all moneys in its possession under any provisions hereof for the foregoing reasonable advances, fees, costs and expenses incurred. The Trustee's right to compensation and indemnification relating to period during which it serves as Trustee hereunder shall survive the satisfaction and discharge of this Indenture or its resignation or removal hereunder and payment in full of the Bonds.

**Section 1003. Notice to Owners if Default Occurs.** If a default occurs of which the Trustee is by **Section 1001(h)** hereof required to take notice or if notice of default is given as in said subsection (h) provided, then the Trustee shall give written notice thereof to the last known Owners of all Bonds then Outstanding as shown by the bond registration books required by **Section 206** hereof to be kept at the corporate trust office of the Trustee.

**Section 1004. Intervention by the Trustee.** In any judicial proceeding to which the City is a party and which, in the opinion of the Trustee and its counsel, has a substantial bearing on the interests of

Owners, the Trustee may intervene on behalf of Owners and, subject to the provisions of **Section 1001(l)** hereof, shall do so if requested in writing by the Owners of at least 25% of the aggregate principal amount of Bonds then Outstanding.

**Section 1005. Successor Trustee Upon Merger, Consolidation or Sale.** With the prior written consent of the Company, any corporation or association into which the Trustee may be merged or converted or with or into which it may be consolidated, or to which it may sell or transfer its corporate trust business and assets as a whole or substantially as a whole, or any corporation or association resulting from any merger, conversion, sale, consolidation or transfer to which it is a party, shall be and become successor Trustee hereunder and shall be vested with all the trusts, powers, rights, obligations, duties, remedies, immunities and privileges hereunder as was its predecessor, without the execution or filing of any instrument or any further act on the part of any of the parties hereto.

**Section 1006. Resignation of Trustee.** The Trustee and any successor Trustee may at any time resign from the trusts hereby created by giving 30 days' written notice to the City, the Company and the Owners, and such resignation shall take effect at the end of such 30 days, or upon the earlier appointment of a successor Trustee by the Owners or by the City; provided, however, that in no event shall the resignation of the Trustee or any successor trustee become effective until such time as a successor trustee has been appointed and has accepted the appointment. If no successor has been appointed and accepted the appointment within 30 days after the giving of such notice of resignation, the Trustee may petition any court of competent jurisdiction for the appointment of a successor Trustee. The Trustee's rights to indemnity and to any fees, charges or other amounts due and payable to it shall survive such resignation.

**Section 1007. Removal of Trustee.** The Trustee may be removed at any time, with or without cause, by an instrument or concurrent instruments in writing (a) delivered to the Trustee, the City and the Company and signed by the Owners of a majority in aggregate principal amount of Bonds then Outstanding, or (b) so long as no Event of Default under this Indenture or the Lease shall have occurred and be continuing, delivered to the Trustee, the Company and the Owners and signed by the City. The Trustee's rights to indemnity and to any fees, charges or other amounts due and payable to it shall survive such removal.

**Section 1008. Appointment of Successor Trustee.** If the Trustee hereunder resigns or is removed, or otherwise becomes incapable of acting hereunder, or if it is taken under the control of any public officer or officers or of a receiver appointed by a court, a successor Trustee (a) reasonably acceptable to the City may be appointed by the Company (so long as no Event of Default has occurred and is continuing), or (b) reasonably acceptable to the City and the Company may be appointed by the Owners of a majority in aggregate principal amount of Bonds then Outstanding, by an instrument or concurrent instruments in writing; provided, nevertheless, that in case of such vacancy, the City, by an instrument executed and signed by its Mayor or City Manager and attested by its City Clerk under its seal, may appoint a temporary Trustee to fill such vacancy until a successor Trustee shall be appointed in the manner above provided. Any such temporary Trustee so appointed by the City shall immediately and without further acts be superseded by the successor Trustee so appointed as provided above. Every such Trustee appointed pursuant to the provisions of this Section shall be a trust company or bank in good standing and qualified to accept such trust with a corporate trust office in the State, and having, or whose obligations are guaranteed by a financial institution having, a reported capital, surplus and undivided profits of not less than \$50,000,000. If no successor Trustee has been so appointed and accepted appointment in the manner herein provided, the Trustee or any Owner may petition any court of competent jurisdiction for the appointment of a successor Trustee, until a successor shall have been appointed as above provided.

**Section 1009. Vesting of Trusts in Successor Trustee.** Every successor Trustee appointed hereunder shall execute, acknowledge and deliver to its predecessor and also to the City and the Company an instrument in writing accepting such appointment hereunder, and thereupon such successor shall, without any further act, deed or conveyance, become fully vested with all the trusts, powers, rights, obligations, duties, remedies, immunities and privileges of its predecessor and the duties and obligations of such predecessor hereunder shall thereafter cease and terminate; but such predecessor shall, nevertheless, on the written request of the City, execute and deliver an instrument transferring to such successor Trustee all the trusts, powers, rights, obligations, duties, remedies, immunities and privileges of such predecessor hereunder; every predecessor Trustee shall deliver all securities and moneys held by it as Trustee hereunder to its successor. Should any instrument in writing from the City be required by any predecessor or successor Trustee for more fully and certainly vesting in such successor the trusts, powers, rights, obligations, duties, remedies, immunities and privileges hereby vested in the predecessor, any and all such instruments in writing shall, on request, be executed, acknowledged and delivered by the City.

**Section 1010. Right of Trustee to Pay Taxes and Other Charges.** If any tax, assessment or governmental or other charge upon, or insurance premium with respect to, any part of the Project is not paid as required herein or in the Lease, the Trustee may pay such tax, assessment or governmental charge or insurance premium, without prejudice, however, to any rights of the Trustee or the Owners hereunder arising in consequence of such failure; any amount at any time so paid under this Section, with interest thereon from the date of payment at the rate of 10% per annum, shall become an additional obligation secured by this Indenture, and the same shall be given a preference in payment over any payment of principal of or interest on the Bonds, and shall be paid out of the proceeds of rents, revenues and receipts collected from the Project, if not otherwise caused to be paid; but the Trustee shall be under no obligation to make any such payment unless it shall have been requested to do so by the Owners of at least 25% of the aggregate principal amount of Bonds then Outstanding and shall have been provided adequate funds for the purpose of such payment.

**Section 1011. Trust Estate May be Vested in Co-Trustee.**

(a) It is the purpose of this Indenture that there shall be no violation of any law of any jurisdiction (including particularly the State) denying or restricting the right of banking corporations or associations to transact business as trustee in such jurisdiction. It is recognized that in case of litigation under this Indenture or the Lease, and in particular in case of the enforcement of either this Indenture or the Lease upon the occurrence of an Event of Default or if the Trustee deems that by reason of any present or future law of any jurisdiction it cannot exercise any of the powers, rights or remedies herein granted to the Trustee, or take any other action which may be desirable or necessary in connection therewith, it may be necessary or desirable that the Trustee appoint an additional individual or institution as a co-trustee or separate trustee, and the Trustee is hereby authorized to appoint such co-trustee or separate trustee.

(b) If the Trustee appoints an additional individual or institution as a co-trustee or separate trustee (which appointment shall be subject to the approval of the Company), each and every remedy, power, right, claim, demand, cause of action, immunity, title, interest and lien expressed or intended by this Indenture to be exercised by the Trustee with respect thereto shall be exercisable by such co-trustee or separate trustee but only to the extent necessary to enable such co-trustee or separate trustee to exercise such powers, rights and remedies, and every covenant and obligation necessary to the exercise thereof by such co-trustee or separate trustee shall run to and be enforceable by either of them.

(c) Should any deed, conveyance or instrument in writing from the City be required by the co-trustee or separate trustee so appointed by the Trustee for more fully and certainly vesting in and confirming to such co-trustee such properties, rights, powers, trusts, duties and obligations, any and all such deeds, conveyances and instruments in writing shall, on request, be executed, acknowledged and delivered by the City.

(d) If any co-trustee or separate trustee shall die, become incapable of acting, resign or be removed, all the properties, rights, powers, trusts, duties and obligations of such co-trustee or separate trustee, so far as permitted by law, shall vest in and be exercised by the Trustee until the appointment of a successor to such co-trustee or separate trustee.

**Section 1012. **Section 1101. Supplemental Indentures Not Requiring Consent of Owners.** The City and the Trustee may from time to time, without the consent of or notice to any of the Owners, enter into such Supplemental Indenture or Supplemental Indentures as shall not be inconsistent with the terms and provisions hereof, for any one or more of the following purposes:

(a) To cure any ambiguity or formal defect or omission in this Indenture, or to make any other change which, in the judgment of the Trustee, is not to the material prejudice of the Trustee or the Owners (provided the Trustee is entitled to receive and may conclusively rely upon an opinion of counsel in exercising such judgment);

**Section 1102. Supplemental Indentures Requiring Consent of Owners.**

(b) If at the time the City requests the Trustee to enter into any such Supplemental Indenture for any of the purposes of this Section, the Trustee shall cause notice of the proposed execution of such Supplemental Indenture to be mailed to each Owner as shown on the bond registration books required by **Section 206** hereof. Such notice shall briefly set forth the nature of the proposed Supplemental Indenture and shall state that copies thereof are on file at the corporate trust office of the Trustee for inspection by all Owners. If within 60 days or such longer period as may be prescribed by the City following the mailing of such notice, the Owners of not less than a majority in aggregate principal amount of the Bonds Outstanding at the time of the execution of any such Supplemental Indenture shall have consented to and approved the execution thereof as herein provided, no Owner shall have any right to object to any of the terms and provisions contained therein, or the operation thereof, or in any manner to question the propriety of the execution thereof, or to enjoin or restrain the Trustee or the City from executing the same or from taking any action pursuant to the provisions thereof.

**Section 1103. Company's Consent to Supplemental Indentures.** Anything herein to the contrary notwithstanding, a Supplemental Indenture under this Article shall not become effective unless and until the Company shall have consented in writing to the execution and delivery of such Supplemental Indenture. The Trustee shall cause notice of the proposed execution and delivery of any Supplemental Indenture (regardless of whether it affects the Company's rights) together with a copy of the proposed Supplemental Indenture to be mailed to the Company and any Financing Party at least 15 days before the proposed date of execution and delivery of the Supplemental Indenture.

**Section 1104. Opinion of Counsel.** In executing, or accepting the additional trusts created by, any Supplemental Indenture permitted by this Article or the modification thereby of the trusts created by this Indenture, the Trustee and the City shall receive, and, shall be fully protected in relying upon, an opinion of counsel addressed and delivered to the Trustee and the City stating that the execution of such Supplemental Indenture is permitted by and in compliance with this Indenture and will, upon the execution and delivery thereof, be a valid and binding obligation of the City. The Trustee may, but shall not be obligated to, enter into any such Supplemental Indenture which affects the Trustee's rights, duties or immunities under this Indenture or otherwise.

## ARTICLE XII

**Section 1202. Supplemental Leases Requiring Consent of Owners.** Except for Supplemental Leases as provided for in **Section 1201** hereof, neither the City nor the Trustee shall consent to the execution of any Supplemental Lease or Supplemental Leases by the City or the Company without the mailing of notice and the obtaining of the written approval or consent of the Owners of not less than a majority in aggregate principal amount of the Bonds at the time Outstanding given and obtained as provided in **Section 1102** hereof. If at any time the City and the Company shall request the consent of the Trustee to any such proposed Supplemental Lease, the Trustee shall cause notice of such proposed Supplemental Lease to be mailed in the same manner as provided in **Section 1102** hereof with respect to Supplemental Indentures. ### SATISFACTION AND DISCHARGE OF INDENTURE

#### **Section 1301. Satisfaction and Discharge of this Indenture.**

(a) When the principal of and interest on all the Bonds have been paid in accordance with their terms or provision has been made for such payment, as provided in **Section 1302** hereof, and provision also made for paying all other sums payable hereunder and under the Lease and the Performance Agreement, including the reasonable fees and expenses of the Trustee, the City and Paying Agent to the date of retirement of the Bonds, then the right, title and interest of the Trustee in respect

hereof shall thereupon cease, determine and be void. Thereupon, the Trustee shall cancel, discharge and release this Indenture and shall upon the written request of the City or the Company execute, acknowledge and deliver to the City such instruments of satisfaction and discharge or release as shall be required to evidence such release and the satisfaction and discharge of this Indenture, and shall assign and deliver to the City (subject to the City's obligations under **Section 11.2** of the Lease) any property at the time subject to this Indenture which may then be in its possession, except amounts in the Bond Fund required to be paid to the Company under **Section 602** hereof and except funds or securities in which such funds are invested held by the Trustee for the payment of the principal of and interest on the Bonds.

(b) The City is hereby authorized to accept a certificate by the Trustee that the whole amount of the principal and interest, if any, so due and payable upon all of the Bonds then Outstanding has been paid or such payment provided for in accordance with **Section 1302** hereof as evidence of satisfaction of this Indenture, and upon receipt thereof shall cancel and erase the inscription of this Indenture from its records.

#### **Section 1302. Bonds Deemed to be Paid.**

(a) Bonds shall be deemed to be paid within the meaning of this Article when payment of the principal of and interest thereon to the due date thereof (whether such due date be by reason of maturity or upon redemption as provided in this Indenture, or otherwise), either (1) have been made or caused to be made in accordance with the terms thereof, or (2) have been provided for by depositing with the Trustee or other commercial bank or trust company having full trust powers and authorized to accept trusts in the State in trust and irrevocably set aside exclusively for such payment (i) moneys sufficient to make such payment or (ii) Government Securities maturing as to principal and interest in such amount and at such times as will insure the availability of sufficient moneys to make such payment, or (3) have been provided for by surrendering the Bonds to the Trustee for cancellation. At such time as Bonds are deemed to be paid hereunder, as aforesaid, they shall no longer be secured by or entitled to the benefits of this Indenture, except for the purposes of such payment from such moneys or Government Securities.

(b) Notwithstanding the foregoing, in the case of Bonds which by their terms may be redeemed before the stated maturities thereof, no deposit under clause (2) of the immediately preceding paragraph shall be deemed a payment of such Bonds as aforesaid until, as to all such Bonds which are to be redeemed before their respective stated maturities, proper notice of such redemption shall have been given in accordance with **Article III** hereof or irrevocable instructions shall have been given to the Trustee to give such notice.

(c) Notwithstanding any provision of any other section of this Indenture which may be contrary to the provisions of this Section, all moneys or Government Securities set aside and held in trust pursuant to the provisions of this Section for the payment of Bonds shall be applied to and used solely for the payment of the particular Bonds, with respect to which such moneys and Government Securities have been so set aside in trust.

### **ARTICLE XIV**

#### **MISCELLANEOUS PROVISIONS**

(a) Any consent, request, direction, approval, objection or other instrument required by this Indenture to be signed and executed by the Owners may be in any number of concurrent writings of

Proof of the execution of any such instrument or of the writing appointing any such agent and of the ownership of Bonds (other than the assignment of ownership of a Bond) if made in the following manner, shall be sufficient for any of the purposes of this Indenture, and shall be conclusive in favor of the Trustee with regard to any action taken, suffered or omitted under any such instrument, namely:

(i) The fact and date of the execution by any Person of any such instrument may be proved by the certificate of any officer in any jurisdiction who by law has power to take acknowledgments within such jurisdiction that the Person signing such instrument acknowledged before him the execution thereof, or by affidavit of any witness to such execution.

(ii) The fact of ownership of Bonds and the amount or amounts, numbers and other identification of such Bonds, and the date of holding the same shall be proved by the registration books of the City maintained by the Trustee pursuant to **Section 206** hereof.

(b) In determining whether the Owners of the requisite principal amount of Bonds Outstanding have given any request, demand, authorization, direction, notice, consent or waiver under this Indenture, Bonds owned by the Company shall be disregarded and deemed not to be Outstanding under this Indenture, except that, in determining whether the Trustee shall be protected in relying upon any such request, demand, authorization, direction, notice, consent or waiver, only Bonds which the Trustee knows to be so owned shall be so disregarded; provided, the foregoing provisions shall not be applicable if the Company is the only Owner of the Bonds. Notwithstanding the foregoing, Bonds so owned which have been pledged in good faith shall not be disregarded as aforesaid if the pledgee establishes to the satisfaction of the Trustee the pledgee's right so to act with respect to such Bonds and the pledgee is not the Company or any affiliate thereof.

**Section 1402. Limitation of Rights Under this Indenture.** With the exception of rights herein expressly conferred, nothing expressed or mentioned in or to be implied from this Indenture or the Bonds is intended or shall be construed to give any Person other than the parties hereto, and the Owners, if any, any right, remedy or claim under or in respect to this Indenture, this Indenture and all of the covenants, conditions and provisions hereof being intended to be and being for the sole and exclusive benefit of the parties hereto and the Owners, as herein provided.

**Section 1404. Severability.** If any provision of this Indenture shall be held or deemed to be invalid, inoperative or unenforceable as applied in any particular case in any jurisdiction or jurisdictions or in all jurisdictions, or in all cases because it conflicts with any other provision or provisions hereof or any constitution or statute or rule of public policy, or for any other reason, such circumstances shall not have the effect of rendering the provision in question inoperative or unenforceable in any other case or circumstance, or of rendering any other provision or provisions herein contained invalid, inoperative or unenforceable to any extent whatever.

If the Company elects to give the instructions by electronic notice, the Trustee may deem such instructions controlling. The Trustee shall not be liable for any losses, costs or expenses arising directly or indirectly from the Trustee's reliance upon and compliance with such instructions notwithstanding such instructions conflict or are inconsistent with a subsequent written instruction. Pursuant to the Lease, the Company agrees to assume all risks arising out of the use of such electronic notice to submit

**THIS BOND** is one of a duly authorized series of Bonds of the City designated “City of Lee’s Summit, Missouri, Taxable Industrial Development Revenue Bonds (Mid-States Project), Series 2026,” in the maximum aggregate principal amount of \$79,650,000 (the “Bonds”), to be issued for the purpose of acquiring, constructing, improving and equipping the Project. Re: \$79,650,000 Maximum Principal Amount of Taxable Industrial Development Revenue Bonds (Mid-States Project), Series 2026 of the City of Lee's Summit, Missouri

Ladies and Gentlemen:

In connection with the purchase of the above-referenced Bonds (the "Bonds"), the undersigned purchaser of the Bonds (the "Purchaser") hereby represents, warrants and agrees as follows:

**1.** The Purchaser fully understands that (a) the Bonds have been issued under and pursuant to a Trust Indenture dated as of February 1, 2026 (the "Indenture"), between the City of Lee's Summit, Missouri (the "City") and BOKF, N.A., as trustee (the "Trustee"), and (b) the Bonds are payable solely out of certain rents, revenues and receipts to be derived from the leasing or sale of the Project (as defined in the Indenture) to Summit DC Real Estate Holdings, LLC, a Delaware limited liability company (the "Company"), under a Lease Agreement dated as of February 1, 2026 (the "Lease"), between the City and the Company, with certain of such rents, revenues and receipts being pledged and assigned by the City to the Trustee under the Indenture to secure the payment of the principal of and interest on the Bonds.

**2.** The Purchaser understands that the Bonds have not been registered under the Securities Act of 1933, as amended (the "1933 Act"), or the securities laws of any state and will be sold to the Purchaser in reliance upon certain exemptions from registration and in reliance upon the representations and warranties of the Purchaser set forth herein.

**3.** The Purchaser understands that the Bonds are transferable only in the manner provided for in the Indenture and discussed below and warrants that it is acquiring the Bonds for its own account with the intent of holding the Bonds as an investment, and the acquisition of the Bonds is not made with a view toward their distribution or for the purpose of offering, selling or otherwise participating in a distribution of the Bonds.

**4.** The Purchaser agrees not to attempt to offer, sell, hypothecate or otherwise distribute the Bonds to others unless authorized by the terms of the Indenture.

**5.** The Company has (a) furnished to the Purchaser such information about itself as the Purchaser deems necessary in order for it to make an informed investment decision with respect to the purchase of the Bonds, (b) made available to the Purchaser, during the course of this transaction, ample

opportunity to ask questions of, and to receive answers from, appropriate officers of the City and the terms and conditions of the offering of the Bonds, and (c) provided to the undersigned all additional information which it has requested.

**6.** The Purchaser acknowledges that no offering document has been prepared in connection with the sale of the Bonds. The Purchaser further acknowledges that it has timely received in satisfactory form and manner all proceedings, certificates, opinions, letters and other documents required to be submitted to the Purchaser pursuant to the Bond Purchase Agreement prior to or on the date of the delivery of and payment for the Bonds, and that the City and the Company have in all respects complied with and satisfied all of their respective obligations to the Purchaser which are required under the Bond Purchase Agreement to be complied with and satisfied on or before such date.

**7.** The Purchaser is now, and was when it agreed to purchase the Bonds, familiar with the operations of the Company and fully aware of terms and risks of the Bonds and that the Purchaser is relying on its own knowledge and investigation of facts and circumstances relating to the purchase of the Bonds. The Purchaser believes that the Bonds being acquired are a security of the type that the Purchaser wishes to purchase and hold for investment and that the nature and amount thereof are consistent with its investment program.

**8.** The Purchaser is fully aware of and satisfied with (i) the current status of the title to the Project and any issues related thereto and (ii) the terms, amounts and providers of the insurance maintained pursuant to **Article VII** of the Lease, and the undersigned is purchasing the Bonds with full knowledge of such matters.

## **ARTICLE IV**

### **CONSTRUCTION, IMPROVEMENT AND INSTALLATION OF THE PROJECT**

**Section 4.1. Issuance of the Bonds.** To provide funds for the payment of Project Costs, the City agrees that, upon request of the Company, it will issue, sell and cause to be delivered the Bonds to the purchaser thereof in accordance with the provisions of the Indenture and the Bond Purchase Agreement. The proceeds of the sale of the Bonds, when received, shall be paid over to the Trustee for the account of the City. The Trustee shall promptly deposit such proceeds, when received, as provided in

the Indenture, to be used and applied as hereinafter provided in this Lease and in the Indenture. Alternatively, the Trustee may, (pursuant to **Section 208** of the Indenture) endorse the Bonds in an amount equal to the requisition certificates submitted pursuant to **Section 4.4** below. In that event, the purchaser of the Bonds shall be deemed to have deposited funds with the Trustee in an amount equal to the amount stated in the requisition certificate.

**Section 4.2. Acquisition, Construction, Improvement and Installation of the Project.** The City and the Company agree that the Company, as the agent of the City, shall acquire, construct, improve and install the Project Improvements and the Project Equipment as follows:

(a) The City has acquired the Project Site and the Existing Facility prior to the execution hereof. Concurrently with the execution of this Lease, (i) a deed and any other necessary instruments of transfer will be delivered to the City and placed of record, and (ii) the commitment for title insurance or ownership and encumbrance report required by **Article VII** hereof will be delivered to the City and the Trustee;

(b) On behalf of the City, the Company will construct and improve the Project Improvements on the Project Site and otherwise improve the Project Site in accordance with the Plans and Specifications. The Company may revise the Plans and Specifications from time to time as it deems necessary to carry out the Project, but revisions that would alter the intended purpose of the Project may be made only with the prior written approval of the City. The Company agrees that the aforesaid construction and improvement will, with such changes and additions as may be made hereunder, result in facilities suitable for use by the Company for its purposes, and that all real and personal property described in the Plans and Specifications, with such changes and additions as may be made hereunder, is desirable and appropriate in connection with the Project. The provisions of this paragraph are in addition to and do not supersede the provisions of **Section 8.2**;

(c) The Company will purchase and install the Project Equipment at the Project Site, including at the Existing Facility. The Company shall transfer title to the Project Equipment to the City from time to time by bills of sale or other instruments of transfer. On or before March 1 of each year or such other date required by law for reporting personal property declarations, the Company shall furnish to the City, Jackson County and the Trustee a list of items (based on the Company's internal record keeping) comprising the Project Equipment as of January 1 of such year, setting out the date such property was acquired with Bond proceeds, the date on which the Project Equipment Abatement Period for each item of such property ends in accordance with **Exhibit E** to the Indenture and any additional information required by **Section 3.2** of the Performance Agreement. No property shall be included on such list of Project Equipment unless such property is within the Project Equipment Abatement Period for such property. If the Company makes additions to, or replacements of, the Project Equipment for the purpose of repairing damage (but not normal wear and tear), such additions and/or replacements shall become part of the Project Equipment and shall be entitled to the tax exemption afforded by virtue of the City's ownership of the Project Equipment for the remainder of the Project Equipment Abatement Period applicable to the damaged Project Equipment (such addition or replacement may be placed in service on or after the Completion Date). The improper inclusion or exclusion of any Project Equipment pursuant to such list may be rectified by the Company within 30 days after notice of such improper inclusion or exclusion. The improper inclusion or exclusion of an item on or from such list shall not affect the items comprising the Project Equipment for the purpose of this Lease or title thereto as intended by the parties hereto. The Company shall provide such information to the City, Jackson County and the Trustee as may be

requested in order to ensure that such list corresponds to the list of Project Equipment maintained by the Trustee pursuant to **Section 10.8**. Each bill of sale or other instrument of transfer and each personal property declaration form shall be of sufficient specificity so as to enable Jackson County's officials (including representatives of the Assessor's office) to determine which personal property as reported on the annual personal property declaration constitutes Project Equipment (and therefore is owned by the City) and which personal property does not constitute Project Equipment (and therefore is owned by the Company). The City and the Company agree that property that, (1) pursuant to **Section 4.8**, is purchased by the Company with its own funds and not Bond proceeds, or (2) is outside of its Project Equipment Abatement Period, shall not constitute part of the Project Equipment and shall be the property of the Company and therefore subject to taxation.

(d) The Company agrees that it will use reasonable efforts to cause the acquisition, construction, improvement and installation of the Project to be completed as soon as practicable with all reasonable dispatch. In the event such acquisition, construction, improvement and installation commences prior to the receipt of proceeds from the sale of the Bonds, the Company agrees to advance all funds necessary for such purpose.

**Section 4.3. Project Costs.** The City hereby agrees to pay for, but solely from the Project Fund, and hereby authorizes and directs the Trustee to pay for, but solely from the Project Fund, all Project Costs upon receipt by the Trustee of a certificate pursuant to **Section 4.4** hereof. The Company may not submit any requisition certificates for Project Costs incurred after the Completion Date. The Company must submit all requisitions for Project Costs incurred before the Completion Date within three months after the Completion Date.

**Section 4.4. Payment for Project Costs.** The City hereby authorizes and directs the Trustee to make disbursements from the Project Fund, upon receipt by the Trustee of certificates in substantially the form attached hereto as **Exhibit C**, signed by an Authorized Company Representative, which disbursements may be recorded via a transaction entry on the trust records held by the Trustee. The Trustee may rely conclusively on any such certificate and shall not be required to make any independent inspection or investigation in connection therewith. The approval of any requisition certificate by the Authorized Company Representative shall constitute unto the Trustee an irrevocable determination that all conditions precedent to the payments requested have been completed. The Trustee shall retain copies of all requisition certificates for the same period of record retention described in **Section 703** of the Indenture.

**Section 4.5. Establishment of Completion Date.** The Completion Date shall be evidenced to the Trustee by a certificate signed by the Authorized Company Representative stating (a) the acquisition, construction, improvement and installation of the Project has been completed in accordance with the Plans and Specifications, (b) that all costs and expenses incurred in the acquisition, construction, improvement and installation of the Project have been paid except costs and expenses the payment of which is not yet due or is being retained or contested in good faith by the Company, and (c) amounts to be retained by Trustee with respect to item (b) above. Notwithstanding the foregoing, such certificate shall state that it is given without prejudice to any rights against third parties which exist at the date of such certificate or which may subsequently come into being.

**Section 4.6. Surplus or Deficiency in Project Fund.**

(a) Upon receipt of the certificate described in **Section 4.5** hereof, the Trustee shall, as provided in **Section 504** of the Indenture, transfer any remaining moneys then in the Project Fund to the

Bond Fund to be applied as directed by the Company solely to (1) the payment of principal and premium, if any, of the Bonds through the payment (including regularly scheduled principal payments, if any) or redemption thereof at the earliest date permissible under the terms of the Indenture, or (2) at the option of the Company, to the purchase of Bonds at such earlier date or dates as the Company may elect. Any amount so deposited in the Bond Fund may be invested as permitted by **Section 702** of the Indenture.

(b) If the Project Fund shall be insufficient to pay fully all Project Costs and to complete the Project free of liens and encumbrances other than Permitted Encumbrances, the Company shall pay, in cash, the full amount of any such deficiency by making payments thereof directly to the contractors and to the suppliers of materials and services as the same shall become due (subject to the rights of the Company to contest any claims or liens of any such contractors or material used in accordance with applicable laws) and the Company shall save the City and the Trustee whole and harmless from any obligation to pay such deficiency.

**Section 4.7. Project Property of City.** The Project Site, the Existing Facility, the Project Improvements and the Project Equipment, which the Company desires to convey to the City, including all work and materials on the Project as such work progresses, and all additions or enlargements thereto or thereof, the Project as fully completed, anything under this Lease which becomes, is deemed to be, or constitutes a part of the Project, and the Project as repaired, rebuilt, rearranged, restored or replaced by the Company under the provisions of this Lease, except as otherwise specifically provided herein, shall immediately when erected or installed become the absolute property of the City, subject only to this Lease, the Indenture, Permitted Encumbrances, the Financing Documents and the Leasehold Security Agreement, if any.

**Section 4.8. Non-Project Improvements, Machinery and Equipment Property of the Company.** Any improvements or items of machinery or equipment which do not constitute part of the Project and the entire purchase price of which is paid for by the Company with the Company's own funds, and no part of the purchase price of which is paid for from funds deposited pursuant to the terms of this Lease in the Project Fund, shall be the property of the Company and shall not constitute a part of the Project for purposes of **Section 6.4** hereof and therefore are subject to taxation, to the extent otherwise provided by law. When any item of Project Equipment reaches the end of its Project Equipment Abatement Period, such property shall immediately cease to be part of the Project Equipment and shall become the absolute property of the Company, free and clear of this Lease and the Indenture.

**Section 4.9. Environmental Matters.** The Company acknowledges that it is responsible for maintaining the Project in compliance with all Environmental Laws. In the event that the Company fails to undertake to comply with any final, non-appealable order issued by any local, state or federal authority under applicable Environmental Law, the City or the Trustee, immediately after notice to the Company, may elect (but shall not be required) to undertake such compliance. Any moneys expended by the City or the Trustee in efforts to comply with any applicable Environmental Law (including the reasonable cost of hiring consultants, undertaking sampling and testing, performing any cleanup necessary or useful in the compliance process and reasonable attorneys' fees) shall be due and payable as Additional Rent hereunder with interest thereon at the average rate of interest per annum on the Bonds, plus two (2) percentage points, from the date such cost is incurred. There shall be unlimited recourse to the Company to the extent of any liability incurred by the City or the Trustee with respect to any breaches of the provisions of this section.

The Company shall and does hereby indemnify the City, the Trustee and the Bondowners and agree to defend and hold them harmless from and against all loss, cost, damage and expense (including, without limitation, reasonable attorneys' fees and costs associated incurred in the investigation, defense

and settlement of claims) that they may incur, directly or indirectly, as a result of or in connection with the assertion against them or any of them of any claim relating to the presence on, escape or removal from the Project during the term of this Lease of any hazardous substance or other material regulated by any applicable Environmental Law, or compliance with any applicable Environmental Law, whether such claim is raised before, during or after the term of this Lease, including claims relating to personal injury or damage to property; provided, however, this indemnity shall only relate to claims resulting from the City's ownership of the Project or the Trustee's acceptance of its duties as Trustee hereunder.

## ARTICLE V

### RENT PROVISIONS

**Section 5.1. Basic Rent.** The Company covenants and agrees to pay to the Trustee in same day funds for the account of the City during this Lease Term, on or before 11:00 a.m., Trustee's local time, on or before each December 1 (each a "Payment Date"), commencing December 1, 2026 and continuing until the principal of and interest on the Bonds shall have been fully paid, as "Basic Rent" for the Project, an amount which, when added to any collected funds then on deposit in the Bond Fund and available for the payment of principal of the Bonds and the interest thereon on such Payment Date, shall be equal to the amount payable on such Payment Date as interest on the Bonds (except as offset pursuant to the right of the Company described herein). On **December 1, 2038** (or such earlier date as the Company may elect or be required to redeem the Bonds), the Company shall also pay an amount equal to all principal then due on the Bonds in connection with such maturity or redemption (subject to the right of the Company to surrender the Bonds in lieu of such payment). All payments of Basic Rent provided for in this Section shall be paid directly to the Trustee and shall be deposited in accordance with the provisions of the Indenture into the Bond Fund and shall be used and applied by the Trustee in the manner and for the purposes set forth in this Lease and the Indenture, provided that if the Company is the Owner of all the Bonds Outstanding, payment of Basic Rent as provided for in this Section may be made via a transaction entry on the trust records held by the Trustee and the Paying Agent consistent with **Section 204** and **Section 208** of the Indenture. Any Basic Rent paid by the Company which exceeds the total amount payable on such payment dates shall be immediately paid to the Company by wire transfer. At its option, on the final Payment Date, the Company may deliver to the Trustee for cancellation Bonds not previously paid and the Company shall receive a credit against the Basic Rent payable by the Company in an amount equal to the principal amount of the Bonds so tendered for cancellation plus accrued interest thereon. In furtherance of the foregoing, and notwithstanding any other provision in this Lease, the Indenture, the Bond Purchase Agreement or the Performance Agreement to the contrary, and provided that the Company is the sole holder of the Bonds, the Company may set-off the then-current Basic Rent payment against the City's obligation to the Company as Bondholder under the Indenture in lieu of delivery of the Basic Rent on any Payment Date, without providing notice of such set-off to the Trustee. The Trustee may conclusively rely on the absence of any notice from the Company to the contrary as evidence that such set-off has occurred.

**Section 5.2. Additional Rent.** The Company shall pay as Additional Rent, within 30 days after receiving an itemized invoice therefor, the following amounts:

(a) all fees, charges and expenses, including reasonable agent and counsel fees and expenses, of the City, the Trustee and the Paying Agent incurred under or arising from the Indenture, this Lease or the Performance Agreement, including but not limited to claims by contractors or subcontractors, as and when the same become due;

(b) all costs incident to the issuance of the Bonds (which are to be paid on the Closing Date) and the payment of the principal of and interest on the Bonds as the same become due and payable, including all costs and expenses in connection with the call, redemption and payment of all Outstanding Bonds;

(c) all fees, charges and expenses incurred in connection with the enforcement of any rights under this Lease, the Indenture or the Performance Agreement by the City, the Trustee or the Owners, including reasonable counsel fees and expenses; and

(d) all other payments of whatever nature which Company has agreed in writing to pay or assume under the provisions of this Lease, the Performance Agreement or the Indenture.

### **Section 5.3. Obligations of Company Absolute and Unconditional.**

(a) The obligations of the Company under this Lease to make payments of Basic Rent and Additional Rent on or before the date the same become due, and to perform all of its other obligations, covenants and agreements hereunder shall be absolute and unconditional, without notice or demand, and without abatement, deduction, set-off, counterclaim, recoupment or defense or any right of termination or cancellation arising from any circumstance whatsoever, whether now existing or hereafter arising, and irrespective of whether the Project has been started or completed, or whether the City's title thereto or to any part thereof is defective or nonexistent, and notwithstanding any damage to, loss, theft or destruction of, the Project or any part thereof, any failure of consideration or frustration of commercial purpose, the taking by eminent domain of title to or of the right of temporary use of all or any part of the Project, legal curtailment of the Company's use thereof, the eviction or constructive eviction of the Company, any change in the tax or other laws of the United States of America, the State of Missouri or any political subdivision thereof, any change in the City's legal organization or status, or any default of the City hereunder, and regardless of the invalidity of any action of the City; provided, however, that nothing in this **Section 5.3(a)** or **Section 5.3(b)** is intended or shall be deemed to affect or impair in anyway the rights of the Company to tender Bonds for redemption in satisfaction of Basic Rent as provided in **Section 5.1** and **Section 5.4** hereof, nor the right of the Company to terminate this Lease and repurchase the Project as provided in **Article XI** hereof, nor the right of the offset as provided in **Section 5.1** hereof.

(b) Nothing in this Lease shall be construed to release the City from the performance of any agreement on its part herein contained or as a waiver by the Company of any rights or claims the Company may have against the City under this Lease or otherwise, but any recovery upon such rights and claims shall be had from the City separately, it being the intent of this Lease that the Company shall be unconditionally and absolutely obligated to perform fully all of its obligations, agreements and covenants under this Lease (including the obligation to pay Basic Rent and Additional Rent) for the benefit of the Owners and the City. The Company may, however, at its own cost and expense and in its own name or in the name of the City, prosecute or defend any action or proceeding or take any other action involving third Persons which the Company deems reasonably necessary in order to secure or protect its right of possession, occupancy and use hereunder, and in such event the City hereby agrees to cooperate fully with the Company and to take all action necessary to effect the substitution of the Company for the City in any such action or proceeding if the Company shall so request.

**Section 5.4. Prepayment of Basic Rent.** The Company may at any time and from time to time prepay all or any part of the Basic Rent provided for hereunder (subject to the limitations of **Section 301(a)** of the Indenture relating to the partial redemption of the Bonds. During such times as the amount held by the Trustee in the Bond Fund shall be sufficient to pay, at the time required, the principal

of and interest on all the Bonds then remaining unpaid, the Company shall not be obligated to make payments of Basic Rent under the provisions of this Lease.

The Company, at its option, may deliver to the Trustee for cancellation Bonds owned by the Company and not previously paid, and the Company shall receive a credit against amounts payable by the Company for the redemption of Bonds in an amount equal to the principal amount of the Bonds so tendered for cancellation, plus accrued interest thereon.

## ARTICLE VI

### MAINTENANCE, TAXES AND UTILITIES

**Section 6.1. Maintenance and Repairs.** Throughout the Lease Term the Company shall, at its own expense, keep the Project in reasonably safe operating condition and keep the Project in reasonably good repair, reasonable wear, tear, depreciation and obsolescence excepted, making from time to time all repairs thereto and renewals and replacements thereof it determines to be necessary. Without limiting the generality of the foregoing, the Company shall at all times remain in compliance in all material respects with all provisions of the City's code relating to maintenance and appearance.

**Section 6.2. Taxes, Assessments and Other Governmental Charges.**

(a) Subject to subsection (b) of this Section, the Company shall promptly pay and discharge, as the same become due, all taxes and assessments, general and special, and other governmental charges of any kind whatsoever that may be lawfully taxed, charged, levied, assessed or imposed upon or against or be payable for or in respect of the Project, or any part thereof or interest therein (including the leasehold estate of the Company therein) or any buildings, improvements, machinery and equipment at any time installed thereon by the Company, or the income therefrom, including any new taxes and assessments not of the kind enumerated above to the extent that the same are lawfully made, levied or assessed in lieu of or in addition to taxes or assessments now customarily levied against real or personal property, and further including all utility charges, assessments and other general governmental charges and impositions whatsoever, foreseen or unforeseen, which if not paid when due would impair the security of the Bonds or encumber the City's title to the Project; provided that with respect to any special assessments or other governmental charges that are lawfully levied and assessed which may be paid in installments, the Company shall be obligated to pay only such installments thereof as become due and payable during the Lease Term.

(b) The Company may, in its own name or in the City's name, contest the validity or amount of any tax, assessment or other governmental charge which the Company is required to bear, pay and discharge pursuant to the terms of this Article by appropriate legal proceedings instituted before the tax, assessment or other governmental charge complained of becomes delinquent if and provided (1) the Company, before instituting any such contest, gives the City written notice of its intention to do so, (2) the Company diligently prosecutes any such contest, at all times effectively stays or prevents any official or judicial sale therefor, under execution or otherwise, and (3) the Company promptly pays any final judgment enforcing the tax, assessment or other governmental charge so contested and thereafter promptly procures record release or satisfaction thereof. The City agrees to cooperate fully with the Company in connection with any and all administrative or judicial proceedings related to any tax, assessment or other governmental charge and to take such actions as may be reasonably requested by the Company related to such proceedings. The Company shall save and hold harmless the City and the Trustee from any costs and expenses the City and the Trustee may incur related to any of the above.

(c) Nothing in this Lease shall be construed to require the Company to make duplicate tax payments. The Company shall receive a credit against the payments to be made by the Company under the Performance Agreement to the extent of any ad valorem taxes imposed and paid by the Company with respect to the Project paid pursuant to this Section.

**Section 6.3. Utilities.** All utilities and utility services used by the Company in, on or about the Project shall be paid for by the Company and shall be contracted for by the Company in the Company's own name (or the name(s) of its affiliates), and the Company shall, at its sole cost and expense, procure any and all permits, licenses or authorizations necessary in connection therewith.

**Section 6.4. Property Tax Exemption.** The City and the Company expect that while the Project is owned by the City and is subject to this Lease, the Project will be exempt from all ad valorem real and personal property taxes by reason of such ownership, and the City agrees that it will (at the expense of the Company) cooperate with the Company to defend such exemption against all parties. The City and the Company further acknowledge and agree that the City's obligations hereunder are contingent upon the Company making the payments due under and otherwise complying with the terms of the Performance Agreement during the term of this Lease. The terms and conditions of the Performance Agreement are incorporated herein as if fully set forth herein.

## ARTICLE VII

### INSURANCE

**Section 7.1. Title Commitment or Report.** Before conveying title to any real property to the City, the Company will obtain, from a title insurance company reasonably acceptable to the City, a commitment for title insurance or provide such other report in a form reasonably acceptable to the City showing the ownership of and encumbrances on the Project Site. Copies of such report shall be provided to the City and the Trustee.

#### Section 7.2. Property Insurance.

(a) The Company shall at its sole cost and expense obtain and shall maintain throughout the Lease Term a policy or policies of insurance to keep the Project (to the extent insurable) constantly insured against loss or damage by fire, lightning and all other risks covered by the extended coverage insurance endorsement then in use in the State of Missouri in an amount equal to the Full Insurable Value thereof (subject to reasonable loss deductible provisions); provided, however, that during the period of time while the Project Improvements are under construction, the Company may obtain and maintain a policy of builder's risk insurance with respect to the Project Improvements. The insurance required pursuant to this Section shall be maintained with a generally recognized responsible insurance company or companies authorized to do business in the State of Missouri or generally recognized international insurers or reinsurers as may be selected by the Company. All such policies of insurance pursuant to this Section, and all renewals thereof, shall name the City and the Company as additional insureds, as their respective interests may appear, shall name the Trustee as loss payee and shall contain a provision that such insurance may not be canceled by the issuer thereof without at least 10 days' advance written notice to the City, the Company and the Trustee, to the extent such a provision can be obtained and is available from the insurer.

(b) In the event of loss or damage to the Project resulting in Net Proceeds of property insurance carried pursuant to this Section in an amount equal to or greater than \$1,000,000, such Net Proceeds shall be (i) paid over to the Trustee and shall be applied as provided in **Article IX** of this Lease, or (ii) if otherwise directed by, or on behalf of, the Owners of 100% in principal amount of the Bonds Outstanding, as so directed. Insurance monies in an amount less than \$1,000,000 may be paid to or retained by the Company to be held in trust and used as provided in **Section 9.1(a)** hereof.

### **Section 7.3. Commercial General Liability Insurance.**

(a) The Company shall at its sole cost and expense maintain or cause to be maintained at all times during the Lease Term general accident and commercial general liability insurance (including but not limited to coverage for operations, contingent liability, operations of subcontractors, completed operations and contractual liability), under which the City, the Company and the Trustee shall be named as additional insureds, properly protecting and indemnifying the City and the Trustee, in an amount not less than the limits of liability set by Section 537.610 of the Revised Statutes of Missouri, as amended (subject to reasonable loss deductible clauses not to exceed \$25,000). The policies of said insurance shall contain a provision that such insurance may not be canceled by the issuer thereof without at least 10 days' advance written notice to the City, the Company and the Trustee, to the extent such a provision can be obtained and is available from the insurer.

(b) In the event of a general liability occurrence, the Net Proceeds of liability insurance carried pursuant to this Section shall be applied toward the extinguishment or satisfaction of the liability with respect to which such proceeds have been paid.

**Section 7.4. Workers' Compensation.** The Company agrees throughout the Lease Term to maintain or cause to be maintained the Workers' Compensation coverage required by the laws of the State of Missouri.

**Section 7.5. Blanket Insurance Policies; Self-Insurance.** The Company may satisfy any of the insurance requirements set forth in this Article by using blanket policies of insurance, provided each and all of the requirements and specifications of this Article respecting insurance are complied with. The Company may satisfy any of the insurance requirements set forth in this Article using self-insurance or insurance through a subsidiary or affiliate; so long as (i) the insurance is underwritten by a subsidiary or other affiliate of the Company with a separate net worth of at least \$200,000,000, or (ii) the Company funds such self-insurance by appropriate reserves in the amounts recommended by independent actuarial reports obtained not less than every three (3) years for the term of this Lease. The Company shall provide to the City and the Trustee copies of financial statements or similar evidence of net worth of such affiliate on the date hereof and every three (3) years, or, in the case of actuarial reports, on the date of delivery of this Lease and, thereafter, not less than 30 days after receipt of such reports.

**Section 7.6. Certificate of Compliance.** The Company shall provide the City and the Trustee, on an annual basis, commencing on December 1, 2026 with a Certificate of Insurance Compliance in the form attached hereto as **Appendix II**. The Trustee shall be entitled to rely upon said Certificate of Insurance Compliance as to the Company's compliance with the insurance requirements. The Trustee makes no representation as to, and shall have no responsibility for the sufficiency or adequacy of, the insurance.

## ARTICLE VIII

### ALTERATION OF THE PROJECT

**Section 8.1. Additions, Modifications and Improvements at the Project Site.** The Company shall have and is hereby given the right, at its sole cost and expense, to make such additions, modifications and improvements in and to any part of the Project Improvements or the Project Equipment as the Company from time to time may deem necessary or desirable for its business purposes. All additions, modifications and improvements made by the Company pursuant to this Section shall (a) be made in a good and workmanlike manner and in material compliance with all laws and ordinances applicable thereto, (b) when commenced, be prosecuted to completion with due diligence, and (c) when completed, be deemed a part of the Project; provided, however, that additions of improvements, machinery and equipment installed on the Project Site by the Company but not purchased or acquired with proceeds of the Bonds (or purchased as replacement of such Project Improvements or damaged Project Equipment) shall not become part of the Project and such property shall be subject to *ad valorem* taxes.

The Company may, at its sole cost and expense, construct on portions of the Project Site not theretofore occupied by buildings or improvements such additional buildings and improvements as the Company from time to time may deem necessary or desirable for its business purposes. All additional buildings and improvements constructed on the Project Site by the Company, and not paid for with Bond proceeds, pursuant to the authority of this Section shall not be included as Project Improvements and, during the life of this Lease, shall remain the property of the Company and may be added to, altered or razed and removed by the Company at any time. All additional buildings and improvements shall be made in a good and workmanlike manner and in strict compliance with all material laws, orders and ordinances applicable thereto and when commenced shall be prosecuted to completion with due diligence. The Company covenants and agrees (a) to make any repairs and restorations required to be made to the Project because of the construction of, addition to, alteration or removal of said additional buildings or improvements, and (b) to promptly and with due diligence either raze and remove or repair, replace or restore any of said additional buildings and improvements as may from time to time be damaged by fire or other casualty. The Company shall pay all *ad valorem* taxes and assessments payable with respect to such additional buildings and improvements which remain the property of the Company. If for any reason the County Assessor determines that such additional buildings and improvements are not subject to *ad valorem* taxes based upon City ownership of the Project, the Company shall make payments in lieu of taxes in an amount equal to the taxes that would otherwise be due, subject to the rights of the Company to contest the same in accordance with applicable laws.

#### **Section 8.2. Removal and Replacement of Project Equipment.**

(a) The Company may, if no uncured Event of Default (as defined in **Section 12.1** hereof) exists and is continuing, remove from the Project Site and sell, exchange, replace or otherwise dispose of, without responsibility or accountability to the City or the Trustee with respect thereto, any items of machinery and equipment, or parts thereof, which constitute a part of the Project Equipment and which have become inadequate, obsolete, worn out, unsuitable, undesirable or unnecessary or which, in the sound discretion of the Company, are otherwise no longer useful to the Company in its operations. Before any such removal of any items of equipment or machinery with a then-market value of greater than \$1,000,000 in the aggregate within any one calendar year, the Company shall deliver to the City and the Trustee a certificate signed by an Authorized Company Representative containing a complete description of any machinery or equipment that the Company proposes to remove. Upon request by the Company, the City will execute and deliver a bill of sale that transfers full and complete title to the

Company of the Project Equipment removed. Notwithstanding anything contained herein to the contrary, title to any item of the Project removed from the Project Site shall automatically vest in the Company without further instrument or action, and such vesting of title shall be self-operative effective upon removal. Any Project Equipment removed from the Project Site shall no longer be entitled to the tax exemption afforded by virtue of the City's ownership thereof.

(b) In all cases, the Company shall pay all of the costs and expenses of any such removal. The Company's right under this Section to remove machinery and equipment constituting a part of the Project Equipment is intended only to permit the Company to maintain an efficient operation by the removal of machinery and equipment that is no longer suitable for any of the reasons set forth in this Section, and such right is not to be construed to permit a removal under any other circumstances and specifically is not to be construed to permit the Company to make a wholesale removal of the Project Equipment.

(c) If the Company replaces any portion of the Project Equipment due to damage (other than ordinary wear and tear), such replacement shall become part of the Project Equipment and shall be entitled to the tax exemption afforded by virtue of the City's ownership of the Project Equipment, provided that such replacement shall only benefit from such exemption during the original Project Equipment Abatement Period of the property replaced by it.

(d) If the Company replaces any portion of the Project Equipment for any other purpose, then such replacement equipment shall not become part of the Project Equipment and shall be subject to *ad valorem* taxes.

**Section 8.3. Permits and Authorizations.** The Company shall not do or permit others under its control to do any work on the Project Site related to any repair, rebuilding, restoration, replacement, modification or addition to the Project, or any part thereof, unless all requisite municipal and other governmental permits and authorizations shall have been first procured. All such work shall be done in a good and workmanlike manner and in material compliance with all applicable material building and zoning laws and governmental regulations and requirements, and in accordance with the requirements, rules and regulations of all insurers under the policies required to be carried under the provisions of **Article VII** hereof.

#### **Section 8.4. Mechanics' Liens.**

(a) The Company will not directly or indirectly create, incur, assume or suffer to exist any lien on or with respect to the Project, except Permitted Encumbrances, and the Company shall promptly notify the City of the imposition of such lien of which the Company is aware and shall promptly, at its own expense, take such action as may be necessary to fully discharge or release any such lien. Whenever and as often as any mechanics' or other similar lien is filed against the Project, or any part thereof, purporting to be for or on account of any labor done or materials or services furnished in connection with any work in or about the Project, the Company shall discharge the same of record. Notice is hereby given that the City shall not be liable for any labor or materials furnished the Company or anyone claiming by, through or under the Company upon credit, and that, unless and to the extent that consent is given in the memorandum of this Lease or other document filed by the City against the Project Site with the recorder of deeds, no mechanics' or other similar lien for any such labor, services or materials shall attach to or affect the reversionary or other estate of the City in and to the Project or any part thereof.

(b) Notwithstanding paragraph (a) above, the Company may contest any such mechanics' or other similar lien if the Company (1) within 60 days after the Company becomes aware of any such lien,

notifies the City and the Trustee in writing of its intention so to do, (2) diligently prosecutes such contest, (3) at all times effectively stays or prevents any official or judicial sale of the Project, or any part thereof or interest therein, under execution or otherwise, (4) promptly pays or otherwise satisfies any final judgment adjudging or enforcing such contested lien claim and (5) thereafter promptly procures the record release or satisfaction thereof. The Company may permit the lien so contested to remain unpaid during the period of such contest and any appeal therefrom unless the Company is notified by the City that, in the opinion of counsel, by nonpayment of any such items, the interest of the City in the Project will be subject to loss or forfeiture. In that event, the Company shall promptly, at its own expense, take such action as may be reasonably necessary to duly discharge or remove any such pledge, lien, charge, encumbrance or claim if the same shall arise at any time. The Company shall save and hold harmless the City from any loss, costs or expenses the City may incur related to any such contest. The Company shall reimburse the City for any expense incurred by it in connection with the imposition of any such lien or in order to discharge or remove any such mortgage, pledge, lien, charge, encumbrance or claim. The City shall cooperate fully with the Company in any such contest.

## ARTICLE IX

### DAMAGE, DESTRUCTION AND CONDEMNATION

#### Section 9.1.     **Damage or Destruction.**

(a) If the Project is damaged or destroyed by fire or any other casualty, whether or not covered by insurance, the Company, as promptly as is reasonably practicable, shall either (i) make the determination described in subsection (f) below, or (ii) repair, restore, replace or rebuild the same so that upon completion of such repairs, restoration, replacement or rebuilding the Project is of a value not less than the value thereof immediately before the occurrence of such damage or destruction or, at the Company's option, construct upon the Project Site new buildings and improvements thereafter together with all new machinery, equipment and fixtures which are either to be attached to or are to be used in connection with the operation or maintenance thereof, provided that (A) the value thereof shall not be less than the value of such destroyed or damaged Project immediately before the occurrence of such damage or destruction and (B) the nature of such new buildings, improvements, machinery, equipment and fixtures will not impair the character of the Project as an enterprise permitted by the Act.

If the Company elects to repair, restore or replace the Project, for all purposes of this Lease, any reference to the words "Project Improvements" shall be deemed to also include any such new buildings, improvements and fixtures and all additions thereto and all replacements and alterations thereof and any reference to the words "Project Equipment" shall be deemed to also include any such new machinery and equipment.

Unless the Company makes the determination described in subsection (f) below, the Net Proceeds of casualty insurance required by **Article VII** hereof received with respect to such damage or loss to the Project shall be used to pay the cost of repairing, restoring, replacing or rebuilding the Project or any part thereof. Insurance monies in an amount less than \$1,000,000 may be paid to or retained by the Company to be held in trust and used as provided herein. Insurance monies in any amount of \$1,000,000 or more shall be (i) paid to the Trustee and deposited in the Project Fund and shall be disbursed as provided in **Section 4.4** hereof to pay the cost of repairing, restoring, replacing or rebuilding the Project or any part thereof, or (ii) if determined by the Owners of 100% in principal amount of the Bonds Outstanding, applied as directed by, or on behalf of, such Owners of 100% in principal amount of the Bonds

Outstanding. If the Company makes the determination described in subsection (f) below, the Net Proceeds shall be deposited with the Trustee and used to redeem Bonds as provided in subsection (f).

(b) If any of the insurance monies paid by the insurance company as hereinabove provided remain after the completion of such repairs, restoration, replacement or rebuilding, and this Lease has not been terminated, the excess shall be deposited in the Bond Fund, subject to the rights of any leasehold mortgagee or Financing Party. Completion of such repairs, restoration, replacement or rebuilding shall be evidenced by a certificate of completion in accordance with the provisions of **Section 4.5** hereof. Unless the Company makes the determination described in subsection (f) below, if the Net Proceeds are insufficient to pay the entire cost of such repairs, restoration, replacement or rebuilding, the Company shall pay the deficiency.

(c) Except as otherwise provided in this Lease, in the event of any such damage by fire or any other casualty, the provisions of this Lease shall be unaffected and the Company shall remain and continue liable for the payment of all Basic Rent and Additional Rent and all other charges required hereunder to be paid by the Company, as though no damage by fire or any other casualty has occurred.

(d) The City and the Company agree that they will cooperate with each other, to such extent as such other party may reasonably require, in connection with the prosecution or defense of any action or proceeding arising out of, or for the collection of any insurance monies that may be due in the event of, any loss or damage, and that they will execute and deliver to such other parties such instruments as may be required to facilitate the recovery of any insurance monies.

(e) The Company agrees to give prompt notice to the City and the Trustee with respect to all fires and any other casualties occurring in, on, at or about the Project causing (in the Company's opinion) damage of more than \$1,000,000.

(f) If the Company determines that rebuilding, repairing, restoring or replacing the Project is not practicable or desirable, or if the Company does not have the right under any Leasehold Security Agreement to use any Net Proceeds for repair or restoration of the Project, any Net Proceeds of casualty insurance required by **Article VII** hereof received with respect to such damage or loss shall, after payment of all Additional Rent then due and payable, be paid into the Bond Fund and shall be used to redeem Bonds on the earliest practicable redemption date or to pay the principal of any Bonds as the same become due, all subject to rights of the mortgagee under the Leasehold Security Agreement (if any) and the Financing Party under the Financing Documents (if any). The Company agrees to be reasonable in exercising its judgment pursuant to this subsection (f). Alternatively, if the Company is the sole owner of the Bonds and it has determined that rebuilding, repairing, restoring or replacing the Project is not practicable or desirable, it may tender Bonds to the Trustee for cancellation in a principal amount equal to the Net Proceeds of the casualty insurance, and retain such proceeds for its own account.

(g) The Company shall not, by reason of its inability to use all or any part of the Project during any period in which the Project is damaged or destroyed or is being repaired, rebuilt, restored or replaced, nor by reason of the payment of the costs of such rebuilding, repairing, restoring or replacing, be entitled to any reimbursement from the City, the Trustee or the Owners or to any abatement or diminution of the rentals payable by the Company under this Lease or of any other obligations of the Company under this Lease except as expressly provided in this Section.

## **Section 9.2. Condemnation.**

(a) If during the Lease Term, title to, or the temporary use of, all or any part of the Project is condemned by or sold under threat of condemnation to any authority possessing the power of eminent domain, to such extent that the claim or loss resulting from such condemnation is greater than \$1,000,000, the Company shall, within 90 days after the date of entry of a final order in any eminent domain proceedings granting condemnation or the date of sale under threat of condemnation, notify the City, the Trustee, the mortgagee under the Leasehold Security Agreement (if any) and the Financing Party under the Financing Documents (if any) in writing as to the nature and extent of such condemnation or loss of title and whether it is practicable and desirable to acquire and install or construct substitute improvements and/or equipment.

(b) If the Company determines that such substitution is practicable and desirable, the Company shall proceed promptly with and complete with reasonable dispatch the acquisition, installation or construction of such substitute improvements and/or equipment, so as to place the Project in substantially the same condition as existed before the exercise of the said power of eminent domain, including the acquisition, installation or construction of other improvements suitable for the Company's operations at the Project (which improvements will be deemed a part of the Project and available for use and occupancy by the Company without the payment of any rent other than herein provided, to the same extent as if such other improvements were specifically described herein and demised hereby); provided, that such improvements will be acquired by the City subject to no liens, security interests or encumbrances before the lien and/or security interest afforded by the Indenture and this Lease other than Permitted Encumbrances. In such case, any Net Proceeds received from any award or awards with respect to the Project or any part thereof made in such condemnation or eminent domain proceedings, or of the sale proceeds, shall be applied in the same manner as provided in **Section 9.1** hereof (with respect to the receipt of casualty insurance proceeds).

(c) If the Company determines that it is not practicable or desirable to acquire, install or construct substitute improvements or equipment, any Net Proceeds of condemnation awards received by the Company shall, after payment of all Additional Rent then due and payable, be paid into the Bond Fund and shall be used to redeem Bonds on the earliest practicable redemption date or to pay the principal of any Bonds as the same becomes due and payable, provided that if the Company is the sole owner of the Bonds and it has determined that acquiring and constructing substitute improvements is not practicable or desirable, it may tender Bonds to the Trustee for cancellation in a principal amount equal to the Net Proceeds of the condemnation awards, and retain such proceeds for its own account, all subject to the rights of the mortgagee under the Leasehold Security Agreement (if any) and Financing Party under the Financing Documents (if any).

(d) The Company shall not, by reason of its inability to use all or any part of the Project during any such period of restoration or acquisition nor by reason of the payment of the costs of such restoration or acquisition, be entitled to any reimbursement from the City, the Trustee or the Owners or to any abatement or diminution of the rentals payable by the Company under this Lease nor of any other obligations hereunder except as expressly provided in this Section.

(e) The City shall cooperate fully with the Company in the handling and conduct of any prospective or pending condemnation proceedings with respect to the Project or any part thereof, and shall, to the extent it may lawfully do so, permit the Company to litigate in any such proceeding in the name and on behalf of the City. In no event will the City voluntarily settle or consent to the settlement of

any prospective or pending condemnation proceedings with respect to the Project or any part thereof without the prior written consent of the Company.

**Section 9.3. Bondowner Approval.** Notwithstanding anything to the contrary contained in this **Article IX**, the proceeds of any insurance received subsequent to a casualty or of any condemnation proceedings (or threats thereof) shall before the application thereof by the City or the Trustee be applied as directed by the Owners of 100% of the principal amount of Bonds Outstanding, subject and subordinate to (a) the rights of the City and the Trustee to be paid all their expenses (including reasonable attorneys' fees, trustee's fees and any extraordinary expenses of the City and the Trustee) incurred in the collection of such gross proceeds and (b) the rights of the City to any amounts then due and payable under the Performance Agreement.

## ARTICLE X

### SPECIAL COVENANTS

**Section 10.1. No Warranty of Condition or Suitability by the City; Exculpation and Indemnification.** The City makes no warranty, either express or implied, as to the condition of the Project or that it will be suitable for the Company's purposes or needs. The Company releases the City and the Trustee from, agrees that the City and the Trustee shall not be liable for and agrees to hold the City and the Trustee harmless against, any loss or damage to property or any injury to or death of any Person that may be occasioned by any cause whatsoever pertaining to the Project or the Company's use thereof, unless such loss is the result of the City's or the Trustee's gross negligence or willful misconduct. This provision shall survive termination of this Lease.

**Section 10.2. Surrender of Possession.** Upon accrual of the City's right of re-entry to the Project to the extent provided in **Section 12.2(b)**, the Company shall peacefully surrender possession of the Project to the City in reasonably good condition and repair; provided, however, the Company may within 90 days (or such later date as the City may agree to) after the termination of this Lease remove from the Project any buildings, improvements, furniture, trade fixtures, machinery and equipment owned by the Company and not constituting part of the Project which have not already been removed during the Term. All repairs to and restorations of the Project required to be made because of such removal shall be made by and at the sole cost and expense of the Company, and during said 90-day (or extended) period the Company shall bear the sole responsibility for and bear the sole risk of loss for said buildings, improvements, furniture, trade fixtures, machinery and equipment owned by the Company and not constituting part of the Project. All buildings, improvements, furniture, trade fixtures, machinery and equipment owned by the Company and which are not so removed from the Project before the expiration of said period shall be the separate and absolute property of the City.

**Section 10.3. City's Right of Access to the Project.** The City may conduct such periodic inspections of the Project as may be generally provided in the City's code. In addition, the Company agrees that the City and the Trustee and their duly authorized agents may, at reasonable times during normal business hours and, except in the event of emergencies, upon not less than two Business Day's prior notice, subject to the Company's usual business propriety, safety, confidentiality and security requirements, enter upon the Project Site (a) to examine and inspect the Project without interference or prejudice to the Company's operations, (b) to monitor the purchase and installation provided for in **Section 4.2** hereof as may be reasonably necessary, (c) to examine all files, records, books and other

materials in the Company's possession pertaining to the purchase, installation or maintenance of the Project, and (d) upon the occurrence and continuance of an Event of Default, to enforce the remedies provided in **Section 12.2** hereof.

**Section 10.4. Granting of Easements; Leasehold Security Agreements and Financing Arrangements.**

(a) Subject to the requirements and restrictions of this Section, if no Event of Default under this Lease has happened and is continuing, the Company may at any time or times (i) grant subleases (as permitted in **Section 13.1** hereof), easements, licenses, rights-of-way (including the dedication of public highways) and other rights or privileges in the nature of easements that are for the direct use of the Project, or part thereof, by the grantee, (ii) release or terminate existing subleases, easements, licenses, rights-of-way and other rights or privileges, all with or without consideration and upon such terms and conditions as the Company shall determine, or (iii) incur Permitted Encumbrances. The Company may take such actions and may execute any applicable documents in the Company's own name. No separate signature of or authorization from the City shall be required for the execution and delivery of any such document, although the City agrees to execute and deliver such confirming documents as are described below, under the procedures described below, if the Company chooses to make such a request, *provided that* no such document shall impose any obligation (monetary or otherwise) on the City or require any representations by the City. All third parties entering into agreements with the Company or receiving delivery of or the benefit of such agreements or documents shall be entitled to rely upon the same as having been executed and delivered by the City, unless such third party has actual or constructive notice, expressly in writing, that the agency herein granted by the City to the Company has been terminated by the City because of an uncured Event of Default hereunder. The City agrees that it will execute and deliver and will cause and direct the Trustee to execute and deliver any instrument necessary or appropriate to confirm and grant, release or terminate any such sublease, easement, license, right-of-way or other right or privilege or any such agreement or other arrangement, upon receipt by the City and the Trustee of: (i) a copy of the instrument of grant, release or termination or of the agreement or other arrangement, (ii) a written application signed by an Authorized Company Representative requesting such instrument, and (iii) a certificate executed by an Authorized Company Representative stating that such grant or release is not detrimental to the proper conduct of the business of the Company, will not impair the effective use or interfere with the efficient and economical operation of the Project, will not materially adversely affect the security intended to be given by or under the Indenture and will be a Permitted Encumbrance; *provided that* the City shall not be required to undertake any duties or payment obligations under such instruments and shall make only such representations as it deems appropriate in its sole discretion. If no Event of Default has happened and is continuing beyond any applicable grace period, any payments or other consideration received by the Company for any such grant or with respect to or under any such agreement or other arrangement shall be and remain the property of the Company; but, subject to the requirements and restrictions of this Section, upon (i) termination of this Lease for any reason other than the redemption of the Bonds and/or the purchase of the Project by the Company or (ii) the occurrence and continuance of an Event of Default by the Company, all rights then existing of the Company with respect to or under such grant shall inure to the benefit of and be exercisable by the City and the Trustee.

(b) The Company may mortgage the leasehold estate created by this Lease, with prior notice to but without the consent of the City, provided and upon condition that a duplicate original or certified copy or photostatic copy of each such mortgage, and the note or other obligation secured thereby, is delivered to the City within thirty (30) days after the execution thereof. The Company may mortgage the fee estate held by the City with the consent of the City, not to be unreasonably withheld, conditioned, or

delayed. The sale of the Company's leasehold estate at a foreclosure sale or trustee's sale under the Leasehold Security Agreement or any assignment in lieu thereof shall not require the consent of the City, if (i) written notice of the proposed sale or assignment is provided to the City at least fifteen (15) days prior thereto, and (ii) before such sale or assignment, all payments then owing to the City under the Performance Agreement are paid.

(c) The City acknowledges and agrees that the Company may finance and refinance its rights and interests in the Project, this Lease and the leasehold estate created hereby and, in connection therewith, the Company may execute Financing Documents with one or more Financing Parties. Notwithstanding anything contained to the contrary in this Lease, the Company may, at any time and from time to time, with prior notice to but without the consent of the City, (i) execute one or more Financing Documents upon the terms contained in this **Section 10.4** and (ii) assign this Lease, the leasehold estate and rights in connection therewith as collateral, and/or grant liens or security interests therein, to any Financing Party. Any further sublease or assignment by any Financing Party shall be subject to the provisions of **Section 13.1**. At the expense of the Company, the City agrees to cooperate with the Company in connection with any financing or refinancing of the Company's rights and interests in the Project; *provided that* the City shall not be required to undertake any duties or payment obligations in connection with any financing arrangements and shall make only such representations as it deems appropriate in its sole discretion.

(d) Upon notice by the Company to the City in writing that it has executed one or more Financing Documents under which it has granted rights in this Lease to a Financing Party, which includes the name and address of such Financing Party, then the following provisions shall apply in respect of each such Financing Party:

(1) there shall be no merger of this Lease or of the leasehold estate created hereby with the fee title to the Project, notwithstanding that this Lease or said leasehold estate and said fee title shall be owned by the same Person or Persons, without the prior written consent of such Financing Party;

(2) the City shall serve upon each such Financing Party (at the address, if any, provided to the City) a copy of each notice of the occurrence of an Event of Default and each notice of termination given to the Company under this Lease, at the same time as such notice is served upon the Company. No such notice to the Company shall be effective unless a copy thereof is thus served upon each Financing Party;

(3) each Financing Party shall have the same period of time which the Company has, after the service of any required notice upon it, within which to remedy or cause to be remedied any payment default under this Lease which is the basis of the notice plus thirty (30) days, and the City shall accept performance by such Financing Party as timely performance by the Company;

(4) the City may exercise any of its rights or remedies with respect to any other Event of Default by the Company, subject to the rights of the Financing Parties under this **Section 10.4(d)** as to such other events of default. Without limiting the generality of the foregoing, the holder of the Leasehold Security Agreement may cause the sale of the leasehold interest of the Company to be sold at foreclosure sale conducted in accordance with applicable law and the terms of the Leasehold Security Agreement, to accept assignment of this Lease in lieu of foreclosure and to appoint a receiver for the Project, all without obtaining the prior written consent of the City but subject to the provisions of **Section 10.4(b)**;

(5) upon the occurrence and continuance of an Event of Default by the Company under this Lease, other than a default in the payment of money, the City shall take no action to effect a termination of this Lease by service of a notice or otherwise, without first giving notice thereof to each such Financing Party and permitting such Financing Party (or its designee, nominee, assignee or transferee) a reasonable time within which to remedy such default in the case of an Event of Default which is susceptible of being cured (provided that the period to remedy such Event of Default shall continue beyond any period set forth in the Lease to effect said cure so long as the Financing Party (or its designee, nominee, assignee or transferee) is diligently prosecuting such cure); provided that the Financing Party (or its designee, nominee, assignee or transferee) shall pay or cause to be paid to the City and the Trustee all expenses, including reasonable counsel fees, court costs and disbursements incurred by the City or the Trustee in connection with any such default; and

(6) the Financing Parties (and their designees, nominees, assignees or transferees) shall have the right to enter, possess and use the Project at such reasonable times and manner as are necessary or desirable to effectuate the remedies and enforce their respective rights under the Financing Documents and this Lease may not be modified, amended, canceled or surrendered by agreement between the City and the Company, without prior written consent of such Financing Party.

(e) In connection with the execution of one or more Financing Documents, upon the request of the Company, the City agrees to execute such documents as shall be reasonably requested by a Financing Party and which are usual and customary in connection with the closing of the financing or refinancing pursuant to the Financing Documents (provided that giving any representations requested of the City shall be in the sole discretion of the City and the City shall incur no monetary liability or duties under any such document). The Company agrees to reimburse the City for any and all costs and expenses incurred by the City pursuant to this Section, including reasonable attorneys' fees and expenses, in complying with such request.

**Section 10.5. Indemnification of City and Trustee.** The Company shall indemnify and save and hold harmless the City and the Trustee and their governing body members, officers, agents and employees (collectively, the "Indemnified Parties") from and against all claims, demands, costs, liabilities, damages or expenses, including attorneys' fees, by or on behalf of any person, firm or corporation arising from the issuance of the Bonds and the execution of this Lease, the Indenture or any other documents entered into in connection with the Bonds and from the conduct or management of, or from any work or thing done in or on the Project during the Lease Term, and against and from all claims, demands, costs, liabilities, damages or expenses, including attorneys' fees, arising during the Lease Term from (a) any condition of the Project, (b) any breach or default on the part of the Company in the performance of any of its obligations under this Lease or any related document, (c) any contract entered into by the Company in connection with the purchase, construction, extension or improvement of the Project, (d) any act of negligence of the Company or of any of its agents, contractors, servants, employees or licensees, (e) any liability of an Indemnified Party resulting from a failure to comply with Section 107.170 of the Revised Statutes of Missouri, as amended, with respect to the Project, (f) unless the Company has been released from liability pursuant to **Section 13.1**, any act of negligence of any assignee or sublessee of the Company, or of any agents, contractors, servants, employees or licensees of any assignee or sublessee of the Company, (g) obtaining any applicable state and local sales and use tax exemptions for materials or goods that become part of the Project, and (h) any claim relating to the presence on, escape or removal from the Project during the term of the Lease of any hazardous substance or other material regulated by any applicable Environmental Law, or compliance with any applicable

Environmental Law, whether such claim arises before, during or after the term of this Lease, including claims relating to personal injury or damage to property; provided, however, the indemnification contained in this **Section 10.5** shall not extend to (i) the City if such claims, demands, costs, liabilities, damages or expenses, including attorneys' fees, are the result of work being performed at the Project by employees of the City or the result of negligence or willful misconduct by the City (except in the case of failure to comply with Section 107.170), or (ii) the Trustee if such claims, demands, costs, liabilities, damages or expenses, including attorneys' fees, are the result of the negligence or willful misconduct of the Trustee or (iii) the City for any claim relating to the failure of such party to perform its obligations under this Lease or the Indenture. Upon notice from the City or the Trustee, the Company shall defend them or either of them in any such action or proceeding. This **Section 10.5** shall survive any termination of this Lease or the satisfaction and discharge of the Indenture.

In case any action shall be brought against one or more of the Indemnified Parties based upon the foregoing indemnification and in respect of which indemnity may be sought against the Company, the Indemnified Parties shall promptly notify the Company in writing and the Company shall promptly assume the defense thereof, including the employment of counsel satisfactory to the Indemnified Parties, the payment of all reasonable expenses and the right to negotiate and consent to settlement. If the Company shall have wrongfully failed to assume the defense of such action, the reasonable fees and expenses of counsel retained by the Indemnified Party shall be paid by the Company. If any of the Indemnified Parties is advised by counsel retained by the Company to defend such action that there may be legal defenses available to it which are adverse to or in conflict with those available to the Company or any other Indemnified Party, and that the defense of such Indemnified Party should be handled by separate counsel, the Company shall not have the right to assume the defense of such Indemnified Party, but shall be responsible for the reasonable fees and expenses of counsel retained by such Indemnified Party in assuming its own defense. Any one or more of the Indemnified Parties shall have the right to employ separate counsel in any such action and to participate in the defense thereof, but except as otherwise set forth in this Section, the fees and expenses of such counsel shall be at the expense of such Indemnified Party or Indemnified Parties unless employment of such counsel has been specifically authorized by the Company. The Company shall not be liable for any settlement of any such action effected without its consent by any of the Indemnified Parties, but if settled with the consent of the Company or if there be a final judgment for the plaintiff in any such action against the Company or any of the Indemnified Parties, with or without the consent of the Company, the provided that the Company was given prompt written notice and the ability to assume the defense thereof as required by this paragraph, the Company agrees to indemnify and hold harmless the Indemnified Parties to the extent provided herein.

**Section 10.6. Depreciation, Investment Tax Credit and Other Tax Benefits.** The City agrees that any depreciation, investment tax credit or any other tax benefits with respect to the Project or any part thereof shall be made available to the Company, and the City will fully cooperate with the Company in any effort by the Company to avail itself of any such depreciation, investment tax credit or other tax benefits.

**Section 10.7. Company to Maintain its Corporate Existence.** The Company agrees that until the Bonds are paid or payment is provided for in accordance with the terms of the Indenture, it will maintain its corporate existence, and will not dissolve or otherwise dispose of all or substantially all of its assets; provided, however, that the Company may, without violating the agreement contained in this Section, consolidate with or merge into another domestic corporation (i.e., a corporation incorporated and existing under the laws of one of the states of the United States) or permit one or more other domestic corporations to consolidate with or merge into it, or may sell or otherwise transfer to another domestic corporation all or substantially all of its assets as an entirety and thereafter dissolve, provided, the

surviving, resulting or transferee corporation either (A) becomes, in connection with the consolidation, merger or sale of assets becomes the Owner of 100% in principal amount of the Bonds outstanding and expressly assumes in writing all of the obligations of the Company contained in this Lease, or (B) if not the Owner of 100% in principal amount of the Bonds outstanding, expressly assumes in writing all the obligations of the Company contained in this Lease; and, further provided, that if not the Owner of 100% in principal amount of the Bonds outstanding, the surviving, resulting or transferee corporation, as the case may be, has a consolidated net worth (after giving effect to said consolidation, merger or transfer) at least (i) equal to or greater than that of the Company immediately prior to said consolidation, merger or transfer, or (ii) \$50,000,000. The term "net worth," as used in this Section, shall mean the difference obtained by subtracting total liabilities (not including as a liability any capital or surplus item) from total assets of the Company and all of its subsidiaries. In any such consolidation, merger or transfer the Company shall comply with the provisions of **Section 13.1** hereof to the extent applicable.

**Section 10.8. Security Interests.** The Trustee shall file continuation statements of originally filed financing statements. The City and the Company shall cooperate with the Trustee in this regard by providing such information as the Trustee may require to renew such statements. The Trustee shall maintain a file showing a description of all Project Equipment, said file to be compiled from the certificates furnished to the Trustee pursuant to **Section 4.2(c)**, **Section 4.4** and **Section 8.2** hereof. At the written request of all of the Owners of the Bonds, the City, at the expense of the Company, and the Company further agree to enter into any other instruments necessary for the creation and perfection of (and continuance of the perfection of) the security interests in the Project benefiting the Owners of the Bonds then outstanding.

## ARTICLE XI

### OPTION AND OBLIGATION TO PURCHASE THE PROJECT

#### **Section 11.1. Option to Purchase the Project.**

(a) *Purchase of the Entire Project.* The Company shall have, and is hereby granted, the option to purchase the Project at any time, upon payment of the purchase price described below, provided that the Company, at its option, may deliver the Outstanding Bonds in payment of that portion of the purchase price described in subsection (a)(1), below. To exercise such option the Company shall give written notice to the City and to the Trustee, and shall specify therein the date of closing such purchase, which date shall be not less than 15 nor more than 90 days from the date such notice is mailed, and in case of a redemption of the Bonds in accordance with the provisions of the Indenture, the Company shall make arrangements satisfactory to the Trustee for the giving of the required notice of redemption. Notwithstanding the forgoing, if the City or the Trustee provides a Remedies Notice to the Company, the Company shall be deemed to have exercised its repurchase option under this Section on the 29<sup>th</sup> day following the issuance of the Remedies Notice without any further action by the Company; provided said Remedies Notice has not been rescinded by such date (such option to take place on the 29<sup>th</sup> day following the issuance of the Remedies Notice). The Company may rescind such exercise by providing written notice to the City and the Trustee on or prior to the 29<sup>th</sup> and by taking such action as may be required to cure the default that led to the giving of the Remedies Notice. The purchase price payable by the Company in the event of its exercise of the option granted in this subsection shall be the sum of the following:

(1) an amount of money which, when added to the amount then on deposit in the Bond Fund, will be sufficient to redeem all the then outstanding Bonds on the earliest redemption

date next succeeding the closing date, including, without limitation, principal and interest to accrue to said redemption date and redemption expense; plus

(2) an amount of money equal to the Trustee's agreed to and reasonable fees, charges and expenses under the Indenture accrued and to accrue until such redemption of the Bonds; plus

(3) an amount of money equal to all payments due and payable pursuant to the Performance Agreement through the end of the calendar year in which the date of purchase occurs; plus

(4) an amount of money equal to the City's reasonable fees and expenses for its counsel in connection with such purchase of the Project; plus

(5) the sum of \$10.00.

At its option, to be exercised at least 5 days prior to the date of closing such purchase, the Company may deliver to the Trustee for cancellation Bonds not previously paid, and the Company shall receive a credit against the purchase price payable by the Company in an amount equal to 100% of the principal amount of the Bonds so delivered for cancellation, plus the accrued interest thereon.

(b) *Purchase of a Portion of the Project.* The Company shall have, and is hereby granted, the option to purchase any portion of the Project at any time, upon payment in full of a portion of the Bonds then outstanding or provision for their payment having been made pursuant to **Article XIII** of the Indenture, in the amount described in this subsection. To exercise such option the Company shall give written notice to the City and to the Trustee, and shall specify therein the date of closing such purchase, which date shall be not less than 15 nor more than 90 days from the date such notice is mailed, and in case of a redemption of Bonds in accordance with the provisions of the Indenture, the Company shall make arrangements satisfactory to the Trustee for the giving of the required notice of redemption. The purchase price payable by the Company in the event of its exercise of the option granted in this subsection shall be the sum of the following:

(1) the amount of money equal to the portion of the Cumulative Outstanding Principal Amount on the closing date for such purchase that is attributable to the portion of the Project to be removed, which shall be determined by dividing (i) the total Project Costs paid with respect to such portion of the Project under **Section 4.4** hereof, as allocated by certification of the Company if not clearly determinable from the requisition certificates, by (ii) the total of all Project Costs paid under **Section 4.4** hereof, and then multiplying such quotient by the Cumulative Outstanding Principal Amount at the time of the closing date for such purchase and rounding such product to the nearest \$1,000, which amount shall be deposited to the Bond Fund and applied to redeem outstanding Bonds in an equal principal amount on the earliest redemption date next succeeding the closing date); plus

(2) an amount of money equal to the interest to accrue to such redemption date on the Bonds to be redeemed pursuant to paragraph (1) immediately above and redemption expense, which amount shall be deposited to the Bond Fund; plus

(3) an amount of money equal to the Trustee's agreed to and reasonable fees, charges and expenses under the Indenture accrued and to accrue until such redemption of the Bonds; plus

(4) an amount of money equal to the City's reasonable fees and expenses for its counsel in connection with such purchase of a portion of the Project; plus

(5) the sum of \$10.00.

At its option, to be exercised at least 5 days prior to the date of closing such purchase, the Company may deliver to the Trustee for cancellation Bonds not previously paid, and the Company shall receive a credit against the purchase price payable by the Company in an amount equal to 100% of the principal amount of the Bonds so delivered for cancellation, plus the accrued interest thereon.

Upon payment of the purchase price relating to all or a portion of the Project, the Trustee shall note in its records the removal of such portion of the Project from the Project. The Company shall deliver to the City UCC Termination Statements and a bill of sale for such portion of the Project to be executed and delivered by the City upon deposit of such purchase price in the Bond Fund. If any Project Equipment so purchased is to be physically removed from the Project, the Company shall pay all the costs and expenses of any such removal and shall immediately repair at its expense all damage to the remaining Project caused thereby.

**Section 11.2. Conveyance of the Project.** At the closing of the purchase of the entire or all remaining portions of the Project pursuant to this Article, the City will upon receipt of the purchase price deliver to the Company the following:

(a) A release from the Trustee of the Project from the lien and/or security interest of the Indenture and this Lease and appropriate termination of financing statements as required under the Uniform Commercial Code; and

(b) Documents, including without limitation a special warranty deed as to the Project Site, conveying to the Company legal title to the Project, as it then exists, in recordable form, subject to the following: (i) those liens and encumbrances, if any, to which title to the Project was subject when conveyed to the City; (ii) those liens and encumbrances created by the Company or to the creation or suffering of which the Company consented; (iii) those liens and encumbrances resulting from the failure of the Company to perform or observe any of the agreements on its part contained in this Lease; (iv) Permitted Encumbrances other than the Indenture, this Lease and the Performance Agreement; and (v) if the Project or any part thereof is being condemned, the rights and title of any condemning authority.

In connection with the purchase of a portion of the Project pursuant to **Section 11.1(b)** where such portion consists of real property, the City will upon receipt of the purchase price deliver to the Company the above-described items with respect to the portion of the Project so purchased.

**Section 11.3. Relative Position of Option and Indenture.** The option to purchase the Project granted to the Company in this Article shall be and remain prior and superior to the Indenture and may be exercised whether or not the Company is in default under this Lease or the Indenture, provided that such default will not result in nonfulfillment of any condition to the exercise of any such option (including the payment of all amounts specified in **Section 11.1** hereof) and further provided that all options herein granted shall terminate upon the termination of this Lease.

**Section 11.4. Obligation to Purchase the Project.**

(a) The Company hereby agrees to purchase, and the City hereby agrees to sell, the Project upon the occurrence of (a) the expiration of the Lease Term following full payment of the Bonds or provision for payment thereof having been made in accordance with the provisions of the Indenture, and

(b) the final payments due under the Performance Agreement. The amount of the purchase price under this Section shall be \$10.00 plus an amount sufficient to redeem all the then Outstanding Bonds, plus accrued interest and the reasonable fees and expenses of the City and the Trustee.

(b) The Company shall purchase the Project pursuant to the provisions of **Section 11.1(a)** at the time of, and in connection with, any redemption of Bonds required by the mandatory redemption provision set out in **Section 301(c)** of the Indenture. The Company shall purchase the Existing Facility, the Project Improvements and the Project Site pursuant to the provisions of **Section 11.1** at the expiration of the Project Improvements Abatement Period.

(c) If the Company fails to complete the purchase of the Project at the time required by this Section, the City is specifically authorized to convey the Project back to the Company with or without terminating this Lease and, in such case, may unilaterally terminate this Lease by an instrument signed by the City alone. The Company hereby appoints the City as its representative for purposes of filing any certificate of value required to be filed in connection with such conveyance.

## ARTICLE XII

### DEFAULTS AND REMEDIES

**Section 12.1. Events of Default.** If any one or more of the following events occurs and is continuing beyond any applicable notice and/or cure period, it is hereby defined as and declared to be and to constitute an “Event of Default” under this Lease:

(a) Default in the due and punctual payment of Basic Rent or Additional Rent within 10 days after written notice thereof from the City or the Trustee to the Company that the Company failed to make such payment. Anything herein to the contrary notwithstanding, no failure or default specified in paragraph (a) of this **Section 12.1** shall constitute an Event of Default until actual notice of such failure to make such payment by registered or certified mail shall be given by the City or the Trustee to the Company and the Company shall have had ten (10) days after receipt of such notice to correct said failure and shall not have corrected said failure within such period; or

(b) Default in the due observance or performance of any other covenant, agreement, obligation or provision of this Lease on the Company’s part to be observed or performed, and such default shall continue for 60 days after the City or the Trustee has given the Company written notice specifying such default (or such longer period as is reasonably required to cure such default; provided that (1) the Company has commenced such cure within said 60-day period, and (2) the Company diligently prosecutes such cure to completion); or

(c) The Company: (1) admits in writing its inability to pay its debts as they become due; or (2) files a petition in bankruptcy or for reorganization, arrangement, composition, readjustment, liquidation, dissolution or similar relief under the Bankruptcy Code as now or in the future amended or any other similar present or future federal or state statute or regulation, or files a pleading asking for such relief; or (3) makes an assignment for the benefit of creditors; or (4) consents to the appointment of a trustee, receiver or liquidator for all or a major portion of its property or fails to have the appointment of any trustee, receiver or liquidator made without the Company’s consent or acquiescence, vacated or set aside; or (5) is finally adjudicated as bankrupt or insolvent under any federal or state law; or (6) is subject to any proceeding, or suffers the entry

of a final and non-appealable court order, under any federal or state law appointing a trustee, receiver or liquidator for all or a major part of its property or ordering the winding-up or liquidation of its affairs, or approving a petition filed against it under the Bankruptcy Code, as now or in the future amended, which order or proceeding, if not consented to by it, is not dismissed, vacated, denied, set aside or stayed within 90 days after the day of entry or commencement; or (7) suffers a writ or warrant of attachment or any similar process to be issued by any court against all or any substantial portion of its property, and such writ or warrant of attachment or any similar process is not contested, stayed, or is not released within 60 days after the final entry, or levy or after any contest is finally adjudicated or any stay is vacated or set aside; or

(d) Either (1) the occurrence and continuance of an "Event of Default" by the Company under the Performance Agreement, following any applicable notice and grace period provided in the Performance Agreement; or (2) the Company vacates, abandons, ceases operations, fails to occupy or is ejected from the Project Site or any material portion thereof, and the same remains uncared for or abandoned for a period of 90 days; unless the Project has been subject to a casualty and the Company is intending to rebuild the Project in accordance with **Section 9.1** hereof.

**Section 12.2. Remedies on Default.** If any Event of Default referred to in **Section 12.1** hereof has occurred and continues beyond the period provided to cure, then the City may at the City's election (subject, however, to any restrictions against acceleration of the maturity of the Bonds or termination of this Lease in the Indenture), then or at any time thereafter, and while such default continues, take any one or more of the following actions:

(a) cause all amounts payable with respect to the Bonds for the remainder of the term of this Lease to become due and payable after giving ten (10) days prior written notice thereof to the Company, as provided in the Indenture; or

(b) give the Company written notice of intention to terminate this Lease on a date specified therein, which date shall not be earlier than 30 days after such notice is given, and if all defaults have not then been cured, on the date so specified, the Owners shall tender or be deemed to have tendered the Outstanding principal amount of the Bonds for cancellation with instruction that such tender is in lieu of payment in accordance with **Section 11.1** hereof, the Company's rights to possession of the Project shall cease and this Lease shall thereupon be terminated, and the City may enter the Project Site and take possession of the Project and if the Company has paid all obligations due and owing under the Indenture, this Lease and the Performance Agreement, the City shall convey the Project to the Company in accordance with **Section 11.2** hereof.

**Section 12.3. Survival of Obligations.** The Company covenants and agrees with the City and Owners that those of its obligations under this Lease which by their nature require performance after the end of the term of this Lease, or which are expressly stated herein as intended to survive expiration or termination of this Lease, shall survive the cancellation and termination of this Lease, for any cause.

**Section 12.4. Performance of the Company's Obligations by the City.** Upon an Event of Default, the City, or the Trustee in the City's name, may (but shall not be obligated so to do) upon the continuance of such failure on the Company's part for 30 days after written notice of such failure is given the Company by the City or the Trustee, and without waiving or releasing the Company from any obligation hereunder, as an additional but not exclusive remedy, make any such payment or perform any such obligation, and all reasonable sums so paid by the City or the Trustee and all necessary incidental

reasonable costs and expenses incurred by the City or the Trustee (including, without limitation, reasonable attorney's fees and expenses) in performing such obligations shall be deemed Additional Rent and shall be paid to the City or the Trustee on demand, and if not so paid by the Company, the City or the Trustee shall have the same rights and remedies provided for in **Section 12.2** hereof in the case of default by the Company in the payment of Basic Rent.

**Section 12.5. Rights and Remedies Cumulative.** The rights and remedies reserved by the City and the Company hereunder are in addition to those otherwise provided by law and shall be construed as cumulative and continuing rights. No one of them shall be exhausted by the exercise thereof on one or more occasions. The City and the Company shall each be entitled to specific performance and injunctive or other equitable relief for any breach or threatened breach of any of the provisions of this Lease, notwithstanding the availability of an adequate remedy at law, and each party hereby waives the right to raise such defense in any proceeding in equity. Notwithstanding anything in this **Section 12.5** or elsewhere in this Lease to the contrary, however, the Company's option to purchase the property as provided in **Article XI** above shall not be terminated upon an Event of Default unless and until this Lease is terminated to the extent permitted pursuant to **Section 12.2(b)** above.

**Section 12.6. Waiver of Breach.** No waiver of any breach of any covenant or agreement herein contained shall operate as a waiver of any subsequent breach of the same covenant or agreement or as a waiver of any breach of any other covenant or agreement, and in case of a breach by the Company of any covenant, agreement or undertaking by the Company, the City may nevertheless accept from the Company any payment or payments hereunder without in any way waiving City's right to exercise any of its rights and remedies provided for herein with respect to any such default or defaults of the Company which were in existence at the time such payment or payments were accepted by the City.

**Section 12.7. Trustee's Exercise of the City's Remedies.** Whenever any Event of Default has occurred and is continuing, the Trustee may, but except as otherwise provided in the Indenture shall not be obliged to, exercise any or all of the rights of the City under this Article, upon notice as required of the City unless the City has already given the required notice. In addition, the Trustee shall have available to it all of the remedies prescribed by the Indenture.

## ARTICLE XIII

### ASSIGNMENT AND SUBLEASE

**Section 13.1. Assignment; Sublease.**

(a) Subject to subsection (c), below, the Company may assign, transfer, encumber or dispose of this Lease or any interest therein or part thereof for any lawful purpose under the Act. With respect to any assignment, the Company shall comply with the following conditions:

(1) Such assignment shall be in writing, duly executed and acknowledged by the assignor and in proper form for recording;

(2) Such assignment shall include the entire then unexpired term of this Lease; and

(3) A duplicate original of such assignment shall be delivered to the City and the Trustee within 10 days after the execution thereof, together with an assumption agreement, duly executed and acknowledged by the assignee in proper form for recording, by which the assignee

shall assume all of the terms, covenants and conditions of this Lease on the part of the Company to be performed and observed.

(b) Without the consent of the City, the Company shall have the right to sublet all or any part of the Project to a single entity for any lawful purpose under the Act. The Company shall, within 10 days after the delivery thereof, furnish or cause to be furnished to the City and the Trustee a true and correct copy of each such sublease. Any complying sublease may provide, at the Company's option, that the City's consent shall not be required in respect of any further subletting thereunder if such further subletting is for a similar purpose as the original sublease and is for a purpose permissible under the Act. For any sublease requiring consent of the City, such consent shall not be unreasonably withheld, conditioned or delayed, provided that the City may require that any sublessee for which consent is required demonstrate to the City's reasonable satisfaction that it has sufficient financial, management, property ownership and operation capabilities, and that it is interested in the long-term viability of the portion of the Project to be subleased.

If for any reason this Lease and the leasehold estate of the Company hereunder is terminated by the City by summary proceedings or otherwise in accordance with the terms of this Lease, the City covenants and agrees that such termination of this Lease shall not result in a termination of any sublease affecting the Project or any part or parts thereof and that they shall all continue for the duration of their respective terms and any extensions thereof as a direct lease between the City hereunder and the sublessee thereunder, with the same force and effect as if the City hereunder had originally entered into such sublease as landlord thereunder; provided that, the City shall have no liability for any loss associated with or any monetary obligation or other obligation of the landlord under any such sublease. Any such sublessee shall not be named or joined in any action or proceeding by the City under this Lease to recover possession of the Project or for any other relief if such sublessee is not then in default under the terms of its sublease beyond any applicable grace period for curing the same.

(c) For any assignment of this Lease (except as otherwise allowed under **Section 10.4** with respect to a Financing Party and/or leasehold mortgagee), the Company shall obtain the prior written consent of the City, to be given in the sole discretion of the City.

(d) Any assignee of all the rights of the Company shall agree to be bound by the terms of this Lease and any other documents related to the issuance of the Bonds. Upon such assignment of all the rights of the Company and agreement by the assignee to be bound by the terms of this Lease and any other documents related to the Bonds, the Company shall be released from and have no further obligations under this Lease or any agreement related to the issuance of the Bonds.

(e) The City agrees that any requested consent or signature of the City to any sublease or assignment under this Article, including any related document, may be given by the City Manager, in his or her discretion, without further approval of the City Council.

**Section 13.2. Assignment of Revenues by City.** The City shall assign and pledge any rents, revenues and receipts receivable under this Lease (except for the Unassigned Rights), to the Trustee pursuant to the Indenture as security for payment of the principal of, interest and premium, if any, on the Bonds and the Company hereby consents to such pledge and assignment.

**Section 13.3. Prohibition Against Fee Mortgage of Project.** Except as otherwise set forth in **Section 10.4**, the City shall not mortgage its fee interest in the Project, but may assign its interest in and pledge any moneys receivable under this Lease to the Trustee pursuant to the Indenture as security for payment of the principal of and interest on the Bonds.

**Section 13.4. Restrictions on Sale or Encumbrance of Project by City.** During this Lease Term, the City agrees that, except to secure the Bonds to be issued pursuant to the Indenture, it will not sell, assign, encumber, transfer or convey the Project or any interest therein, but may assign its interest in and pledge any moneys receivable under this Lease to the Trustee pursuant to the Indenture as security for payment of the principal of and interest on the Bonds.

## ARTICLE XIV

### AMENDMENTS, CHANGES AND MODIFICATIONS

**Section 14.1. Amendments, Changes and Modifications.** Except as otherwise provided in this Lease or in the Indenture, subsequent to the issuance of Bonds and before the payment in full of the Bonds (or provision for the payment thereof having been made in accordance with the provisions of the Indenture), this Lease may not be effectively amended, changed, modified, altered or terminated without the prior written consent of the parties hereto, the Trustee (given in accordance with the provisions of the Indenture, which consent, however, shall not be unreasonably withheld), and the written consent of all of the Owners.

## ARTICLE XV

### MISCELLANEOUS PROVISIONS

**Section 15.1. Notices.** All notices, certificates or other communications required or desired to be given hereunder shall be in writing and shall be governed by **Section 1403** of the Indenture.

**Section 15.2. City Shall Not Unreasonably Withhold Consents and Approvals.** Wherever in this Lease it is provided that the City shall, may or must give its approval or consent, or execute supplemental agreements or schedules, unless stated that such matter is in the City's sole discretion, the City shall not unreasonably, arbitrarily or unnecessarily withhold or refuse to give such approvals or consents or refuse to execute such supplemental agreements or schedules; provided, however, that nothing in this Lease shall be interpreted to affect the City's rights to approve or deny any additional project or matter unrelated to the Project subject to zoning, building permit or other regulatory approvals by the City.

**Section 15.3. Net Lease.** The parties hereto agree (a) that this Lease shall be deemed and construed to be a net lease, (b) that the payments of Basic Rent are designed to provide the City and the Trustee funds adequate in amount to pay all principal of and interest accruing on the Bonds as the same become due and payable, (c) that to the extent that the payments of Basic Rent are not sufficient to provide the City and the Trustee with funds sufficient for the purposes aforesaid, the Company shall be obligated to pay, and it does hereby covenant and agree to pay, upon demand therefor, as Additional Rent, such further sums of money, in cash, as may from time to time be required for such purposes, and (d) that if after the principal of and interest on the Bonds and all costs incident to the payment of the Bonds (including the fees and expenses of the City and the Trustee) have been paid in full the Trustee or the City holds unexpended funds received in accordance with the terms hereof such unexpended funds shall, after payment therefrom of all sums then due and owing by the Company under the terms of this Lease, and except as otherwise provided in this Lease and the Indenture, become the absolute property of and be paid over forthwith to the Company.

**Section 15.4. Limitation on Liability of City.** No provision, covenant or agreement contained in this Lease, the Indenture or the Bonds, or any obligation herein or therein imposed upon the City, or the breach thereof, shall constitute or give rise to or impose upon the City a pecuniary liability or a charge upon the general credit or taxing powers of the City or the State of Missouri.

**Section 15.5. Governing Law.** This Lease shall be construed in accordance with and governed by the laws of the State of Missouri.

**Section 15.6. Binding Effect.** This Lease shall be binding upon and shall inure to the benefit of the City and the Company and their respective successors and assigns.

**Section 15.7. Severability.** If for any reason any provision of this Lease shall be determined to be invalid or unenforceable, the validity and enforceability of the other provisions hereof shall not be affected thereby.

**Section 15.8. Execution in Counterparts.** This Lease may be executed in several counterparts, each of which shall be deemed to be an original and all of which shall constitute but one and the same instrument.

**Section 15.9. Electronic Storage.** The parties hereto agree that the transaction described herein may be conducted and related documents may be sent, received or stored by electronic means. Copies, telecopies, facsimiles, electronic files and other reproductions of original executed documents shall be deemed to be authentic and valid counterparts of such original documents for all purposes, including the filing of any claim, action or suit in the appropriate court of law.

**Section 15.10 Complete Agreement.** THE COMPANY AND THE CITY UNDERSTAND THAT ORAL OR UNEXECUTED AGREEMENTS OR COMMITMENTS TO LOAN MONEY, EXTEND CREDIT OR TO FORBEAR FROM ENFORCING REPAYMENT OF A DEBT INCLUDING PROMISES TO EXTEND OR RENEW SUCH DEBT ARE NOT ENFORCEABLE. TO PROTECT THE COMPANY AND THE CITY FROM MISUNDERSTANDING OR DISAPPOINTMENT, ANY AGREEMENTS THE COMPANY AND THE CITY REACH COVERING SUCH MATTERS ARE CONTAINED IN THIS LEASE AND THE PERFORMANCE AGREEMENT, WHICH ARE THE COMPLETE AND EXCLUSIVE STATEMENTS OF THE AGREEMENT BETWEEN THE COMPANY AND THE CITY, EXCEPT AS THE COMPANY AND THE CITY MAY LATER AGREE IN WRITING TO MODIFY THIS LEASE OR THE PERFORMANCE AGREEMENT.

**Section 15.11. Employee Verification.** The Company will comply with and satisfy the requirements of Section 285.530.2, RSMo., as amended, which requires (1) any business entity receiving tax abatement to, by sworn affidavit and provision of documentation, annually affirm its enrollment and participation in a federal work authorization program with respect to the employees working in connection with the business entity receiving tax abatement, and (2) every such business entity to annually sign an affidavit affirming that it does not knowingly employ any person who is an unauthorized alien in connection with the entity receiving tax abatement. The Company shall provide such affidavits and documentation to the City on or before December 1 of each year during the term of this Lease, beginning December 1, 2026, and also upon execution of this Lease.

Capitalized terms not otherwise defined herein shall have the meanings set forth in **Section 101** of the Indenture.

**SECTION 1. REPRESENTATIONS AND AGREEMENTS**

(a) By the City's acceptance hereof, the City hereby represents to the Purchaser that:

(1) The City is a constitutional charter city and municipal corporation duly organized and validly existing under the laws of the State of Missouri. The City is authorized under Article VI, Section 27(b) of the Missouri Constitution and Sections 100.010 through 100.200 of the Revised Statutes of Missouri, as amended, and its Charter to authorize, issue and deliver the Bonds and to consummate all transactions contemplated by this Bond Purchase Agreement, the Ordinance, the Indenture, the Lease, the Performance Agreement and any and all other agreements relating thereto. The proceeds of the Bonds shall be used to finance the Project for Summit DC Real Estate Holdings, LLC, a Delaware limited liability company (the "Company"), and to pay for the costs incurred in connection with the issuance of the Bonds;

(2) There is no controversy, suit or other proceeding of any kind pending or threatened wherein or whereby any question is raised or may be raised, questioning, disputing or affecting in any way the legal organization of the City or its boundaries, or the right or title of any of its officers to their respective offices, or the legality of any official act leading up to the issuance of the Bonds or the constitutionality or validity of the obligation represented by the Bonds or the validity of the Bonds, the Ordinance, the Lease, the Indenture or the Performance Agreement; and

(3) Any certificate signed by an authorized representative of the City and delivered to the Purchaser shall be deemed a representation and warranty by the City to such party as to the statements made therein.

(b) The Purchaser represents as follows:

(1) The Purchaser is a limited liability company duly organized, validly existing and in good standing under the laws of the State of Delaware and is in good standing under the laws of and qualified to do business in the State of Missouri;

(2) The execution, delivery and performance of this Bond Purchase Agreement by the Purchaser has been duly authorized by all necessary action of the Purchaser and does not and will not conflict with or result in the breach of any of the terms, conditions or provisions of, or constitute a default under, its organizational documents, any law, court or administrative regulation, decree or order applicable to or binding upon the Purchaser, or, to the best of its knowledge, any agreement, indenture, mortgage, lease or instrument to which the Purchaser is a party or by which it is bound;

(3) When executed and delivered by the Purchaser, this Bond Purchase Agreement will be, and is, a legal, valid and binding obligation, enforceable in accordance with its terms, subject, as to enforcement, to any applicable bankruptcy, reorganization, insolvency, moratorium or other laws affecting the enforcement of creditors' rights generally and further subject to the availability of equitable remedies; and

(4) Any certificate signed by an authorized officer or agent of the Purchaser and delivered to the City shall be deemed a representation and warranty by the Purchaser to such party as to the statements made therein.

## **SECTION 2. PURCHASE, SALE AND DELIVERY OF THE BONDS**

On the basis of the representations and covenants contained herein and in the other agreements referred to herein, and subject to the terms and conditions herein set forth and in the Indenture, the Purchaser agrees to purchase from the City and the City agrees to sell to the Purchaser the Bonds on the terms and conditions set forth herein.

The Bonds shall be sold to the Purchaser by the City on the Closing Date (hereinafter defined) upon payment of an amount equal to the Closing Price (defined below) for the Bonds, which amount shall be applied as provided in the Indenture and shall thereafter on the Closing Date immediately be applied to the payment of Project Costs as provided in the Lease. From time to time after the Closing Date as additional Project Costs are incurred, the Purchaser may make additional payments with respect to the Bonds ("Additional Payments") to the Trustee, which Additional Payments shall constitute the purchase price for corresponding additional principal amounts of the Bonds, and shall be applied to the payment of Project Costs or as otherwise provided in the Indenture, and the outstanding principal amount of the Bonds shall increase by each such Additional Payment; provided that the sum of the Closing Price and all such Additional Payments for the Bonds shall not, in the aggregate, exceed \$79,650,000.

As used herein, the term "Closing Date" shall mean February \_\_\_, 2026, or such other date as shall be mutually agreed upon by the City and the Purchaser; the term "Closing Price" shall mean, with respect to the Bonds, the amount of \$\_\_\_\_\_.

The Bonds shall be issued under and secured as provided in the Ordinance, the Indenture and the Lease authorized thereby and the Bonds shall have the maturity, interest rate and shall be subject to redemption as set forth therein. The delivery of the Bonds shall be made in definitive form as a fully registered bond in the maximum aggregate principal denomination of \$79,650,000; provided, that the principal amount of the Bonds outstanding at any time shall be that amount recorded in the official bond registration records of the Trustee and further provided that interest shall be payable on the Bonds only on the outstanding principal amount of the Bonds, as more fully provided in the Indenture.

The Company agrees to indemnify and hold harmless the City, the Trustee, and any member, officer, official or employee of the City or of the Trustee and any person controlling the Trustee within the meaning of Section 15 of the Securities Act of 1933, as amended (collectively, the "Indemnified Parties"), against any and all losses, claims, damages, liabilities or expenses whatsoever to the extent caused by any violation by the Company of, or failure by the Company to comply with, any federal or state securities laws in connection with the Bonds; provided, however, the indemnification contained in this paragraph shall not extend to such Indemnified Party if such loss, claim, damage, liability or expense is (a) the result of the Indemnified Party's negligence or willful misconduct, or (b) the Indemnified Party is not following the written instructions of the Owner of the Bonds.

In case any action shall be brought against one or more of the Indemnified Parties based upon the foregoing indemnification and in respect of which indemnity may be sought against the Company, the Indemnified Parties shall promptly notify the Company in writing and the Company shall promptly assume the defense thereof, including the employment of counsel, the payment of all expenses and the right to negotiate and consent to settlement. Any one or more of the Indemnified Parties shall have the right to employ separate counsel in any such action and to participate in the defense thereof, but the fees and expenses of such counsel shall be at the expense of such Indemnified Party or Indemnified Parties unless employment of such counsel has been specifically authorized by the Company. The Company shall not be liable for any settlement of any such action effected without its consent by any of the Indemnified Parties, but if settled with the consent of the Company or if there be a final judgment for the plaintiff in any such action against the Company or any of the Indemnified Parties, with or without the consent of the Company, then provided that the Company was given prompt written notice and the ability to assume the defense thereof as required by this paragraph, the Company agrees to indemnify and hold harmless the Indemnified Parties to the extent provided herein.

### **SECTION 3. CONDITIONS TO THE PURCHASER'S OBLIGATIONS**

The Purchaser's obligations hereunder shall be subject to the due performance by the City of the City's obligations and agreements to be performed hereunder on or prior to the Closing Date and to the accuracy of and compliance with the City's representations contained herein, as of the date hereof and as of the Closing Date, and are also subject to the following conditions:

(a) There shall be delivered to the Purchaser on or prior to the Closing Date a duly executed copy of the Ordinance, the Indenture, the Performance Agreement, this Agreement and the Lease and any other instrument contemplated thereby and they shall be in full force and effect and shall not have been modified or changed except as may have been agreed to in writing by the Purchaser;

(b) The City shall confirm on the Closing Date by a certificate that at and as of the Closing Date the City has taken all action necessary to issue the Bonds and that there is no controversy, suit or other proceeding of any kind pending or threatened wherein any question is raised affecting in any way the legal organization of the City or the legality of any official act shown to have been done in the transcript of proceedings leading up to the issuance of the Bonds,

or the constitutionality or validity of the indebtedness represented by the Bonds or the validity of the Bonds or any proceedings in relation to the issuance or sale thereof;

## **ARTICLE III**

### **PROPERTY TAX EXEMPTION; PILOT PAYMENTS**

**Section 3.1. Property Tax Exemption.** So long as the City owns the Project, the Project will be exempt from all ad valorem taxes assessed by all state and local governments and taxing districts (collectively “Property Taxes”) on real and personal property (the “Exemption”).

**Section 3.2. Payments in Lieu of Taxes.** The City and the Company covenant and agree that the Project purchased with the proceeds of the Bonds is exempt from Property Taxes by reason of the City’s ownership thereof. The Company will annually pay to the City (or to the County if so directed by the City) payments in-lieu-of tax (the “PILOT Payments”) with respect to the Project for each year that

any portion of the Project is owned by the City as follows (except as adjusted as described in **Section 3.3** herein):

During each year of the Project Real Estate Abatement Period, the amount shown on **Exhibit B** hereto for such year with respect to the Project Site, the Existing Facility and the Project Improvements;

During each year of the Project Equipment Abatement Period for each item of Project Equipment, an amount equal to 50% of the Taxes Otherwise Due on such item of Project Equipment; and

If any of the Project Site, the Existing Facility, the Project Improvements, or the Project Equipment is still owned by the City after completion of the Project Real Estate Abatement Period or the Project Equipment Abatement Period, as applicable, an amount equal to 100% of the Taxes Otherwise Due on such portion of the Project still owned by the City.

The City shall notify the Company on or before November 15th of each year the amount of the calculated PILOT Payments. Each PILOT Payment shall be paid no later than December 1<sup>st</sup> of each year. In the event the PILOT Payments are not paid by December 31<sup>st</sup> of any particular year, such PILOT Payments shall bear interest commencing such December 31st at the rate set out in **Section 6.3** until paid. Each PILOT Payment shall be paid to the City at the address set forth in **Section 1403** of the Indenture.

The PILOT Payments due in each year with respect to the Project Equipment shall be calculated by the City using the information submitted to the City pursuant to Section 4.2(c) of the Lease and this paragraph. The Company shall provide the list of Project Equipment at the times required under the Lease and shall include with such list (1) the acquisition date of each component of Project Equipment, (2) the Original Cost of each component of Project Equipment without inclusion of freight, installation or tax, and (3) the date on which the Project Equipment Abatement Period for each item of such property ends in accordance with **Exhibit E** to the Indenture

### **Section 3.3. Additional PILOT Payments; Adjustments to PILOT Payments.**

(a) In the event the Company fails to invest at least \$67,500,000 (approximately 85% of anticipated Project Costs) on the Project on or before September 30, 2030 (as certified to the Trustee and the City through requisition certificates submitted to the Trustee in accordance with the Lease Agreement), inclusive of the acquisition costs stated in the first requisition, the Company shall make Additional PILOT Payments in an amount equal to the Investment Deficiency Percentage (calculated as shown below) multiplied by the Value of Abatement for the year in which the failure occurs and any subsequent year in which such failure persists as of September 30 of such year and during which the Exemption applies by virtue of City ownership. The Investment Deficiency Percentage shall be calculated, beginning at zero percent (0%) for compliance, in accordance with the following formula, with the result expressed as a percentage:

$$\text{Investment Deficiency Percentage} = (1 - (\text{certified Project Costs} / \$67,500,000)) \times 100.$$

(b) The Company shall pay to the City in each calendar year starting in 2027 and running to the end of the Abatement Period, an Additional PILOT Payment calculated in accordance with the following formula (provided that, if the formula results in a number less than or equal to zero, no Additional PILOT Payment shall be made in such year):

$$(1 - (50\% \times \frac{A}{B} + 50\% \times \frac{C}{D})) \times V = \text{Additional PILOT Payment}$$

- A** = highest number of Jobs during the 90-day period ending on September 30 of the calendar year in which the test is being performed, starting with September 30, 2027
- B** = 165 for all test dates to and including September 30, 2029, and 255 for all subsequent test dates
- C** = Actual average annual wage for such Jobs for the one-year period ending on September 30 of the calendar year in which the test is being performed
- D** = the amount equal to 62% of the County Average Wage, but not less than \$45,000
- V** = Value of Abatement

Notwithstanding the foregoing, upon recommendation of the City staff and certification by the Company that unforeseeable business conditions have caused the Company to employ fewer Jobs than projected at the time this Agreement was executed, the City Council may by ordinance waive the Additional PILOT Payments, or any portion thereof, otherwise required by this subsection.

(c) The Company shall pay to the City in each calendar year starting in 2030 and running to the end of the Abatement Period, an Additional PILOT Payment calculated in accordance with the following formula (provided that, if the formula results in a number less than or equal to zero, no Additional PILOT Payment shall be made in such year):

$$(1 - (\frac{A}{B})) \times V = \text{Additional PILOT Payment}$$

- A** = highest number of New Quality Jobs during the 90-day period ending on September 30 of the calendar year in which the test is being performed, starting with September 30, 2030
- B** = 6
- V** = Value of Abatement

(d) Each Additional PILOT Payment shall be due on December 1 of the year in which the failure giving rise to the Additional PILOT Payment occurs (and on December 1 of each subsequent year in which such failure persists as of September 30 of such year). In no event shall the sum of the Additional PILOT Payments payable under this Section, together with the PILOT Payments pursuant to **Section 3.2** hereof, for any given tax year exceed 100% of the Taxes Otherwise Due. Additional PILOT Payments shall not apply retrospectively to any years prior to the year in which a failure occurs and shall not accrue prospectively for future years based on current or past failures.

**Section 3.4. Obligation to Effect Tax Abatement.** The City agrees to take, at the Company's expense, all reasonable actions within its control to obtain and/or maintain in effect the Exemption, including any filing required with any governmental authorities; provided, however, the City shall not be liable for any failure of the County or any other governmental taxing authority to recognize the Exemption provided herein. The City covenants that it will not voluntarily take any action that may cause or induce the levy or assessment of ad valorem taxes on the Project. In the event such a levy or

assessment should occur, the City shall, at the Company's request and at the Company's expense, fully cooperate with the Company in all reasonable ways to prevent and/or remove any such levy or assessment against the Project.

**Section 3.5. Other Property Taxes in Connection with the Project; Credits.** The Exemption provided by the City's ownership of the Project shall apply to all interests in the Project during the period they are owned by the City. If any Property Taxes are levied by or on behalf of any taxing jurisdiction against any interest in the Project during the period the City owns the Project (including, without limitation, any ad valorem taxes levied against the Company's rights in the Lease Agreement), the amount of Property Tax payments related to such levy or levies that are paid by Company and received by the City, the County, or any other Missouri taxing jurisdiction shall be credited against and reduce on a dollar for dollar basis the amount payable by the Company to the City for PILOT Payments and Additional PILOT Payments pursuant to this Agreement. The Company shall be responsible for any taxes related to any interest in the improvements or equipment on the Project Site which the Company owns in its own name or possession of which is granted to the Company other than pursuant to the Lease Agreement. There shall be no reduction in PILOT Payments or Additional PILOT Payments for any sales taxes imposed by any governmental authority, including the Missouri Department of Revenue, in connection with the Company's acquisition of construction materials for the Project Improvements or the Company's acquisition of the Project Equipment.

**Section 3.6. Annual Jobs Report.** On or before November 15, 2027 and November 15 of each subsequent year until end of the Abatement Period, the Company shall provide to the City a completed Annual Jobs Report, in the form attached hereto as **Exhibit A**. A failure to provide any Annual Jobs Report in a timely fashion may result in an Event of Default as described in **Section 6.1(d)**.

**Section 3.7. No Abatement on Special Assessments, Licenses or Fees.** The City and the Company hereby agree that the Exemption described in this Agreement shall not apply to special assessments except to the extent that such are Property Taxes or are levied in lieu of Property Taxes ("Special Assessments") and shall not serve to reduce or eliminate any other licenses or fees owing to the City or any other taxing jurisdiction with respect to the Project so long as such special assessments, licenses or fees are not applied in a manner that discriminates against the Company on the basis of the tax abatement incentives received by the Company by virtue of the Exemption. The Company hereby agrees to make payments with respect to all Special Assessments, licenses and fees which would otherwise be due with respect to the Project if the Project were not owned by the City. Notwithstanding the foregoing, nothing herein shall waive the Company's right to any notice required under law or limit the ability of the Company from protesting any Special Assessments, licenses or fees.

**Section 3.8. Company's Right to Protest Taxes.** No provision of this Agreement shall be construed to limit or in any way restrict the availability of any provision of Missouri law which confers upon the Company the appeal, protest or otherwise contest any property tax valuation, assessment or classification of the Project. In addition, the parties agree that the Company may, in its own name or in the City's name, contest the validity or amount of any tax, assessment, valuation, or classification related to the Project. The City agrees, at the Company's expense, to cooperate fully with the Company in connection with any and all administrative or judicial proceedings related to any such tax, assessment, valuation, classification or other governmental charge relating to the Project.

**Section 3.9 Additional Personal Property.** The Company may acquire additional personal property on its own accord and such personal property need not be financed with the proceeds of the Bonds or become part of the Project Equipment and shall not be subject to the terms of this Agreement; provided, however, any such personal property shall be subject to ad valorem taxes.

**Section 3.10. PILOTS Following Cessation of Operations.** If for any reason the Company ceases operations of the Project during the term of this Agreement, the PILOTS set forth in **Section 3.2** shall be increased to 100% of the Taxes Otherwise Due for each year following such cessation of operations including the year of cessation of operations. “Ceases operations” or “cessation of operations” for the purpose of this paragraph means the Company completely vacates, abandons and permanently ceases operations for a period of 180 consecutive days during the term of this Agreement, unless the Project has been subject to a casualty and the Company is intending to rebuild the Project or the Company’s interest in this Agreement has been transferred pursuant to **Article V** hereof and the Project continues in operation thereafter. Such payment shall be made on or before December 1 in the year in which the cessation of operations occurs (but shall be prorated so that it commences only from and after the date upon which the cessation of operations begins) and on each December 1 thereafter for each year in which the cessation of operations continues but the Project is still titled in the name of the City. The Company shall not be required to pay any taxes previously abated prior to the date upon which the cessation of operations occurs.

## **ARTICLE IV**

The Company shall use the exemption certificate only for the purchase of construction materials to be incorporated into the Project on the Project Site and shall not use the exemption certificate for the purchase of any personal property other than construction materials. ## ARTICLE VIII

### MISCELLANEOUS PROVISIONS

**Section 8.1. Mutual Assistance.** The City and the Company agree to take such actions as may be necessary or appropriate to carry out the terms, provisions and intent of this Agreement and to aid and assist each other in carrying out said terms, provisions and intent.

**Section 8.2. Notices.** All notices, certificates or other communications required or desired to be given hereunder shall be given in the manner specified in the Indenture.

**Section 8.3. Severability; Effect of Invalidity.** If for any reason any provision of this Agreement shall be determined to be invalid or unenforceable, such invalid or unenforceable term will be deemed severed from this Agreement and the validity and enforceability of the other provisions hereof shall not be affected thereby (except in the event that the Exemption is determined to be invalid or unenforceable, then the provisions requiring any PILOT Payments or Additional PILOT Payments shall also be deemed invalid and unenforceable). If this Agreement, or any portion hereof, or any agreements related hereto, are determined to be invalid, the City may not recover or recapture any taxes subject to abatement as provided herein or benefits accruing to the Company prior to such determination if the Company has paid the PILOT Payments and Additional PILOT Payments due under this Agreement prior to such date.

**Section 8.6. Waiver.** The City and the Company acknowledge and agree that the amounts payable hereunder shall constitute payments due the City under the Lease Agreement executed in connection with the Bonds. The Company shall not be entitled to any extension of payment of such amounts as a result of a filing by or against the Company or any affiliate in any bankruptcy court.

**Section 8.7. Entire Agreement.** This Agreement, together with the Lease Agreement, the Indenture and any other documents entered into of even date herewith in connection with the issuance of the Bonds, constitute the entire agreement of the parties with respect to the subject matter hereof and supersede all prior agreements, representations, negotiations and understandings, both written and oral, between the City and the Company with respect to the subject matter hereof.

**Section 8.8. Electronic Storage.** The parties agree that the transaction described herein may be conducted and related documents may be stored by electronic means. Copies, telecopies, facsimiles, electronic files and other reproductions of original executed documents shall be deemed to be authentic and valid counterparts of such original documents for all purposes, including the filing of any claim, action or suit in the appropriate court of law.
