

Storm Drainage Letter
April 12, 2022
Chapel Ridge Lot 19 and 1-F
Lee's Summit, MO

The subject project Chapel Ridge Lot 19 and 1-F are part of a Regional Detention Plan. The proposed development on Lot 19 and 1-F is in conformance with the Approved Regional Detention Plan. The existing basin is located on Tract L, Chapel Ridge Business Park, which is generally located southwest of the proposed site. No further storm water improvements pertaining to attenuation are required for the proposed development.
