

**FIRST AMENDMENT TO THE  
SECOND AMENDED AND RESTATED  
LONGVIEW FARM  
TAX INCREMENT FINANCING PLAN**

**Lee's Summit, Missouri**

---

Approved March 2, 2017

Capitalized terms shall have the meaning set forth in Article II of the Second Amended and Restated Longview Farm Tax Increment Financing Plan (the “**Redevelopment Plan**”).

### **BACKGROUND**

The Redevelopment Plan was adopted by the Lee’s Summit City Council on December 21, 2015, by Ordinance No. 7778. The Redevelopment Area contains approximately 260 acres of land generally located southeast of the intersection of Northwest View High Drive and Southwest 3<sup>rd</sup> Street in northwestern Lee’s Summit. The Redevelopment Plan includes four activated Redevelopment Project Areas and TIF Revenues will continued to be collected in those areas for the purpose of funding the Historic Preservation Improvements until the expiration of each Redevelopment Project Area in accordance with the TIF Act.

### **SUMMARY OF THE FIRST AMENDMENT**

This First Amendment adds the North Arch to the definition of Historical Structures and amends the estimated Redevelopment Project Costs to include the costs associated with restoration of the North Arch. This First Amendment also adjusts the Exhibit 6 Budget to match the facts known at the time that the Tax Increment Financing Contract between the City and M-III Longview, LLC (the “**TIF Contract**”) was executed on December 1, 2016: (1) the Reimbursable Project Costs associated with the Show Horse Arena have been repaid in full and are now \$0; (2) the line-item for Farm Office and Dairy Manager’s House Rehabilitation has been adjusted to \$150,000; and (3) the addition of the Lake Rehabilitation to the Reimbursable Project Costs which may be funded pursuant to the “City Loan” (as defined in the TIF Contract). The cost of the North Arch rehabilitation which is set forth in the revised Exhibit 6 Budget is an estimate and the actual funding for the North Arch will be in accordance with the tax increment financing contract executed between the City and developer of record for the Redevelopment Plan.

### **REVISIONS TO THE PLAN**

The definition of Historic Structures in Section II.P. of the Second Amended and Restated Plan is hereby replaced with the following:

P. Historic Structures. The following structures located within the Redevelopment Area: Mansion, Pergola, Calf and Shelter Barn, Dairy Barn and Milk House, Farm Office, Dairy Manager's Office, and North Arch, including all surrounding grounds, support areas, Old Longview Lake and lakefront improvements.

At the time that this First Amendment is approved, a review of the estimated costs for the North Arch rehabilitation work has commenced but not completed by a consultant for the developer of record. The amount of the North Arch cost to be funded by the Redevelopment Plan will be based on the actual costs incurred pursuant to the terms and conditions of the TIF Contract.
