Mayor Baird noted this initiative received a lot of community feedback with many citizens expressing concerns going to a City-wide trash hauler. Because of this, council agreed that the citizens should be able to vote on the matter. As of now, the RFP process will go forward so pricing/costs can be determined and citizens have all the information for when they vote.

Michael Park, Director of Public Works, stated they should have the bid process complete by the end of January 2026 and will have those costs available.

Ballot options were discussed with November 2026 being the most favored.

Brian Head, City Attorney, will work with council for any legalities that may arise. The main date to note is the ballot certification for November 2026 is end of August 2026.

A Resolution will likely be drafted expressing the intent of the Council with an Ordinance to follow for an official determination of a ballot vote.
