Law enforcement agencies within the state of Missouri may perform a Missouri criminal record review for only open records through the central repository's automated criminal history system for the purpose of hiring of municipal or county governmental employees. A copy of the ordinance must be forwarded for approval to the Missouri state highway patrol prior to the submission of fingerprints to the central repository. The local or county law enforcement agency shall submit a set of fingerprints of the applicant or licensee, accompanied with the appropriate fees, to the central repository for the purpose of checking the person's criminal history under section 43.540. The set of fingerprints shall be used to search the Missouri criminal records repository and shall be submitted to the Federal Bureau of Investigation to be used for searching the federal criminal history files if necessary. The fingerprints shall be submitted on forms and in the manner prescribed by the Missouri state highway patrol.
