THIS PROFESSIONAL SERVICES AGREEMENT (this "Agreement") is entered into as of the Effective Date set forth below between the City of Lee's Summit, a Missouri municipal corporation (the "City"), and Britton Strategies, a company (the "Contractor"). The City and the Contractor are sometimes referred to individually as the "Party" and collectively as the "Parties".

RECITALS

A. The City issued a Request for Proposals, RFP #2025-075 Leadership Training (the "RFP"), a copy of which is on file with the Purchasing Division and incorporated herein by reference, seeking proposals from Contractors to provide Leadership Training Services (the "Services").

B. The Contractor responded to the RFP by submitting a proposal (the "Proposal"), and the City desires to enter into an Agreement with the Contractor for the Services.

AGREEMENT

NOW, THEREFORE, in consideration of the foregoing recitals, which are incorporated herein by reference, the following mutual covenants and conditions, and other good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, the City and the Contractor hereby agree as follows:

1. Recitals. The recitals set forth above and incorporated into this Agreement by reference and shall constitute a part of this Agreement.

2. Term of Agreement.

- a. Initial Term. This Agreement shall be effective from the Effective Date, and remain in full force and effect for two years thereafter (the "Initial Term"), unless terminated as otherwise provided herein.

3. Scope of Work. Contractor shall provide the Services as set forth in the Scope of Work, attached hereto as Exhibit A and incorporated herein by reference.

4. Compensation. The City shall pay Contractor for the Services at the rates set forth in the Fee Proposal, attached hereto as Exhibit B and incorporated herein by reference. The Contractor shall not commence any billable work or provide any Materials or Services under this Agreement until the Contractor receives an executed purchase order from the City.

5. Payments. The City shall pay the Contractor, upon completion and acceptance of work performed and completed, and upon submission and approval of invoices. All invoices shall document and itemize all work and shall include the Purchase Order number authorizing the transaction, if applicable, and shall be delivered to the City Accounts Payable address indicated on the face of the Purchase Order or email to ap@cityofls.net, unless otherwise specified. All transportation charges must be prepaid by the Contractor. If invoice is subject to a quick payment discount, the discount period will be calculated from the date of receipt of the claim Service or the Materials or the invoice, whichever is later. Invoice(s) must be submitted by July 31 for all work completed prior to June 30.

6. Safety Plan. Contractor shall provide the Services in accordance with a safety plan that is compliant with Occupational Safety and Health Administration ("OSHA"), American National Standards Institute and National Institute for Occupational Safety and Health standards. If, in the Contractor's sole determination, the Services to be

7. Documents. All documents, including any intellectual property rights thereto, prepared and submitted to the City pursuant to this Agreement shall be the property of the City.

8. Contractor Personnel. Contractor shall provide adequate, experienced personnel, capable of and devoted to the successful performance of the Services under this Agreement. Contractor agrees to assign specific individuals to key positions. If deemed qualified, the Contractor is encouraged to hire City residents to fill vacant positions at all levels. Contractor agrees that, upon commencement of the Services to be performed under this Agreement, key personnel shall not be removed or replaced without prior written notice to the City. If key personnel are not available to perform the Services for a continuous period exceeding thirty (30) calendar days, or are expected to devote substantially less effort to the Services than initially anticipated, Contractor shall immediately notify the City of same and shall, subject to the concurrence of the City, replace such personnel with personnel possessing substantially equal ability and qualifications.

9. Inspection; Acceptance. All work and services shall be subject to inspection and acceptance by the City at reasonable times during Contractor's performance. The Contractor shall provide and maintain a self-inspection system that is acceptable to the City.

10. Licenses; Materials. Contractor shall maintain in current status all federal, state, and local licenses and permits required for the operation of the business conducted by the Contractor. The City has no obligation to provide Contractor, its employees, or subcontractors any business registrations or licenses required to perform the specific services set forth in this Agreement. The City has no obligation to provide tools, equipment or material to Contractor.

11. Performance Warranty. Contractor warrants that the Services rendered will conform to the requirements of this Agreement and with the care and skill ordinarily used by members of the same profession practicing under similar circumstances at the same time and in the same locality.

12. Indemnification. To the fullest extent permitted by law, the Contractor shall indemnify, defend and hold harmless the City and each council member, officer, director, employee and agent thereof (the City and any such person being herein called an "Indemnified Party"), for, from and against any and all losses, claims, damages, liabilities, fines, penalties, judgments, costs and expenses (including, but not limited to, reasonable attorneys' fees, court costs and the costs of appellate proceedings) to which any such Indemnified Party may become subject, under any theory of liability whatsoever (collectively "Claims"), insofar as such Claims (or actions in respect thereof) relate to, arise out of, or are caused by or based upon the intentional, reckless, or negligent acts, misconduct, errors, directives, mistakes or omissions, in connection with the work or services of the Contractor, its officers, employees, agents, or any tier of subcontractor or person for which Contractor may be legally liable in the performance of this Agreement.

The amount and type of insurance coverage requirements set forth below will in no way be construed as limiting the scope of the indemnity in this Section.

13. Insurance.

13.1 General.

- A. Insurer Qualifications. Without limiting any obligations or liabilities of Contractor, Contractor shall purchase and maintain, at its own expense, hereinafter stipulated minimum insurance with insurance companies authorized to do business in the State of Missouri, with an AM Best, Inc. rating of A or above with policies and forms satisfactory to the City. Failure to maintain insurance as specified herein may result in termination of this Agreement at the City's option.
- B. No Representation of Coverage Adequacy. The City reserves the right to review any and all of the insurance policies and/or endorsements cited in this Agreement, but has no obligation to do so. Failure to demand

such evidence of full compliance with the insurance requirements set forth in this Agreement or failure to identify any insurance deficiency shall not relieve Contractor from, nor be construed or deemed a waiver of, its obligation to maintain the required insurance at all times during the performance of this Agreement.

- C. Additional Insured. All insurance coverage and self-insured retention or deductible portions, except Workers' Compensation insurance and Professional Liability insurance, if applicable, shall name and endorse, to the fullest extent permitted by law for claims arising out of the performance of this Agreement, the City, its agents, representatives, officers, directors, officials and employees as Additional Insured as specified under the respective coverage sections of this Agreement.
- D. Coverage Term. All insurance required herein shall be maintained in full force and effect until all work or services required to be performed under the terms of this Agreement are satisfactorily performed, completed and formally accepted by the City, unless specified otherwise in this Agreement.
- E. Primary Insurance. Contractor's insurance shall be, or be endorsed to indicate, its primary, non-contributory insurance with respect to performance of this Agreement and in the protection of the City as an Additional Insured. Such coverage shall be at least as broad as ISO CG 20 01 04 13.
- F. Claims Made. In the event any insurance policies required by this Agreement are written on a "claims made" basis, coverage shall extend, either by keeping coverage in force or purchasing an extended reporting option, for six (6) years past completion and acceptance of the services. Such continuing coverage shall be evidenced by submission of annual Certificates of Insurance citing applicable coverage is in force and contains the provisions as required herein for the six-year period.
- G. Waiver. All policies, except for Professional Liability, including Workers' Compensation insurance, shall contain a waiver of rights of recovery (subrogation) against the City, its agents, representatives, officials, officers and employees for any claims arising out of the work or services of Contractor. Contractor shall arrange to have such subrogation waivers incorporated into each policy via formal written endorsement.
- H. Policy Deductibles and/or Self-Insured Retentions. The policies set forth in these requirements may provide coverage that contains deductibles or self-insured retention amounts. Such deductibles or self-insured retention shall not be applicable with respect to the policy limits provided to the City. Contractor shall be solely responsible for any such deductible or self-insured retention amount.
- I. Automatic Escalator. The limits of liability for each policy coverage amount stated below shall be automatically adjusted upward as necessary to remain at all times not less than the maximum amount of liability set forth in Chapter 537.610 RSMo. applicable to political subdivisions pursuant to 537.600; provided that nothing herein or in any such policy shall be deemed to waive the City's sovereign immunity. The statutory waiver of sovereign immunity for 2024 is \$3,370,137 for all claims arising out of a single accident or occurrence
- J. Use of Subcontractors. If any work under this Agreement is subcontracted in any way, Contractor shall either cover all sub-contractors in the Contractor's liability insurance policy or execute written agreements with its subcontractors containing the indemnification provisions set forth in this Section and insurance requirements set forth herein protecting the City and Contractor. Contractor shall be responsible for executing any agreements with its subcontractors and obtaining certificates of insurance verifying the insurance requirements.
- K. Notice of Claim. Contractor shall upon receipt of notice of any claim in connection with this Agreement promptly notify the City, providing full details thereof, including an estimate of the amount of loss or liability. Contractor shall also promptly notify the City of any reduction in limits of protection afforded under any policy listed in the certificate(s) of insurance in an amount such that the policy aggregate becomes less than the current statutory waiver of sovereign immunity, regardless of whether such impairment is a result of this Agreement. A breach of this provision is a material breach of the Agreement.

Evidence of Insurance. Prior to commencing any work or services under this Agreement, Contractor will provide the City with suitable evidence of insurance in the form of certificates of insurance and a copy of the declaration page(s) of the insurance policies as required by this Agreement, issued by Contractor's insurance insurer(s) as evidence that policies are placed with acceptable insurers as specified herein and

provide the required coverages, conditions and limits of coverage specified in this Agreement and that such coverage and provisions are in full force and effect. The City may reasonably rely upon the certificates of insurance and declaration page(s) of the insurance policies as evidence of coverage but such acceptance and reliance shall not waive or alter in any way the insurance requirements or obligations of this Agreement. If any of the policies required by this Agreement expire during the life of this Agreement, Contractor shall forward renewal certificates and declaration page(s) to the City thirty (30) days prior to the expiration date. All certificates of insurance and declarations required by this Agreement shall be identified by referencing number and title of this Agreement. Additionally, certificates of insurance and declaration page(s) of the insurance policies submitted without a reference to this Agreement, as applicable, will be subject to rejection and may be returned or discarded.

Certificates of insurance and declaration page(s) shall specifically include the following provisions:

14. Termination; Cancellation.

14.1 For City's Convenience. This Agreement is for the convenience of the City and, as such, may be terminated without cause after receipt by Contractor of written notice by the City. The Notice of Termination shall specify the effective date of termination, which shall be not less than five (5) calendar days from the date the notice is personally delivered or ten (10) days from the date the Notice of Termination is sent by another method. Upon termination for convenience, Contractor shall be paid, for all undisputed materials or services that were delivered prior to the termination date.

14.2 For Cause. If either Party fails to perform any obligation pursuant to this Agreement and such Party fails to cure its nonperformance within thirty (30) calendar days after notice of nonperformance is given by the non-defaulting Party, such Party will be in default. In the event of such default, the non-defaulting Party may terminate this Agreement immediately for cause and will have all remedies that are available to it at law or in equity including, without limitation, the remedy of specific performance. If the nature of the defaulting Party's nonperformance is such that it cannot reasonably be cured within thirty (30) calendar days, then the defaulting Party will have such additional periods of time as may be reasonably necessary under the circumstances, provided the defaulting Party immediately (1) provides written notice to the non-defaulting Party and (2) commences to cure its nonperformance and thereafter diligently continues to completion the cure of its nonperformance. In no event shall any such cure period exceed ninety (90) calendar days. In the event of such termination for cause, payment shall be made by the City to the Contractor for the undisputed portion of its fee due as of the termination date.

The City shall have the right to declare the Contractor in default for the following reasons, which set forth examples, but are not the only reasons the Contractor may be declared in default:

- 1. Upon a breach by the Contractor of a material term or condition of this Agreement, including unsatisfactory performance of the services;
- 2. Upon insolvency or the commencement of any proceeding by or against the Contractor, either voluntarily or involuntarily, under the Bankruptcy Code or relating to the insolvency, receivership, liquidation, or

composition of the Contractor for the benefit of creditors;

3. If the Contractor refuses or fails to proceed with the services under the Agreement when and as directed by the City;
4. If the Contractor or any of its officers, directors, partners, five percent (5%) or greater shareholders, principals, or other employee or person substantially involved in its activities are indicted or convicted after execution of the Agreement under any state or federal law of any of the following:
 - a. a criminal offense incident to obtaining or attempting to obtain or performing a public or private Agreement;
 - b. fraud, embezzlement, theft, bribery, forgery, falsification, or destruction of records, or receiving stolen property;

14.3 Gratuities. The City may, by written notice to the Contractor, cancel this Agreement if it is found by the City that gratuities, in the form of economic opportunity, future employment, entertainment, gifts or otherwise, were offered or given by the Contractor or any agent or representative of the Contractor to any officer, agent or employee of the City for the purpose of securing this Agreement. In the event this Agreement is canceled by the City pursuant to this provision, the City shall be entitled, in addition to any other rights and remedies, to recover and withhold from the Contractor an amount equal to 150% of the gratuity.

14.4 Agreement Subject to Appropriation. The City is obligated only to pay its obligations set forth in the Agreement as may lawfully be made from funds appropriated and budgeted for that purpose during the City's then current fiscal year. The City's obligations under this Agreement are current expenses subject to the "budget law" and the unfettered legislative discretion of the City concerning budgeted purposes and appropriation of funds. Should the City elect not to appropriate and budget funds to pay its Agreement obligations, this Agreement shall be deemed terminated at the end of the then-current fiscal year term for which such funds were appropriated and budgeted for such purpose and the City shall be relieved of any subsequent obligation under this Agreement. The Parties agree that the City has no obligation or duty of good faith to budget or appropriate the payment of the City's obligations set forth in this Agreement in any budget in any fiscal year other than the fiscal year in which the Agreement is executed and delivered. The City shall be the sole judge and authority in determining the availability of funds for its obligations under this Agreement. The City shall keep Contractor informed as to the availability of funds for this Agreement. The obligation of the City to make any payment pursuant to this Agreement is not a general obligation or indebtedness of the City. Contractor hereby waives any and all rights to bring any claim against the City from or relating in any way to the City's termination of this Agreement pursuant to this section.

14.5 Conflict of Interest. No salaried officer or employee of the City and no member of the City Council shall have a financial interest, direct or indirect, in this Agreement, and any violation of this provision renders the Agreement

void. The parties shall comply with all federal conflict of interest statutes and regulations, and all applicable provisions of Sections 105.450, *et. seq.* RSMo. Contractor covenants that it presently has no interest and shall not acquire any interest, direct or indirect, which would conflict in any manner or degree with the performance of Services to be performed under this Agreement. Contractor further covenants that in the performance of this Agreement no person having such interest shall be employed.

15. Miscellaneous.

15.1 Independent Contractor. It is clearly understood that each party will act in its individual capacity and not as an agent, employee, partner, joint venture, or associate of the other. An employee or agent of one party shall not be deemed or construed to be the employee or agent of the other for any purpose whatsoever. Contractor acknowledges and agrees that all services provided under this Agreement are being provided as an independent contractor, not as an employee or agent of the City. Contractor, its employees and subcontractors are not entitled to workers' compensation benefits from the City. The City does not have the authority to supervise or control the actual work of Contractor, its employees or subcontractors. Contractor is neither prohibited from entering into other Agreements nor prohibited from practicing its profession elsewhere. City and Contractor do not intend to nor will they combine business operations under this Agreement.

15.2 Applicable Law; Venue. This Agreement shall be governed by the laws of the State of Missouri, and a suit pertaining to this Agreement may be brought only in courts in eastern Jackson County, Missouri. The Parties expressly and irrevocably consent to the exclusive jurisdiction and venue of such courts and expressly waive the right to transfer or remove any such action.

15.3 Laws and Regulations. Contractor shall comply with all federal, state, and local laws, regulations, and ordinances applicable to its performance under this Agreement. The Contractor shall include similar requirements of all subcontractors in Agreements entered for performance of Contractor's obligations under this Agreement. Contractor shall keep fully informed and shall at all times during the performance of its duties under this Agreement ensure that it and any person for whom the Contractor is responsible abides by, and remains in compliance with, all rules, regulations, ordinances, statutes or laws affecting the Services, including, but not limited to, the following: (1) existing and future City and County ordinances and regulations; (2) existing and future State and Federal laws and regulations; and (3) existing and future Occupational Safety and Health Administration standards.

15.4 Amendments. This Agreement may be modified only by a written amendment signed by persons duly authorized to enter into Agreements on behalf of the City and the Contractor.

15.5 Provisions Required by Law. Each and every provision of law and any clause required by law to be in the Agreement will be read and enforced as though it were included herein and, if through mistake or otherwise any such provision is not inserted, or is not correctly inserted, then upon the application of either Party, the Agreement will promptly be physically amended to make such insertion or correction.

15.6 Severability. The provisions of this Agreement are severable to the extent that any provision or application held to be invalid by a Court of competent jurisdiction shall not affect any other provision or application of the Agreement which may remain in effect without the invalid provision or application.

15.7 Entire Agreement; Interpretation; Parol Evidence. This Agreement represents the entire agreement of the Parties with respect to its subject matter, and all previous agreements, whether oral or written, entered into prior to this Agreement are hereby revoked and superseded by this Agreement. No representations, warranties, inducements or oral agreements have been made by any of the Parties except as expressly set forth herein, or in any other contemporaneous written agreement executed for the purposes of carrying out the provisions of this Agreement. This Agreement shall be construed and interpreted according to its plain meaning, and no presumption shall be deemed to apply in favor of, or against the Party drafting the Agreement. The Parties acknowledge and agree that each has had the opportunity to seek and utilize legal counsel in the drafting of, review of, and entry into this Agreement.

- 15.8 Assignment; Delegation. No right or interest in this Agreement shall be assigned or delegated by Contractor without prior, written permission of the City, signed by the City Manager. Any attempted assignment or delegation by Contractor in violation of this provision shall be a breach of this Agreement by Contractor. The requirements of this Agreement are binding upon the heirs, executors, administrators, successors, and assigns of both Parties.
- 15.9 Subcontracts. No subcontract shall be entered into by the Contractor with any other Party to furnish any of the material or services specified herein without the prior written and signed approval of the City. The Contractor is responsible for performance under this Agreement whether or not subcontractors are used. Failure to pay subcontractors in a timely manner pursuant to any subcontract shall be a material breach of this Agreement by Contractor.
- 15.10 Rights and Remedies. No provision in this Agreement shall be construed, expressly or by implication, as waiver by the City of any existing or future right and/or remedy available by law in the event of any claim of default or breach of this Agreement. The failure of the City to insist upon the strict performance of any term or condition of this Agreement or to exercise or delay the exercise of any right or remedy provided in this Agreement, or by law, or the City's acceptance of and payment for services, shall not release the Contractor from any responsibilities or obligations imposed by this Agreement or by law, and shall not be deemed a waiver of any right of the City to insist upon the strict performance of this Agreement.
- 15.11 Offset for Damages. In addition to all other remedies at law or equity, the City may offset from any money due to the Contractor any amounts Contractor owes to the City for damages resulting from breach or deficiencies in performance or breach of any obligation under this Agreement.
- 15.12 Notices and Requests. Any notice or other communication required or permitted to be given under this Agreement shall be in writing and shall be deemed to have been duly given if (1) delivered to the Party at the address set forth below, (2) deposited in the U.S. Mail, registered or certified, return receipt requested, to the address set forth below or (3) given to a recognized and reputable overnight delivery service, to the address set forth below:

If a copy of a notice is also given to a Party's counsel or other recipient, the provisions above governing the date on which a notice is deemed to have been received by a Party shall mean and refer to the date on which the Party, and not its counsel or other recipient to which a copy of the notice may be sent, is deemed to have received the notice.

- 15.13 Force Majeure. The Parties shall be excused from performance during the time and to the extent that they are prevented from obtaining, delivering, or performing for reasons beyond the Parties' reasonable control, including without limitation, by act of God, public health emergency, natural disaster fire, strike, loss or shortage of transportation facilities, lock-out, commandeering of materials, products, plants or facilities by the government, and any other events or circumstances beyond the reasonable control of the party, when satisfactory evidence is presented to the City, provided that it is satisfactorily established that the non-performance is not due to the fault or neglect of the Party not performing.
- 15.14 Confidentiality of Records. The Contractor shall establish and maintain procedures and controls that are acceptable to the City for the purpose of ensuring that information contained in its records or obtained from the City or from others in carrying out its obligations under this Agreement shall not be used or disclosed by it, its agents, officers, or employees, except as required to perform Contractor's duties under this Agreement. Persons requesting such information should be referred to the City. Contractor also agrees that any information pertaining to individual persons shall not be divulged other than to employees or officers of Contractor as needed for the performance of duties under this Agreement. Contractor shall ensure its subcontractors are aware of and comply with this provision.
- 15.15 Information Technology
- a. Limited Access. If necessary for the fulfillment of the Agreement, the City may provide the Contractor with non-exclusive, limited access to the City's information technology infrastructure. The Contractor understands and agrees to abide by all the City policies, standards, regulations and restrictions regarding access and usage of the City's information technology infrastructure. The Contractor shall enforce all such policies, standards, regulations and restrictions with all the Contractor's employees, agents or any tier of subcontractor granted access in the performance of this Agreement, and shall be granted and authorize only such access as may be necessary for the purpose of fulfilling the requirements of the Agreement.
 - b. Data Confidentiality: All data, regardless of form, including originals, images and reproductions, prepared by, obtained by or transmitted to the Contractor in connection with this Agreement is confidential, proprietary information owned by the City. Except as specifically provided in this Agreement, the Contractor shall not shall not, without the prior, written consent of the City Manager or authorized designee, (A) disclose data generated in the performance of the Services to any third party or (B) use City data and information.
 - c. Data Security. Personal identifying information, financial account information, or restricted City information, whether electronic format or hard copy, must be secured and protected at all times to avoid unauthorized access. At a minimum, the Contractor must encrypt and/or password-protect electronic files. This includes data saved to laptop computers, computerized devices or removable storage devices. When personal identifying information, financial account information, or restricted City information, regardless of its format, is no longer necessary or this Agreement is terminated (whichever occurs first), the information must be redacted or destroyed through appropriate and secure methods that ensure the information cannot be viewed, accessed or reconstructed. Before the information discussed in this subsection is destroyed, the Contractor shall send a copy of such information to the City in a format specified by the City.
 - d. Compromised Security. In the event that data collected or obtained by the Contractor in connection with this Agreement is believed to have been compromised, the Contractor shall notify the City Manager, or authorized designee, immediately. The Contractor agrees to reimburse the City for any costs incurred by the City to investigate potential breaches of this data and, where applicable, the cost of notifying individuals who may be impacted by the breach.
 - e. Permitted Access. The Contractor's employees, agents and subcontractors must receive prior, written approval from the City before being granted access to the City's information technology infrastructure and data and the City, in its sole determination, shall determine accessibility and limitations thereto. The Contractor agrees that the requirements of this Section shall be incorporated into all subcontractor/subcontractor Agreements entered into by the Contractor. It is further agreed that a violation of this Section shall be deemed to cause irreparable harm that justifies injunctive relief in court. A violation of this Section may result in immediate termination of this Agreement without notice.

15.17 Conflicting Terms. In the event of any inconsistency, conflict or ambiguity among the terms of this Agreement, the Scope of Work, any City-approved Purchase Order or Work Order, the Fee Proposal, the RFP and the Contractor's Proposal, the documents shall govern in the order listed herein.

Notwithstanding the foregoing, unauthorized exceptions, conditions, limitations or provisions in conflict with the terms of this Agreement (collectively, the "Unauthorized Conditions"), other than the City's project-specific quantities, configurations or delivery dates, are expressly declared void and shall be of no force and effect. Acceptance by the City of any invoice containing any such Unauthorized Conditions or failure to demand full compliance with the terms and conditions set forth in this Agreement shall not alter or relieve Contractor from, nor be construed or deemed a waiver of, its requirements and obligations in the performance of this Agreement. If the Agreement is renewed pursuant to Section 1 above and such renewal includes any conflicting terms, other than price, those terms will be null and void unless amended as set forth in this Agreement.
