

*Lee's Summit Downtown Market Plaza, Lots 1-4*

## Dedication

The undersigned proprietor of the above described tract of land has caused the same to be subdivided in the manner shown on the accompanying Plat, which subdivision shall be hereafter known as "Lee's Summit Downtown Market Plaza, Lots 1-4".

An easement or license is hereby granted to the City of Lee's Summit, Missouri, to locate, construct and maintain, or to authorize the location, construction and maintenance of poles, wires, anchors, conduits, and/or structures for water, gas, sanitary sewer, storm sewer, surface drainage channel, electricity, telephone, cable television, or any other necessary public utility or services, any or all of them, upon, over, or under those areas outlined or designated upon this plat as "Utility Easement" (U/E) or within any street or thoroughfare dedicated to public use on this plat.

An easement or license is hereby granted to the City of Lee's Summit, Missouri, to locate, construct and maintain, or to authorize the location, construction and maintenance of structures for sanitary sewer, upon, over, or under those areas outlined or designated upon this plat as "Sanitary Sewer Easement" (S/E) or within any street or thoroughfare dedicated to public use on this plat.

An easement or license is hereby granted to the City of Lee's Summit, Missouri, to locate, construct and maintain, or to authorize the location, construction and maintenance of structures for water lines, upon, over or under those areas outlined or designated upon this plat as "Water Line Easement" (W/E) or within any street or thoroughfare dedicated to public use on this plat.

An easement to provide pedestrian access to and from the property is hereby established over the area shown as "Ingress / Egress" or by the abbreviation "I.E." for the mutual benefit of the present and future owners of the properties, their mortgagees, tenants and business invitees. All previous ingress / egress easements which were created through the approval of previous plats on the properties on this plat have been or will be vacated according to applicable legal requirements, and such prior easements are hereby superseded and replaced by the ingress / egress easements created by this plat.

*The sanitary, storm, and water utilities not installed within the utility easements, and contained within this plat, are private utilities and shall be owned and maintained by the property owner.*

Roads, streets and drives shown on this plat and not heretofore dedicated to public use as thoroughfares are hereby so dedicated.

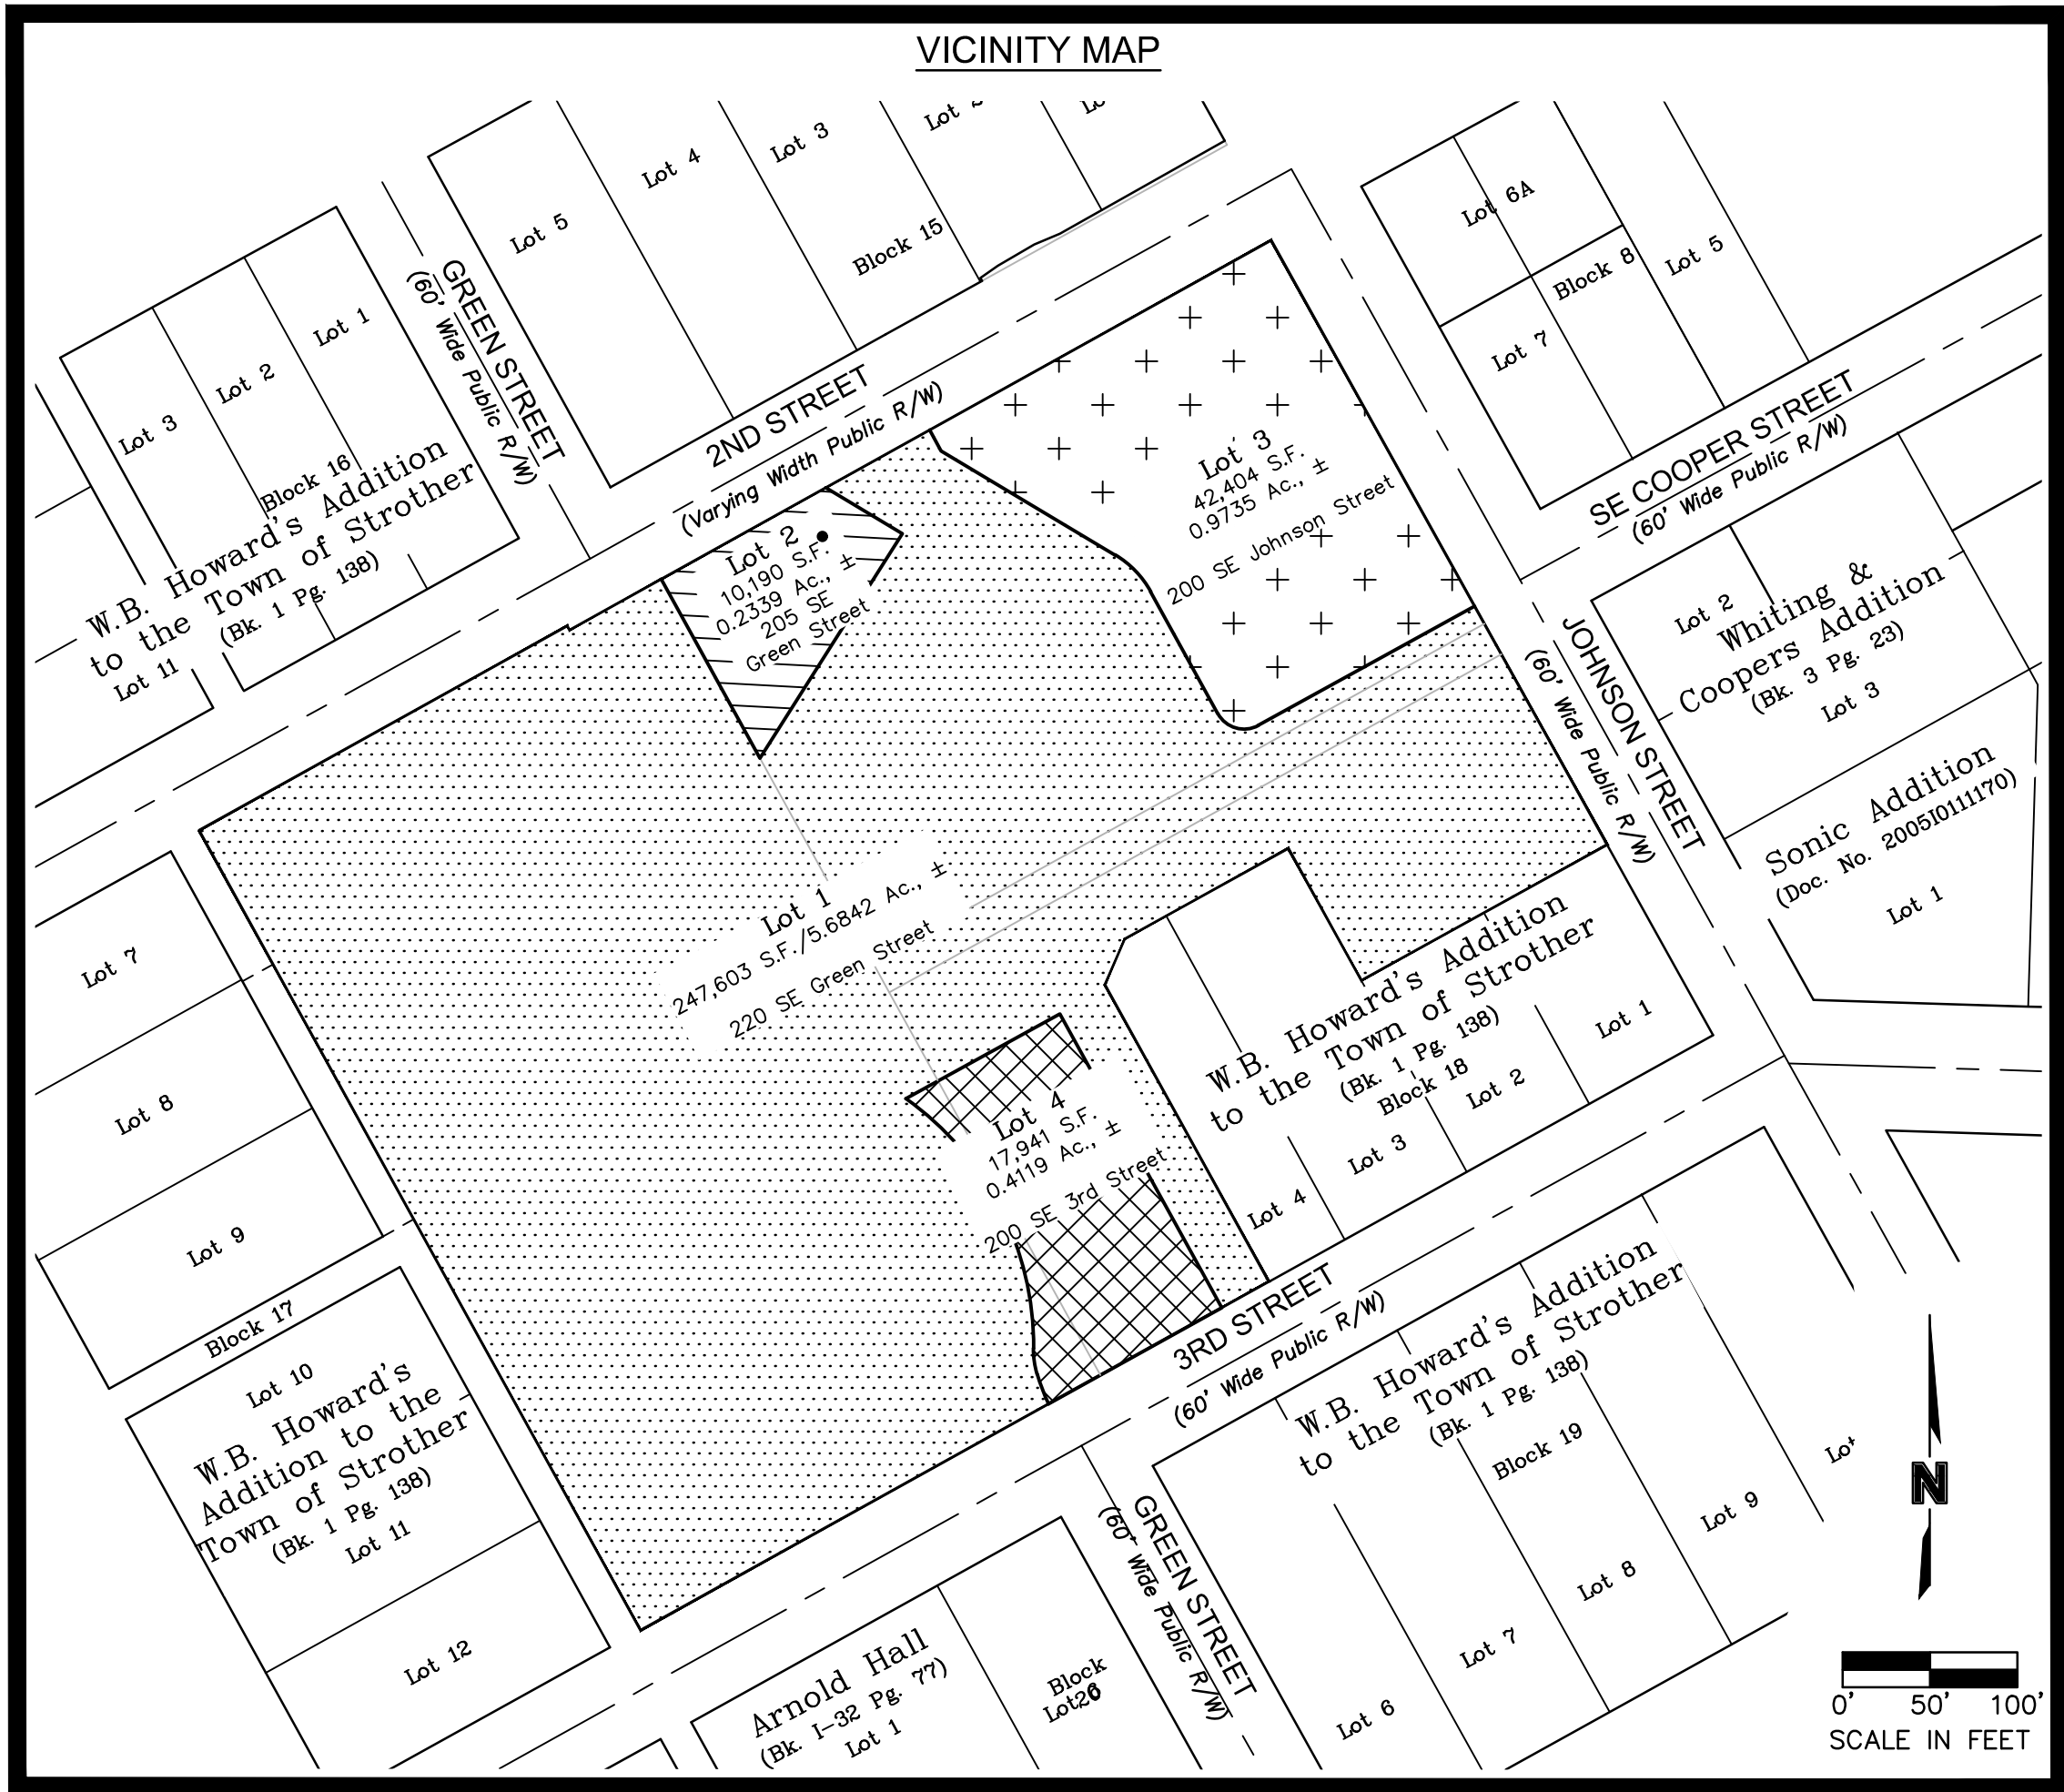

It is the intent of the City that the City's interest in all easements, rights of way and licenses which are created by this plat and held by the City in all or any portion of the premises shall not be merged with the City's fee simple ownership of such property, but shall each remain a separate and distinct property interest of the City upon transfer of ownership of any lot, tract or portion of this plat from the City to another party.

### Building Lines

*Building lines or setback lines are hereby established, as shown on the accompanying plat, and no building or portion thereof shall be built between this line and the lot line nearest thereto.*

All storm water conveyance, retention, or detention facilities to be located within this plat shall be owned and maintained by the property owners' association in accordance with the standards set forth in the covenants, conditions, and restrictions. These stormwater detention facilities shall be inspected by the property owners' association on the frequency specified in the current City of Lee's Summit Design and Construction Manual, to assure that all inlet and outlet structures are fully-functional, the detention basin has full storage capacity and all landscaping, vegetation and structural improvements are being maintained in accordance with the current City of Lee's Summit Property Maintenance Code.

*Lots 2, 3 and 4 shall have access to public rights of way via internal private drives located within Lot 1.*
