This is a quotation on the goods named, subject to the conditions noted below:

Unless otherwise provided: This quote is in US Dollars; shipping terms are EX WORKS for domestic and international shipments; all prices are exclusive of shipping costs, insurance, custom clearance and any applicable Taxes of any kind; all price quotations are valid for 90 days. Published list prices are subject to change without notice. Due to a policy of continuous product improvement, ICOR reserves the right to change specifications and appearance without notice. Please reference the invoice number on your cheque and remit to ICOR Technology Inc. 935 Ages Drive, Ottawa, Ontario K1G 6L3 Canada. The CALIBER® Robot (including the MK3, T5, Mini, and MK4) contains up to 35% US-source materials and are ITAR export license free and not subject to AECA or EAR regulations. The CALIBER® Robot is a Controlled Good, and requires an Export Permit for international shipping in accordance with the *Export and Import Permits Act (R.S.C., 1985, c. E-19)*. Failure to perform due to the action or inaction of the Government of Canada will be considered Force Majeure, and, ICOR is not responsible for any penalties, fees, liquidated damages, etc. **Some or all of the quoted items are eligible for purchase through GSA's Cooperative Purchasing Program and 1122 Program for State and Local Law Enforcement. Please consult with your purchasing department to determine the optimal purchasing vehicle and notify your ICOR Sales Representative to make any changes necessary. ICOR's GSA Contract Number is: GS-07F-0430V**

DISCLAIMER REGARDING DISRUPTER MOUNT CONFIGURATIONS: ICOR Technology is a robot manufacturer and do not make disrupters. The end-user must consult with the disrupter manufacturer for complete instructions on loading, operation, maintenance and firing procedures. ICOR recommends that the end-user takes disrupter training from the manufacture before firing the weapon off of the robot. USE AT OWN RISK. ANY POTENTIAL DAMAGES TO THE ROBOT AS A RESULT OF USING A DISRUPTER ARE NOT COVERED UNDER WARRANTY. AS PER ICOR'S LIMITED WARRANTY, WARNING AND LIMITATION OF LIABILITY DOCUMENT, ICOR SHALL BE HELD HARMLESS TO ANY LOSS OR INJURY AS RESULT OF USING DISRUPTERS ON THE ROBOT.

***NOTICE OF COVID-19 MANUFACTURING AND SHIPPING DELAY**

The COVID -19 pandemic has posed unprecedented problems to the worldwide supply chain network, causing delays in the delivery of critical components needed to build CALIBER® robots. ICOR's top priority is to build and deliver robots according to the order acknowledgement's timelines; nevertheless, we cannot be held liable for delays caused by restricted air cargo capacity and overburdened global logistics networks.
