RE: Notice of Intent to Provide City Wide Solid Waste Collection Services

Dear Mr. Babcock:

In accordance with Section 260.247 of the Missouri Revised Statutes, the City of Lee's Summit hereby submits the required 2-year notice of its intent to provide city wide solid waste collection services. A copy of Section 260.247 is attached. If the City ultimately decides to provide solid waste collection services, it would be the only provider of such services within the corporate boundaries of the City. Your company will be notified should the City develop a Request for Proposal (RFP) for such services.

Questions can be addressed to the Environmental Coordinator, Kara Taylor at (816) 969-1804.

Sincerely,

A handwritten signature in black ink, appearing to read "Stephen Arbo", is written over a horizontal line.

Stephen Arbo
City Manager
