Why interested: I have a passion for the city of Lee's Summit. My family moved to Lee's Summit in the late 70's and I have been an active member of the community to help make sure that it remains a quality, family based community where people love to live. I enjoy giving my time and effort to a necessary cause. As a current Lee's Summit resident both at home and business, it would be an honor to help see that our Parks and Recreation continues it's steady growth and beautification process. Public speaking and/or community gathering and support along with new social media would be something that I feel I could help bring to the Board.

Other participation: I am a member of the Downtown Lee's Summit Main Street, enjoy volunteering at the Oktoberfest events, former Chair of the Lee's Summit Chamber of Commerce Young Professionals, current member of the Board of Directors for the Lee's Summit Chamber of Commerce, active in softball leagues at Frank White Fields during the Spring-Fall seasons with the Parks and Recreation, a member of Lee's Summit Cares organization, active parishioner at Our Lady of the Presentation church and a volunteer for a local non-profit organization (Blue Monday) for families who have been affected by cancer.
