Brent,

Thank you for the opportunity to supply you with Sourcewell pricing for an Envirosight HDL Rovver X camera system mounted into a Ford Transit van. The Rovver X is unequalled in performance, capability, expandability and reliability by having little resistance in the pipe allowing quick, accurate, state of the art reporting capabilities. It is simple yet powerful and is raising the bar and setting the standard for underground inspection systems.

#### **Equipment to be installed in Van with stated options**

##### **Description**
