- The application must include the exact legal description of the property upon which the variance is being requested.
- The application shall be accompanied by at least one set of drawings to clearly indicate the requested variance in relation to the property and/or structures. If the drawings are larger than 11" by 17", a smaller copy of the drawings shall also be provided.**

case to the Board, **FULLY** describing the situation and the variance criteria (see Statement of Variance Criteria).

- Any evidence presented to the Board will become public record and must be provided in duplicate to the City or tagged as an exhibit at the hearing.

### Board's Authority

- The Board of Zoning Adjustment may grant a variance, only if application of the UDO when applied to a particular property, would significantly interfere with the use of the property.
- The Board's authority is limited by the statutes of the State of Missouri and the UDO. The Board may only grant a variance if, in its discretion, each of the variance criteria is met (See Statement of Variance Criteria). **It is the applicant's responsibility to demonstrate to the Board that each of these criteria have been met.** The Board may evaluate the evidence in the record before it, and exercise its discretion on whether each of these criteria has been met on a case by case basis.

**THIS APPLICATION MUST BE ACCOMPANIED BY:**

- Acknowledgement of the Board of Adjustment Process.
- One set of drawings to clearly indicate the requested variance in relation to the property and/or structures. These could include plot plan, plat, site plan, survey and/or building elevation(s).  
**(Note: These drawings must be able to be clearly read as well as being reproduced. If the drawings are larger than 11" by 17", a smaller copy of the drawings shall also be provided.)**
- Statement of Non-use Variance Criteria.
- Application filing fee and legal notice publishing charge, payable to the City of Lee's Summit - see Schedule of Fees and Charges found on [www.cityofls.net](http://www.cityofls.net). One legal notice is required for a variance. A single payment covering the application fee and legal notice charge may be accepted. ## STATEMENT OF VARIANCE CRITERIA (NON-USE)

In accordance with Section 2.530.B.3 of the Lee's Summit Unified Development Ordinance, the applicant must meet each of the following requirements to support the granting of the requested variance. **Failure to complete each may result in an incomplete application.** Explain **IN DETAIL** how this application meets each of the following requirements.

1. The granting of the variance will not adversely affect the rights of adjacent property owners or residents.

Proposed garage is of a style consistent with adjacent homes. Siting of the garage is  
consistent with the setback from NE Saint Andrews Circle. The location for the garage is  
rearward of the Bowlin Reservoir. Most of this property is very steep, and not readily usable.

2. The granting of the variance will not be opposed to the general spirit and intent of the ordinance from which the variance is sought.

The uniquely large lot adjacent to Bowlin Reservoir and steep grade  
present a unique circumstance that make application of the ordinance  
untenable.

3. The variance requested will not adversely affect the public health, safety, morals, or general welfare of the community.

No impact to the public right of way due to the location of the garage.

4. The variance requested arises from a condition which is unique and peculiar to the property in question and which is not ordinarily not found in the same zone or district, and further, is not created by an action or actions of the property owner or applicant.

## STATEMENT OF VARIANCE CRITERIA (NON-USE)

Subject property is irregular with the majority of the property located behind the Bowlin Reservoir.

---

5. Substantial justice will be done by the granting of this variance.

The property is able to be fully utilized since the significant steep terrain to the rear of the property  
(adjacent to Lakewood Lake).

---

Further, in accordance with Section 2.530.B.2 of the Lee's Summit Unified Development Ordinance, the applicant must meet each of the following requirements to support the granting of the requested non-use variance. Explain **IN DETAIL** how this application meets each of the following requirements.

1. Practical difficulties exist that would make it impossible to carry out the strict letter of the Unified Development Ordinance when considered in light of the following factors:

a. How substantial the requested variation is, in relation to the requirement of the Ordinance.

---

The variance will not substantially affect the protected interests of

---

the ordinance

---

b. The effect of increased population density, if any, on available public facilities and services, if the variance is allowed.

---

No increase to density proposed. Property is single family.

---

c. Whether a substantial change will be produced in the character of the neighborhood, or whether a substantial detriment to adjoining properties will be created if the variance is allowed.

---

The proposed garage is 240 feet from the road and will not present

---

as being in front of the dwelling

---

## STATEMENT OF VARIANCE CRITERIA (NON-USE)

- d. Whether it is feasible for the applicant to pursue a method, other than a variance, to obviate the practical difficulty.

The existing topography prevents the usage of the portion of the property  
behind the Dwelling.

- e. Whether the interests of justice will be served by allowing the variance, in view of the manner in which the practical difficulty arose in consideration of all of the above factors.

The full usage of the property

- f. Conditions of the land in question, and not conditions personal to the landowner. (The Board will not consider evidence of the applicant's or landowner's personal financial hardship unrelated to any economic impact on the land.)

7.97 Tract with existing single family dwelling approximately 400 feet setback from roadway. Wooded acreage, heavily treed.
