Any price adjustment will be effective upon the effective date of the contract Renewal Term.
- e. **Non-Default.** By requesting extension for a Renewal Term as set forth above, or by consenting to a Renewal Term in any manner, Vendor shall be deemed to affirmatively assert that (i) the City is not currently in default, nor has been in default at any time prior to the Renewal Term, under any of the terms or conditions of the Contract and (ii) any and all Vendor claims, known and unknown, relating to the Contract and existing on or before the commencement date of the Renewal Term are forever waived.

If such changes cause an increase or decrease in the amount due under the Purchase Order, or in the time required for Vendor's performance, an acceptable adjustment shall be made and the Purchase Order shall be modified in writing accordingly. Vendor shall submit the adjusted price, if any, in writing to the City within 10 Days from when the change is ordered. Should a Purchase Order be canceled, the City may, but is not required to, reimburse the Vendor, but only for actual and documentable costs incurred by the Vendor due to and after issuance of the Purchase Order. Services failing to conform to the Specifications of this Contract will be held at Vendor's risk and may be returned to the Vendor. Upon discovery of a non-conforming Service, the City may elect to do any or all of the following by written notice to the Vendor: (A) waive the non-conformance; (B) stop the use of the non-conforming Service immediately; or (C) bring Service into compliance and withhold the cost of same from any payments due to the Vendor.
- 3.9 **No Replacement of Defective Delivery.** Every delivery of Services shall fully comply with all provisions of the Contract and any resulting order. If a delivery is made which does not fully conform, this shall constitute a breach of the Contract as a whole.
- 3.10 **Right to Assurance.** Whenever one party to this Contract has a good faith reason to question the other party's intent to perform, such party may demand that the other party give a written assurance of its intent to perform. In the event that a demand is made and no written assurance is given within five (5) Days, the demanding party may treat this failure as an anticipatory repudiation of the Contract.

Failure to maintain insurance as specified herein may result in termination of this Contract at the City's option.
- ii. **No Representation of Coverage Adequacy.** By requiring insurance herein, the City does not represent that coverage and limits will be adequate to protect Vendor. The City reserves the right to review any and all of the insurance policies and/or endorsements cited in this Contract but has no obligation to do so. Failure to demand such evidence of full compliance with the insurance requirements set forth in this Contract or failure to identify any insurance deficiency shall not relieve Vendor from, nor be construed or deemed a waiver of, its obligation to maintain the required insurance at all times during the performance of this Contract.
- iii. **Additional Insured.** All insurance coverage and self-insured retention or deductible portions, except Workers' Compensation insurance and Professional Liability insurance, if applicable, shall name and endorse, to the fullest extent permitted by law for claims arising out of the performance of this Contract, the City, its agents, representatives, officers, directors, officials and employees as Additional Insured as specified under the respective coverage sections of this Contract.

- vii. **Waiver.** All policies, except for Professional Liability, including Workers' Compensation insurance, shall contain a waiver of rights of recovery (subrogation) against the City, its agents, representatives, officials, officers and employees for any claims arising out of the Work or Services of Vendor. Vendor shall arrange to have such subrogation waivers incorporated into each policy via formal written endorsement thereto.
- viii. **Policy Deductibles and/or Self-Insured Retentions.** The policies set forth in these requirements may provide coverage that contains deductibles or self-insured retention amounts. Such deductibles or self-insured retention shall not be applicable with respect to the policy limits provided to the City. Vendor shall be solely responsible for any such deductible or self-insured retention amount.
- ix. **Automatic Escalator.** The limits of liability for each policy coverage amount stated below shall be automatically adjusted upward as necessary to remain at all times not less than the maximum amount of liability set forth in Chapter 537.610 RSMo. applicable to political subdivisions pursuant to 537.600;

provided that nothing herein or in any such policy shall be deemed to waive the City's sovereign immunity. The statutory waiver of sovereign immunity for 2020 is \$2,905,664 for all claims arising out of a single accident or occurrence.

- x. **Use of Subcontractors.** If any portion of this Contract is subcontracted in any way, Vendor shall execute written contract(s) with its Subcontractors containing the indemnification provisions set forth above and insurance requirements set forth herein protecting the City and Vendor. The Vendor shall also promptly notify the City of any reduction in limits of protection afforded under any policy listed in the certificate(s) of insurance in an amount such that the policy aggregate becomes less than the current statutory waiver of sovereign immunity regardless of whether such impairment is a result of this Contract. A breach of this provision is material breach of the contract.
- xii. **Evidence of Insurance.** Prior to commencing any Work or Services under this Contract, Vendor will provide the City with suitable evidence of insurance in the form of certificates of insurance and a copy of the declaration page(s) of the insurance policies as required by this Contract, issued by Vendor's insurance insurer(s) as evidence that policies are placed with acceptable insurers as specified herein and provide the required coverages, conditions and limits of coverage specified in this Contract and that such coverage and provisions are in full force and effect. Confidential information such as the policy premium may be redacted from the declaration page(s) of each insurance policy, provided that such redactions do not alter any of the information required by this Contract. The City shall reasonably rely upon the certificates of insurance and declaration page(s) of the insurance policies as evidence of coverage but such acceptance and reliance shall not waive or alter in any way the insurance requirements or obligations of this Contract. If any of the policies required by this Contract expire during the life of this Contract, it shall be Vendor's responsibility to forward renewal certificates and declaration page(s) to the City 30 Days prior to the expiration date. All certificates of insurance and declarations required by this Contract shall be identified by referencing this Contract. - d. **Subject to Non-Appropriation.** The City is obligated only to pay its obligations set forth in this Contract from funds lawfully appropriated and budgeted for that purpose during the City's then current fiscal year. The Vendor is responsible for performance under this Contract whether or not Subcontractors are used.
- i. **Rights and Remedies.** No provision in this Contract shall be construed, expressly or by implication, as waiver by the City of any existing or future right and/or remedy available by law in the event of any claim of default or breach of this Contract. The failure of the City to insist upon the strict performance of any term or condition of this Contract or to exercise or delay the exercise of any right or remedy provided in this Contract, or by law, or the City's acceptance of and payment for Materials, shall not release the Vendor from any responsibilities or obligations imposed by this Contract or by law, and shall not be deemed a waiver of any right of the City to insist upon the strict performance of this Contract.
- j. **Offset for Damages.** In addition to all other remedies at law or equity, the City may offset from any money due to the Vendor any amounts Vendor owes to the City for damages resulting from breach or deficiencies in performance or breach of any obligation under this Contract.

- o. **Cooperative Purchasing.** The Vendor by submitting a bid acknowledges that other Public Agencies may use this contract (Piggyback) under the same terms and conditions, during the effective period of any resulting contract – services and/or purchases being proposed in this bid, for the same prices and/or terms proposed. Vendor has the option to agree or disagree to allow contract PiggyBacks on a case-by-case basis. Before a Public Agency is allowed to PiggyBack any contract, the Agency must first obtain the vendor's approval – without the vendor's approval, the seeking Agency cannot PiggyBack. The City assumes no responsibility for payment, performance or any liability or obligation associated with any cooperative procurement under this Agreement. The City shall not be responsible for any disputes arising out of transactions made by others.
- p. **Signatory Authority.** Each person signing this Contract represents that such person has the requisite authority to execute this Contract on behalf of the entity the person represents and that all necessary formalities have been met.

- r. **Time of the Essence.** Time is of the essence in this Contract. Unless otherwise specifically provided, any consent to delay in Vendor's performance of its obligation is applicable only to the particular transaction to which it relates, and is not applicable to any other obligation or transaction.

- u. **Force Majeure.** The Parties shall be excused from performance during the time and to the extent that they are prevented from obtaining, delivering, or performing for reasons beyond the Parties' reasonable control, including without limitation, by act of God, public health emergency, natural disaster fire, strike, loss or shortage of transportation facilities, lock-out, commandeering of materials, products, plants or facilities by the government, and any other events or circumstances beyond the reasonable control of the party, when satisfactory evidence is presented to the City, provided that it is satisfactorily established that the non-performance is not due to the fault or neglect of the Party not performing.
