# Who are We?

A group of volunteers supporting the implementation of artistic, cultural and historic initiatives, increase public awareness of the cultural and historical resources that make our City unique, and advise on policies related public art and cultural preservation.

The background of the slide features a photograph of a city street at night. On the right side, there is a large, vibrant mural of a person in a red shirt. Below the mural, a rainbow flag is visible. In the center, a group of people is walking on the street. To the left, there are illuminated signs, including one with the number '816'. The overall scene is lively and urban.
