

EXHIBIT A SCOPE OF SERVICES

Article 1 of the Agreement is amended and supplemented to include the following agreement of the parties. Consultant shall provide Basic and Additional Services as set forth below.

PART 1 – BASIC SERVICES

CONSTRUCTION ENGINEERING - The Consultant will:

1. Perform on-site inspections each day of active construction for the duration of the anticipated 120-day project schedule.
2. Monitor contractor compliance with project plans, specifications and applicable MODOT standards.
3. Observe and document repairs to bridge superstructure, ensuring proper execution of repair techniques and materials per design specifications.
4. Inspect and verify the quality and completeness of monolithic bridge deck repair activities.
5. Oversee scarification operations to ensure proper preparation of the bridge deck surface prior to subsequent treatments.
6. Conduct inspections during hydro demolition activities to confirm the removal of deteriorated concrete and preparation for overlay placement.
7. Monitor the placement and finishing of the 2-inch latex modified concrete wearing surface, ensuring uniformity, thickness, and curing processes meet specifications.
8. Inspect the placement of fill materials to verify proper compaction and adherence to project requirements.
9. Evaluate the installation and maintenance of erosion and sediment control measures throughout the project to ensure environmental compliance.
10. Observe pavement marking and striping operations to confirm alignment, visibility and durability per MODOT standards.
11. Compile and submit detailed inspection reports, photographs and other required documents to MODOT for soft match credit eligibility.

The total compensation for services under Part 1-Basic Services is **not to exceed \$64,605.00.**

PART 2 – ADDITIONAL SERVICES

Any services requested by Client that are not specifically included in Part 1 – BASIC SERVICES shall be considered Additional Services and will be negotiated with the City and a supplement to the agreement executed prior to starting the work.
