for the following reasons:

- Noncompliance with existing CP-2 zoning on height & building type.
- Homeowners rely on zoning enforcement to maintain predictable development and architectural style to not harm quality of life, or character & value of nearby properties.
- Proposed dome's imposing height & size, & high visibility, adversely impact surrounding properties, this cannot be mitigated.

(description of application)

for the following reasons:

Incompatibility with Neighborhood Character- Dominate Commercial Structure inconsistent w/surrounding single family homes.

Increased volume of traffic, and congestion as well as pedestrian safety concerns

Light pollution, amplified sound, increased vehicle noise and high extended activity levels will impact quality of life for homeowners

Zoning precedent for incremental commercial expansion into established residential areas with escalating encroachment

Increase uncertainty for homeowners who relied on existing zoning and land-use protections to protect home values, marketability and long-term neighborhood stability

for the following reasons:

Incompatibly w/ neighborhood character
this structure will take away from our quiet,
peaceful - safe feeling, single family homes. We have
lot of beautiful nature behind us, lots of
wildlife. I don't want to open my shutter every a.m.

and see the ugly man made
money grab structure.
