Dear Chief Forbes:

This will serve as formal notification that the Highway Safety and Traffic Division has completed its review of grant applications for the program year 10/1/2025 through 9/30/2026.

The following project(s) has been approved:

<u>Grant Title</u>	<u>Requested</u>	<u>Approved</u>
Impaired Driving Enforcement	\$38,300.00	\$27,300.00

Please refrain from publicizing your grant award until the fully executed contract has been signed and the copy returned to your agency.

The Highway Safety and Traffic Division will conduct contract meetings with all subrecipients to discuss contracts and explain the terms and conditions. A brief demonstration of the contract signing and voucher submission process will also be presented at the meeting. We highly recommend registering for one of the meetings so that your Project Director(s) and Authorizing Official are aware of the contract details. You only need to attend one meeting. If you cannot attend one of the meetings, you will need to contact your Highway Safety Program Manager for details on your contract. The Highway Safety and Traffic Division will not mail the contract(s) to your agency.

If you have any questions, contact the Highway Safety and Traffic Division at 573-751-4161 or 1-800-800-2358.

Sincerely,

Jon Nelson
Asst. to State Highway Safety Traffic Engineer
