Comprehensive Plan

The Capital Improvement Plan (CIP) is a widely used planning and budgeting tool for municipal infrastructure improvements. It is one of the most powerful tools for implementing a community's comprehensive plan. The City's CIP recommends public infrastructure improvements and financing of these improvements for the next five fiscal years. The plan is updated each year.

4. Analysis

Background and History

The Capital Improvement Plan is an element of the Comprehensive Plan, and needs to be adopted by resolution of the Planning Commission following a public hearing. It is updated annually and covers the next five fiscal years.
