SECTION 2. The tract of land legally described in Exhibit 2 to the attached Amended Plan is hereby designated as the Redevelopment Area for the Amended LCRA Redevelopment Plan.

SECTION 3. The City Council hereby finds that:

The Amended LCRA Plan sets forth all required elements of a “Redevelopment Plan” and an “urban renewal plan” as required by the LCRA Act, which are set forth in detail in Section 6 of the Amended LCRA Redevelopment Plan, and the redevelopment work described in the Amended LCRA Redevelopment Plan qualifies as an “urban renewal project” under the LCRA Act;
- B. The LCRA Redevelopment Area and the LCRA Redevelopment Project Area for the Amended LCRA Plan is a blighted area, in that:
 - 1. The City Council found that Redevelopment Area is a blighted area pursuant to the LCRA Act through the adoption of Ordinance No. 7472 in June 2014, and further finds that the blighting conditions within such area, and specifically on this parcel of property, have not been cured by redevelopment since the date of the blight finding in 2014; and
 - 2. the area has a predominance of insanitary or unsafe conditions and conditions which endanger life or property by fire or other causes, and suffers from economic underutilization and is an economic liability to the City, and therefore constitutes an economic and social liability in its present condition and use.
- C. Redevelopment of the Redevelopment Area is necessary and in the interests of the public health, safety, morals and welfare of the residents of the City;
- D. The Amended LCRA Plan is in conformance with the Comprehensive Plan of the City based on the following:
 - 1. The existing zoning designation of the Redevelopment Area is appropriate for the Project’s intended uses, and the property in the Redevelopment Area is identified within the City’s Comprehensive Plan as designated for “mixed-use” and the property is zoned in the “Planned Industrial” zoning district, which demonstrates consistency between the Comprehensive Plan, the zoning of the Redevelopment Area, and the Amended LCRA Plan.
 - 2. The proposed land uses and building requirements in the Redevelopment Area are designed with the general purpose of accomplishing, in conformance with the Comprehensive Plan, a coordinated, adjusted and harmonious development of the community and its environs which, in accordance with present and future needs, will promote health, safety, morals, order, convenience, prosperity and the general welfare, as well as efficiency and economy in the process of development.
 - 3. The City’s Comprehensive Plan presents a “workable program” as required by the LCRA Act for the LCRA Redevelopment Project Area in that it provides for an official plan of action for effectively dealing with the problem in insanitary, blighted, deteriorated or deteriorating areas within the community and for the establishment and preservation of a well-planned community with well-organized residential neighborhoods of decent homes and suitable living environment for adequate family life, for utilizing appropriate private and public resources to eliminate and prevent the development or spread of insanitary, blighted, deteriorated or deteriorating areas, to encourage needed urban rehabilitation, to provide for the redevelopment of blighted,

SECTION 4. 1601 SE Hamblen Road, LLC, is hereby designated as a developer of record for the Amended LCRA Redevelopment Plan.

SECTION 5. Approval of the Amended LCRA Redevelopment Plan by this Ordinance is conditioned upon the developer of record entering into a redevelopment agreement upon terms acceptable to the City to carry out the goals and objectives of the Amended LCRA Redevelopment Plan. Failure of the developer of record to enter into such contract shall nullify and render void the approvals granted in this ordinance upon such declaration by the City Council.

SECTION 6.
