This Enrollment must be attached to a signature form to be valid.

This Microsoft Enterprise Enrollment is entered into between the entities identified on the signature form as of the effective date. Enrolled Affiliate represents and warrants it is the same Customer, or Customer's Affiliate, that entered into the Enterprise Agreement identified on the signature form.

This Enrollment consists of: (1) these terms and conditions, (2) the terms of the Enterprise Agreement identified on the signature form, (3) the terms of either the Microsoft Business Agreement or Microsoft Business and Services Agreement ("Master Agreement") identified on the signature form, (4) the Product Selection Form, (5) the Product Terms, (6) any Supplemental Contact Information form, Previous Agreement/Enrollment form and other forms that may be required, (7) the Online Services Supplemental Terms and Conditions if Customer's Master Agreement is a version 2009 or earlier and Enrolled Affiliate is ordering Online Services, and (8) any order submitted under this Enrollment. This Enrollment may only be entered into under a 2011 or later Enterprise Agreement. By entering into this Enrollment, Enrolled Affiliate agrees to be bound by the terms and conditions of the Enterprise Agreement and the Master Agreement.

Effective date. If Enrolled Affiliate is renewing Software Assurance or Subscription Licenses from one or more previous Enrollments or agreements, then the effective date will be the day after the first prior Enrollment or agreement expires or terminates. If this Enrollment is renewed, the effective date of the renewal term will be the day after the Expiration Date of the initial term. Otherwise, the effective date will be the date this Enrollment is accepted by Microsoft. Any reference to "anniversary date" refers to the anniversary of the effective date of the applicable initial or renewal term for each year this Enrollment is in effect.

Term. The initial term of this Enrollment will expire on the last day of the month, 36 full calendar months from the effective date of the initial term. The renewal term will expire 36 full calendar months after the effective date of the renewal term. Any reference in this Enrollment to "day" will be a calendar day.

Prior Enrollment(s). If renewing Software Assurance or Subscription Licenses from another Enrollment or agreement, the previous Enrollment or agreement number must be identified in the respective boxes above. If renewing from multiple Enrollments or agreements, or transferring Software Assurance or MSDN details, the Previous Agreement/Enrollment form must be used.

Terms and Conditions

1. Definitions.

Terms used but not defined in this Enrollment will have the definition in the Enterprise Agreement and applicable Master Agreement. The following definitions also apply:

"Additional Product" means any Product identified as such in the Product Terms and chosen by Enrolled Affiliate under this Enrollment.

"Enterprise Online Service" means any Online Service designated as an Enterprise Online Service in the Product Terms and chosen by Enrolled Affiliate under this Enrollment. Enterprise Online Services are treated as Online Services, except as noted.

“Enterprise Product” means any Desktop Platform Product that Microsoft designates as an Enterprise Product in the Product Terms and chosen by Enrolled Affiliate under this Enrollment. Enterprise Products must be licensed for all Qualified Devices and Qualified Users on an Enterprise-wide basis under this program.

“Expiration Date” means the date upon which the Enrollment expires.

“Industry Device” (also known as line of business device) means any device that: (1) is not useable in its deployed configuration as a general purpose personal computing device (e.g., personal computer), a multi-function server, or a commercially viable substitute for one of these systems, and (2) only employs an industry or task-specific software program (e.g., a computer-aided design program used by an architect or a point of sale program) (“Industry Program”). The device may include features and functions derived from Microsoft software or third-party software. If the device performs desktop functions (e.g., email, word processing, spreadsheets, database, network or Internet browsing, or scheduling, or personal finance), then the desktop functions: (1) may only be used for the purpose of supporting the Industry Program functionality, and (2) must be technically integrated with the Industry Program or employ technically enforced policies or architecture to operate only when used with the Industry Program functionality.

“Managed Device” means any device on which any Affiliate in the Enterprise directly or indirectly controls one or more operating system environments. Examples of Managed Devices can be found in the Product Terms.

“Qualified Device” means any device that is used by or for the benefit of Enrolled Affiliate’s Enterprise and is: (1) a personal desktop computer, portable computer, workstation, or similar device capable of running Windows Pro locally (in a physical or virtual operating system environment), or (2) a device used to access a virtual desktop infrastructure (“VDI”). Qualified Devices do not include any device that is: (1) designated as a server and not used as a personal computer, (2) an Industry Device, or (3) not a Managed Device. At its option, the Enrolled Affiliate may designate any device excluded above (e.g., Industry Device) that is used by or for the benefit of the Enrolled Affiliate’s Enterprise as a Qualified Device for all or a subset of Enterprise Products or Online Services the Enrolled Affiliate has selected.

“Qualified User” means a person (e.g., employee, consultant, contingent staff) who: (1) is a user of a Qualified Device, or (2) accesses any server software requiring an Enterprise Product Client Access License or any Enterprise Online Service. It does not include a person who accesses server software or an Online Service solely under a License identified in the Qualified User exemptions in the Product Terms.

“Reseller” means an entity authorized by Microsoft to resell Licenses under this program and engaged by an Enrolled Affiliate to provide pre- and post-transaction assistance related to this agreement.

“Reserved License” means for an Online Service identified as eligible for true-up in the Product Terms, the License reserved by Enrolled Affiliate prior to use and for which Microsoft will make the Online Service available for activation.

“Software” means licensed copies of Microsoft software identified in the Product Terms. Software does not include Online Services or Services Deliverables, but Software may be part of an Online Service.

“Use Rights” means, with respect to any licensing program, the use rights or terms of service for each Product and version published for that licensing program at the Volume Licensing Site and updated from time to time. The Use Rights include the Product-Specific License Terms, the License Model terms, the Universal License Terms, the Data Protection Terms, and the Other Legal Terms. The Use Rights supersede the terms of any end user license agreement (on-screen or otherwise) that accompanies a Product.

2. Order requirements.

- a. Minimum order requirements.** Enrolled Affiliate’s Enterprise must have a minimum of 500 Qualified Users or Qualified Devices. The initial order must include at least 500 Licenses in a single Product pool for Enterprise Products or Enterprise Online Services.

- (i) **Enterprise commitment.** Enrolled Affiliate must order enough Licenses from the Product pool for each Enterprise Product ordered to cover all Qualified Users and/or all Qualified Devices. Enrolled Affiliate may elect to mix Enterprise Products and Enterprise Online Services within a Product pool as long as all Qualified Devices not covered by a License are only used by users covered with a user License.
 - (ii) **Enterprise Online Services only.** If no Enterprise Product is ordered, then Enrolled Affiliate need only maintain at least 500 Subscription Licenses for Enterprise Online Services.
- b. **Additional Products.** Upon satisfying the minimum order requirements above, Enrolled Affiliate may order Additional Products and Services.
- c. **Use Rights for Enterprise Products.** For Enterprise Products, if a new Product version has more restrictive use rights than the version that is current at the start of the applicable initial or renewal term of the Enrollment, those more restrictive use rights will not apply to Enrolled Affiliate's use of that Product during that term.
- d. **Country of usage.** Enrolled Affiliate must specify the countries where Licenses will be used on its initial order and on any additional orders.
- e. **Resellers.** Orders must be submitted to an authorized Reseller who will transmit the order to Microsoft. The Reseller and Enrolled Affiliate determine pricing and payment terms as between them, and Microsoft will invoice the Reseller based on those terms. Resellers and other third parties do not have authority to bind or impose any obligation or liability on the Microsoft Affiliate that enters into this Enrollment.
- f. **Adding Products.**
 - (i) **Adding new Products not previously ordered.** New Enterprise Products or Enterprise Online Services may be added at any time by contacting a Microsoft Account Manager or Reseller. New Additional Products, other than Online Services, may be used if an order is placed in the month the Product is first used. For Additional Products that are Online Services, an initial order for the Online Service is required prior to use.
 - (ii) **Adding Licenses for previously ordered Products.** Additional Licenses for previously ordered Products other than Online Services may be added at any time but must be included in the next true-up order. Additional Licenses for Online Services must be ordered prior to use unless the Online Services are (1) identified as eligible for true-up in the Product Terms or (2) included as part of other Licenses.
- g. **True-up requirements.** Enrolled Affiliate must submit an annual true-up order that accounts for changes since the initial order or last order. If there are no changes, then an update statement must be submitted instead of a true-up order.
 - (i) **Enterprise Products.** For Enterprise Products, Enrolled Affiliate must determine the number of Qualified Devices and Qualified Users (if ordering user-based Licenses) at the time the true-up order is placed and must order additional Licenses for all Qualified Devices and Qualified Users that are not already covered by existing Licenses, including any Enterprise Online Services.
 - (ii) **Additional Products.** For Additional Products that have been previously ordered under this Enrollment, Enrolled Affiliate must determine the maximum number of Additional Products used since the latter of the initial order, the last true-up order, or the prior anniversary date and submit a true-up order that accounts for any increase.
 - (iii) **Online Services.** For Online Services identified as eligible for true-up in the Product Terms, Enrolled Affiliate may place a reservation order for the additional Licenses prior to use, and payment may be deferred until the next true-up order. Microsoft will provide a report of Reserved Licenses ordered but not yet invoiced to Enrolled Affiliate and its Reseller. Reserved Licenses will be invoiced retrospectively to the month in which they were ordered.

(iv) Subscription License reductions. Enrolled Affiliate may reduce the quantity of Subscription Licenses at the Enrollment anniversary date on a prospective basis if permitted in the Product Terms, as follows:

- 1) For Subscription Licenses that are part of an Enterprise-wide purchase, Licenses may be reduced if the total quantity of Licenses and Software Assurance for an applicable group meets or exceeds the quantity of Qualified Devices or Qualified Users (if ordering user-based Licenses) identified on the Product Selection Form, and includes any additional Qualified Devices and Qualified Users added in any prior true-up orders. Step-up Licenses and add-on Subscription Licenses do not count towards this total count.
- 2) For Enterprise Online Services in a given Product pool that are not a part of an Enterprise-wide purchase, Licenses can be reduced as long as (a) the initial order minimum requirements are maintained and (b) all then-active users of each Online Service are included the total quantity of Licenses for Online Services remaining after the reduction. An Enrolled Affiliate may reduce Licenses for Online Services on or before the Enrollment anniversary date and place a reservation order for such licenses within 90 days after the anniversary date; however, any licenses ordered as described in this section will be invoiced to the Enrolled Affiliate for the time period the licenses were made available.
- 3) For Additional Products available as Subscription Licenses, Enrolled Affiliate may reduce the Licenses. If the License count is reduced to zero, then Enrolled Affiliate's use of the applicable Subscription License will be cancelled.

Invoices will be adjusted to reflect any reductions in Subscription Licenses at the true-up order Enrollment anniversary date and effective as of such date.

(v) Update statement. An update statement must be submitted instead of a true-up order if, since the initial order or last true-up order, Enrolled Affiliate's Enterprise has not: (1) changed the number of Qualified Devices and Qualified Users licensed with Enterprise Products or Enterprise Online Services, and (2) increased its usage of Additional Products. This update statement must be signed by Enrolled Affiliate's authorized representative.

(vi) True-up order period. The true-up order or update statement must be received by Microsoft between 60 and 30 days prior to each Enrollment anniversary date. The third-year true-up order or update statement is due within 30 days prior to the Expiration Date, and any license reservations within this 30 day period will not be accepted. Enrolled Affiliate may submit true-up orders more often to account for increases in Product usage, but an annual true-up order or update statement must still be submitted during the annual order period.

(vii) Late true-up order. If the true-up order or update statement is not received when due, Microsoft may invoice Reseller for all Reserved Licenses not previously invoiced and Subscription License reductions cannot be reported until the following Enrollment anniversary date (or at Enrollment renewal, as applicable).

h. Step-up Licenses. For Licenses eligible for a step-up under this Enrollment, Enrolled Affiliate may step-up to a higher edition or suite as follows:

- (i) For step-up Licenses included on an initial order, Enrolled Affiliate may order according to the true-up process.
- (ii) If step-up Licenses are not included on an initial order, Enrolled Affiliate may step-up initially by following the process described in the Section titled "Adding new Products not previously ordered," then for additional step-up Licenses, by following the true-up order process.

i. Clerical errors. Microsoft may correct clerical errors in this Enrollment, and any documents submitted with or under this Enrollment, by providing notice by email and a reasonable

opportunity for Enrolled Affiliate to object to the correction. Clerical errors include minor mistakes, unintentional additions and omissions. This provision does not apply to material terms, such as the identity, quantity or price of a Product ordered.

- j. **Verifying compliance.** Microsoft may, in its discretion and at its expense, verify compliance with this Enrollment as set forth in the Master Agreement.

3. **Pricing.**

- a. **Price levels.** Each Product is assigned to a Product pool as shown in the Product Terms. Price levels (A, B, C or D) are set separately for each pool. Price levels for the applicable Product pools are set forth in the Product Selection Form.
- b. **Setting prices.** Enrolled Affiliate's prices for each Product or Service will be established by its Reseller. Unless otherwise expressly agreed to by the parties and except for Online Services designated in the Product Terms as being exempt from fixed pricing, Microsoft's prices to Reseller for each Product or Service ordered will be fixed throughout the applicable initial or renewal Enrollment term, provided that Enrolled Affiliate qualifies for the same price level for the entire term. Price levels and Microsoft's prices to Reseller are reestablished at the beginning of the renewal term. If Enrolled Affiliate qualifies for a different price level during the applicable initial or renewal term, Microsoft may at its discretion establish a new price level for future new orders either upon Enrolled Affiliate's request or on its own initiative. Any changes will be based upon price level rules in the Product Selection Form.

4. **Payment terms.**

For the initial or renewal order, Enrolled Affiliate may pay upfront or elect to spread its payments over the applicable Enrollment term. If an upfront payment is elected, Microsoft will invoice Enrolled Affiliate's Reseller in full upon acceptance of this Enrollment. If spread payments are elected, unless indicated otherwise, Microsoft will invoice Enrolled Affiliate's Reseller in three equal annual installments. The first installment will be invoiced upon Microsoft's acceptance of this Enrollment and remaining installments will be invoiced on each subsequent Enrollment anniversary date. Subsequent orders are invoiced upon acceptance of the order and Enrolled Affiliate may elect to pay annually or upfront for Online Services and upfront for all other Licenses.

5. **End of Enrollment term and termination.**

- a. **General.** At the Expiration Date, Enrolled Affiliate must immediately order and pay for Licenses for Products it has used but has not previously submitted an order, except as otherwise provided in this Enrollment.
- b. **Renewal option.** At the Expiration Date of the initial term, Enrolled Affiliate can renew Products and Services by renewing this Enrollment for one additional 36 month term or by signing a new Enrollment. Microsoft must receive a Renewal Form, Product Selection Form, and renewal order prior to or at the Expiration Date. Microsoft will not unreasonably reject any renewal. Microsoft may make changes to this program that will make it necessary for Customer and its Enrolled Affiliates to enter into new agreements and Enrollments at renewal.
- c. **If Enrolled Affiliate elects not to renew.**
 - (i) **Software Assurance.** If Enrolled Affiliate elects not to renew Software Assurance for any Product under its Enrollment, then Enrolled Affiliate will not be permitted to order Software Assurance later without first acquiring a new License with Software Assurance.
 - (ii) **Online Services eligible for an Extended Term.** For Online Services identified as eligible for an Extended Term in the Product Terms, the following options are available at the end of the Enrollment initial or renewal term.

1) **Extended Term.** If Enrolled Affiliate does not renew prior to the Expiration Date, access to the Online Services will automatically continue month-to-month in accordance with the terms of the Enrollment ("Extended Term") for up to the first twelve months following the Expiration Date unless designated in the Product Terms to continue until cancelled. For the first twelve months of the Extended Term, Online Services will be invoiced monthly at the then-current published price for Enrolled Affiliate's price level as of the Expiration Date plus a 3% administrative fee. During the Extended Term, the then-current Product Terms will apply to Enrolled Affiliate's use. If Enrolled Affiliate does not want an Extended Term, Enrolled Affiliate must submit a request to Microsoft at least 30 days prior to the Expiration Date.

2) **Cancellation during Extended Term.** At any time during the first twelve months of the Extended Term, Enrolled Affiliate may terminate the Extended Term by submitting a notice of cancellation to Microsoft for each Online Service. Thereafter, Microsoft may condition the continued use of each Online Service on the acceptance of new terms by the Enrolled Affiliate. Enrolled Affiliate will be notified in writing of any new terms at least 60 days before any such changes take effect. Enrolled Affiliate acknowledges and agrees that after the notice described in this section, its continued use of each Online Service after the effective date provided in the notice will constitute its acceptance of the new terms. If Enrolled Affiliate does not agree to the new terms, it must stop using the Online Services and terminate the Extended Term as provided in this section. Enrolled Affiliate's termination under this section will be effective at the end of the month following 30 days after Microsoft has received the notice.

(iii) **Subscription Licenses and Online Services without an Extended Term.** If Enrolled Affiliate elects not to renew, the Licenses will be cancelled and will terminate as of the Expiration Date. Any associated media must be uninstalled and destroyed and Enrolled Affiliate's Enterprise must discontinue use. Microsoft may request written certification to verify compliance.

d. **Termination for cause.** Any termination for cause of this Enrollment will be subject to the "Termination for cause" section of the agreement.

e. **Early termination.** If an Enrolled Affiliate terminates its Enrollment as a result of a breach by Microsoft, or if Microsoft terminates this Enrollment because Enrolled Affiliate has ceased to be Customer's Affiliate, then Enrolled Affiliate will have the following options for Licenses, excluding Subscription Licenses:

(i) It may immediately pay the total remaining amount due, including all installments, in which case, Enrolled Affiliate will have perpetual rights for all Licenses it has ordered (for the latest version of Products ordered under Software Assurance coverage in an initial or renewal term), or

(ii) It may pay only amounts due as of the termination date, in which case Enrolled Affiliate will have perpetual Licenses (for the latest version of Products ordered under Software Assurance coverage in an initial or renewal term) for (1) all copies of Products for which payment has been made in full, and (2) a proportional number of copies of Products it has ordered for which payment has been made.

For Subscription Licenses, in the event of a breach by Microsoft, or if Microsoft terminates an Online Service for regulatory reasons, Microsoft will issue Reseller a credit for any amount paid in advance for the period after termination.
