**WHEREAS**, the City of Lee's Summit is committed to recognizing our growth and strength depends on the safety and essential role our homes, buildings and infrastructure play, both in everyday life and when natural disasters strike; and,

**WHEREAS**, our confidence in the resilience of these buildings that make up our community is achieved through the devotion of vigilant guardians—building safety and fire prevention officials, architects, engineers, builders, tradespeople, design professionals, laborers, plumbers and others in the construction industry - who work year round to ensure the safe construction of buildings; and,

**WHEREAS**, these guardians are dedicated members of the International Code Council, a nonprofit, that brings together local, state territorial, tribal and federal officials who are experts in the built environment to create and implement the highest-quality codes to protect us in the buildings where we live, learn, work, worship, and play; and,

**WHEREAS**, Building Safety Month is sponsored by the International Code Council to remind the public about the critical role of our communities' largely unknown protectors of public safety - our code officials— who assure us of safe, sustainable and affordable buildings that are essential to our prosperity; and,
