The Boards and Commissions Application from cityofls.net was submitted.

I wish to apply for: Public Safety Advisory Board

Name: Randy Johnson

Home Address:

Email Address:

Phone Number:

District registered to vote: District 4

Years as a resident: 25

High School Attended: Ankeny High School

College Attended: Iowa State University

Current Employment: Missouri Department of Transportation - KC Scout

Position Held: KC Scout Manager

Interest Response: Some of the most important services I receive as a citizen come directly from city government that
range from emergency services, roadway maintenance/construction to clean water. I find it amazing that these services
are a result of collaborations between not only city departments, but volunteers on boards and commissions. I am
impressed with this kind of framework for public involvement and would love to do my part in helping my city be better.
I have a variety of qualities and special skills that I can offer. On the technical side, I have a lot of experience in the areas
of transportation with over 20 years at Missouri Department of Transportation (MoDOT). While at MoDOT, I have

1

worked in various departments that include Traffic Engineering, Construction, Project Management, Planning and
currently KC Scout. I have the ability and experience working with regional organizations, such as MARC where I helped
lead the effort to implement their newest committee of public safety advocates - Traffic Incident Management. In my
current role in KC Scout, I work for a 5 member Board of Directors that comprises MoDOT, KDOT and MARC. This current
role allows me to use my consensus building and leadership skills to find solutions that satisfy all the member agencies.
This role also allows me to interact with first responders across the bi-state metro while implementing the newest
technology in Intelligent Transportation Systems to keep them and the motorists safer. My KC Scout team and I have
won numerous awards that range from ITE International Safety Award to ITE Best Public Agency. Outside of my
engineering career, I have a passion that involves helping others through my volunteer work to be better and help give
them the economic dignity they want and deserve. I am currently the Vice Chair of the board.

Other Activities: 1. Over 15 years as a park and recreation soccer coach
2. Worked at Goodwill part time since the LS location does not allow volunteers (had to be employed to help out there).
2
Though, this was put on hold during COVID.
3. Volunteer as a mock interviewer for Goodwill. This program allows people to practice interview skills and I evaluate
and give advice.
4. Trained and was a member of Red Cross Disaster Action Team
5. KC Pet Project Volunteer (i.e walk dogs to get them out of kennel)
6. Urban Trail Company volunteer

Do you have a demonstrated interest, competence of knowledge in history, humanities, fine art, performing art, public art, natural resources, or cultural resources:

Please elaborate on above:

Do you have experience as a/an:

Please elaborate on above:
