1. BASIC INFORMATION

Purpose of the Funding

This is a notice of funding opportunity (NOFO) for the Department of Justice's (DOJ) FY 2026 Bridging Immigration-Related Deficits Experienced Nationwide (BIDEN) Program.

This program, authorized under the BIDEN Reimbursement Fund established by the One Big Beautiful Bill Act, Public Law 119-21, Title X, Subtitle A, Part II (codified at 34 U.S.C. § 61101), provides funding for grants to eligible States, State agencies, and units of local government and tribal governments, pursuant to their existing statutory authorities to support the seven statutory purposes outlined in 34 U.S.C. § 61101:

1. Locating and apprehending aliens who have committed a crime under federal, state, or local law, in addition to being unlawfully present in the United States (hereafter referred to as "criminal illegal aliens").
2. Collection and analysis of law enforcement investigative information within the United States to counter gang or other criminal activity.
3. Investigating and prosecuting (a) crimes committed by aliens within the United States; and (b) drug and human trafficking crimes committed within the United States.
4. Court operations related to the prosecution of (a) crimes committed by aliens; and (b) drug and human trafficking crimes.
5. Temporary criminal detention of aliens.
6. Transporting aliens described in paragraph (1) within the United States to locations related to the apprehension, detention, and prosecution of such aliens.
7. Vehicle maintenance, logistics, transportation, and other support provided to law enforcement agencies by a state agency to enhance the ability to locate and apprehend aliens who have committed crimes under federal, state, or local law, in addition to being unlawfully present in the United States.

Awards from this program should be used to support significant participation in and support of Homeland Security Task Force (HSTF) activities, and other DOJ efforts to combat gangs, cartels, and other violent crime.

This NOFO includes three funding categories:

Category 1: Hiring

- **Sworn and Non-Sworn Law Enforcement Personnel**—Funding can be used to hire or rehire full-time sworn career law enforcement officers/deputies and civilian/non-sworn personnel as outlined below:
 - Hire new full-time officers/deputies and full-time civilian/non-sworn personnel, including by filling existing officer/deputy vacancies that are no longer funded in your agency's budget.
 - Rehire full-time officers/deputies and full-time civilian/non-sworn personnel who have been laid off by any jurisdiction as a result of state, local, or Bureau

of Indian Affairs (BIA) budget reductions. The rehired officers/deputies must be rehired on or after the official award start date on the notice of award.

- Rehire full-time officers/deputies and full-time civilian/non-sworn personnel who are (at the time of application) currently scheduled to be laid off by your jurisdiction on a specific future date as a result of state, local, or BIA budget reductions. Recipients will be required to continue funding the positions with local funding until the date(s) of the scheduled layoffs.

Applicants may request funding for full-time officer/deputy salaries or a combination of officer and salaries of civilian/non-sworn. Funding will support salaries for up to three years of eligible positions to be expended within a five-year period of performance to accommodate time needed for recruitment and hiring.

- **Non-Law Enforcement Personnel**—Funding can be used for the hiring, retention, and training of critical personnel across the full continuum of criminal justice operations for the purposes cited above. Examples of personnel could include but need not be limited to the following: forensic, investigative, analytical; prosecution and legal support; corrections, detention, and custodial; and transportation, security, and operations logistics. Funding may not be used for co-responders, interpreters, or translators.

Category 2: Technology and Equipment—Funding can be used to purchase and support multi-year implementation, ongoing subscriptions, training, and maintenance of equipment and advanced technology to address critical resource gaps and enhance capacity to support criminal justice operations related to the purposes cited above.

Note: If you apply for and receive funding for Unmanned Aerial Systems (UAS), body-worn cameras, body armor, and/or NIBIN machines, you will be required to submit equipment-specific certifications and other documentation as a condition of your award.

Category 3: Construction of Temporary Detention Facilities for Criminal Illegal Aliens—Funding can be used for the following:

- Major Construction Projects—Funding would support large-scale projects, including building temporary detention facilities to house criminal illegal aliens awaiting prosecution, immigration proceedings, or transfer to federal custody.
- Substantial Renovation/Expansion/Modernization—Funding would support the expansion or modernization/targeted improvement of existing facilities, including bolstering detention infrastructure through addition of housing units, or renovation of existing facilities to meet current detention standards and significantly enhance capacity and operational functionality for temporary detention of aliens who have committed a crime in addition to being unlawfully present in the United States.

Please see [Appendix 2](#) for additional requirements and information for this category.

Note: For all categories, award structure and distribution details will be finalized following review of applications and assessment of anticipated needs giving rise to the

application for the purposes of this NOFO (as defined above), including operational challenges associated with criminal illegal alien activity, drug trafficking networks, human trafficking operations, and transnational criminal organizations. The Department anticipates making awards across all four categories with award sizes adjusted to jurisdictional need, population served, operational scope, and enforcement workload.

Applicants must also have established and fully participate in a 287(g) partnership, or commit to entering into and fully participating in one. In addition, applicants must be fully participating in either HSTF operations or other major DOJ enforcement efforts, or commit to entering into and fully participating in those efforts.

Eligible applicants include:

- **Government Entities**

- State governments
- County governments
- City or township governments

- Native American Tribal governments (federally recognized)
- Native American Tribal governments (other than federally recognized)

- **Other**

State Government Entities: For the purposes of this NOFO, “state” means any state of the United States, the District of Columbia, the Commonwealth of Puerto Rico, the U.S. Virgin Islands, Guam, American Samoa, and the Commonwealth of the Northern Mariana Islands.

Other Units of Local Government: For the purposes of this notice of funding opportunity, other units of local government include towns, boroughs, parishes, villages, or other general purpose political subdivisions of a state.

Additional Eligibility Factors

For sworn and non-sworn law enforcement personnel hiring, eligible applicants are limited to established and operational local, state, territorial, and tribal law enforcement agencies that have primary law enforcement authority for the jurisdiction served.¹

Certifications: You must submit the following certifications. See [Additional Application Components](#) for how to submit.

In order to request a federal grant award under this program, an applicant that is a State or local government entity must submit a certification (using only the template provided in Appendix 1, entitled “[Certification by the Chief Executive Officer \(or senior official\) of the Applicant Government](#).” Tribal government entities and educational organizations (e.g., public or state-controlled institutions of higher education) are not required to submit this certification. This certification is a basic minimum requirement of this funding opportunity, such that applications from applicants that are required to submit it and fail to do so, will be denied.

Also, such applicants should anticipate that awards to state or local government entities under this NOFO will include an award condition addressing compliance with 8 U.S.C. 1373.

¹ Note: If funds under this program are to be used as part of a written contracting agreement for law enforcement services (e.g., a town that contracts with a neighboring sheriff’s department to receive services), the agency wishing to receive law enforcement services must be the legal applicant in this application.

Letter of Support: All applicants must also provide a letter of support from DOJ or an alternative federal HSTF member certifying the applicant is currently or intends to participate in HSTF activities or major DOJ operations.

Award Condition (Notice): Awards under this funding opportunity will include a condition (the specific terms of which will govern the award) related to the future reimbursement of the costs associated with federal law enforcement intervention or assistance provided to reduce crime or public disorder. The condition will, generally speaking, require an award recipient to fulfill any such future reimbursement obligation(s) incurred in accordance with its terms.

Limit on Number of Applications: You may submit only one application and apply to multiple funding categories.

Cost Sharing (Match) Requirement: This NOFO does **not** require cost sharing (match).

APPENDIX 2—CATEGORY 4 ADDITIONAL INFORMATION

Key Program Requirements

All applicants must address the following requirements in their program narrative:

- **Legal Authority:** Demonstrate legal authority to undertake construction or renovation projects within their jurisdiction.
- **Site Control:** Provide documentation of site control through ownership or long-term lease agreement for proposed construction locations.
- **Code Compliance:** Ensure compliance with all applicable federal, state, and local building codes and regulations.
- **Construction Capacity:** Demonstrate organizational capacity to complete construction or renovation within the 60-month project period.
- **Facility Purpose:** Ensure that constructed or renovated facilities directly support one or more of the seven statutory purposes under 34 U.S.C. § 61101, including investigating and prosecuting drug trafficking offenses committed in the United States and investigating and prosecuting human trafficking offenses committed in the United States.
- **Operational Sustainability:** Demonstrate local capacity to operate and maintain facilities beyond the grant period.
- **Detention Capacity:** For applications proposing detention facility construction or expansion, specify how many new beds will be added.

Potential Environmental Impact

The National Environmental Policy Act (NEPA) of 1969 (Public Law No. 90-190, as amended; 42 U.S.C. § 4371, et seq.) established a national policy to promote the protection and enhancement of the environment. Any BJA grant recipient with a project involving construction, expansion, renovation, facility planning, site selection, site preparation, and security or facility upgrades must be in compliance with the NEPA requirements during the initiation of the project as part of its planning, site selection, and site preparation. The BJA grant recipient must assist BJA in completing the NEPA process prior to actual construction, expansion, renovation, or remodeling (including security upgrades).

Depending on a review of the project after an award is made, grant recipients may be asked to provide additional information, so BJA can determine if the project may be excluded from further NEPA review. Depending on the particular project, an environmental assessment (EA) may need to be conducted, to assess the environmental impacts of the proposed project/action. If an EA is required, BJA will provide this service free of charge. Applicants do not need to allocate funding for this process in their grant applications.

For more information regarding NEPA, please visit <https://bja.ojp.gov/national-environmental-policy-act-nepa-guidance>.

Build America, Buy America Requirements

Pursuant to the Build America, Buy America Act (Pub. L. No. 117-58, §§ 70901-52), certain qualifying infrastructure projects may be subject to additional procurement requirements.

Project Insurance

Construction and major renovation projects create unique insurance challenges, and property owners need to understand the obligations and responsibilities they assume when contracting with their preferred builders or contractors. It is best to consult with an experienced independent insurance agent to assess the scope of a construction project and determine which policy is best suited to protect the owner's interests. BJA will require proof of project insurance prior to releasing funds to commence the construction/renovation/expansion project.

Lease Agreements

If the awardee opts to enter into a lease agreement once the project is complete, the awardee must ensure that the federal interest(s) described in 2 C.F.R. 200.311 (Real property) are protected by the lease terms. These terms must ensure that the building will be used for the originally authorized purpose as long as needed by the awardee for that purpose, during which time the awardee must not dispose of or encumber its title or other interests. The terms also must protect the federal interest upon disposition of the property (i.e., disposition of the building is no longer needed by the awardee for an authorized purpose) by preserving the reasonable depreciated value of the building in order to compensate the federal awarding agency or otherwise preserve title to the building to be able to transfer title to the federal awarding agency.

When real property is no longer needed for the originally authorized purpose, the nonfederal entity must obtain disposition instructions from the federal awarding agency or pass-through entity. The instructions must provide for one of the following alternatives to ensure that the federal interest is protected under 2 C.F.R. 200.311:

1. Retain title after compensating the federal awarding agency.
2. Sell the property and compensate the federal awarding agency.
3. Transfer title to the federal awarding agency or to a third party designate that is approved by the federal awarding agency.

Real Property Requirement

In accordance with DOJ real property standards (2 C.F.R. §200.311), BJA will continue to monitor facility usage and capacity levels after the grant ends. BJA and OJP retain a financial interest in funding the acquisition or improvement of real property. To ensure that the intent of the funding statute or authority is met throughout the useful life of a facility, even after a grant closes, BJA will require the grantee to submit regular reports on the status of the real property in which OJP/BJA retain an interest. If a grantee ceases to need a grant- funded facility for the originally authorized purpose during its

useful life, the grantee is obligated to request property disposition instructions from OJP/BJA, pursuant to 2 C.F.R. §200.311 (c).

In order to protect OJP's interest, 2 C.F.R. § 200.330 requires the award recipient to report on the real property acquired or real-property improvements made under the award for as long as OJP's interest therein is retained. In keeping with the requirements set forth in the regulation, OJP must require a grantee to submit reports at least annually on the status of real property in which the federal government retains an interest, unless the federal interest in the real property extends 15 years or longer. For more information about OJP's real property reporting requirements, please visit <https://bja.ojp.gov/funding/real-property>.
