

AGREEMENT BETWEEN OWNER AND CONTRACTOR FOR CONSTRUCTION CONTRACT (STIPULATED PRICE)

This Agreement is by and between **the City of Lee's Summit, Missouri** ("Owner") and **Kissick Construction Company, Inc.** ("Contractor").

Terms used in this Agreement have the meanings stated in the General Conditions and the Supplementary Conditions.

Owner and Contractor hereby agree as follows:

ARTICLE 1—WORK

- 1.01 Contractor shall complete all Work as specified or indicated in the Contract Documents. The Work is generally described as follows: **Work shall consist of the upgrade of approximately 6,150 linear feet of sanitary sewer interceptor ranging in diameter from 8-inch diameter to 21-inch diameter.**

ARTICLE 2—THE PROJECT

- 2.01 The Project, of which the Work under the Contract Documents is a part, is generally described as follows: **Project No. 720-C, West Prairie Lee Downtown Interceptor Sewer.**

ARTICLE 3—ENGINEER

- 3.01 The Owner has retained **Burns and McDonnell** ("Engineer") to act as Owner's representative, assume all duties and responsibilities of Engineer, and have the rights and authority assigned to Engineer in the Contract.
- 3.02 The part of the Project that pertains to the Work has been designed by **Engineer**.

ARTICLE 4—CONTRACT TIMES

- 4.01 *Time is of the Essence*
- A. All time limits for Milestones, if any, Substantial Completion, and completion and readiness for final payment as stated in the Contract Documents are of the essence of the Contract.
- 4.02 *Contract Times: Days*
- A. The Work within the Base Bid will be substantially complete within **450** days after the date when the Contract Times commence to run as provided in Paragraph 4.01 of the General Conditions, and completed and ready for final payment in accordance with Paragraph 15.06 of the General Conditions within **480** days after the date when the Contract Times commence to run.
- B. If the Owner elects to award any Alternates, the Work will be substantially complete within the number of days stated in Paragraph 4.02.A above, plus the sum of the milestone days listed in Paragraph 4.03 for any Alternates awarded, after the date when the Contract Times commence to run as provided in Paragraph 4.01 of the General Conditions, and completed

and ready for final payment in accordance with Paragraph 15.06 of the General Conditions within **90** days after the date established for substantial completion.

4.03 *Milestones*

- A. Completion of the punch list attached to the Certificate of Substantial completion shall be achieved within 30 days after Substantial completion.
- B. Parts of the Work must be substantially completed on or before the following Milestone(s):
 - 1. Milestone 1: **The portion of the Work concerning the installation of sanitary sewer at the parking lot of Tract 1, between Station 00+00 to Station 2+00, including all pavement restoration shall be complete within 30 calendar days from the date the work begins.**
 - 2. Milestone 2: **The portion of the Work concerning the installation of sanitary sewer at NE Rice Road, between Station 4+18 to Station 4+45, including all pavement restoration shall be complete and open to traffic within 30 calendar days from the date the road is closed.**

4.04 *Liquidated Damages*

- A. Contractor and Owner recognize that time is of the essence as stated in Paragraph 4.01 above and that Owner will suffer financial and other losses if the Work is not completed and Milestones not achieved within the Contract Times, as duly modified. The parties also recognize the delays, expense, and difficulties involved in proving, in a legal or arbitration proceeding, the actual loss suffered by Owner if the Work is not completed on time. Accordingly, instead of requiring any such proof, Owner and Contractor agree that as liquidated damages for delay (but not as a penalty):
 - 1. *Substantial Completion:* Contractor shall pay Owner **\$3,225** for each day that expires after the time (as duly adjusted pursuant to the Contract) specified above for Substantial Completion, until the Work is substantially complete.
 - 2. *Completion of Remaining Work:* After Substantial Completion, if Contractor shall neglect, refuse, or fail to complete the remaining Work within the Contract Times (as duly adjusted pursuant to the Contract) for completion and readiness for final payment, Contractor shall pay Owner **\$1,000** for each day that expires after such time until the Work is completed and ready for final payment.
 - 3. *Milestones:* Contractor shall pay Owner **\$1,000** for each day that expires after the time (as duly adjusted pursuant to the Contract) specified above for achievement of each line number reflected in 4.04 is achieved, or until the time specified for Substantial Completion is reached, at which time the rate indicated in Paragraph 4.05.A.1 will apply, rather than the Milestone rate.
 - 4. Liquidated damages for failing to timely attain Milestones, Substantial Completion, and final completion are not additive, and will not be imposed concurrently.

- B. If Owner recovers liquidated damages for a delay in completion by Contractor, then such liquidated damages are Owner's sole and exclusive remedy for such delay, and Owner is precluded from recovering any other damages, whether actual, direct, excess, or consequential, for such delay, except for special damages (if any) specified in this Agreement.
