Email Address: nate.zier@nice-kc.com

Phone Number: 6603496381

District registered to vote: District 2

Years as a resident: 12

High School Attended: Kirksville High School

College Attended: University of Missouri - Kansas City

Current Employment: National Institute for Construction Excellence

Position Held: Executive Director

Interest Response: I have extensive board service in several organizations related to professional organizations. I understand the role of a Board of Directors to set and establish sound oversight and to facilitate decisions which impact the vision and direction of an organization. I have served as the President of the Board for the Missouri Association for Career Services and the Greater Kansas City School Counselor Association. I have also served on the Board of the Missouri Association for Career and Technical Education, the National Institute for Construction Excellence, and the Kansas City Disc Golf Association.

I am transitioning out of a career in public education and into a nonprofit space and am looking to be engaged in more civic boards and organizations. I have spent the last eight years serving to better the profession I have worked in and want to use that same service mindset to help foster a better vision for Lee's Summit. I hope to serve the community interests as a whole, and want to have an active voice in the direction our community moves over the coming decades.

Other Activities: I am an active member of the Raytown Chamber of Commerce, and will begin Board membership of the Labor Management Council of Greater Kansas City on April 11. Through my connections in the nonprofit workspace, including four years of Board leadership, I have a wide array of connections in city planning, policy, etc.
