Re: Appointment of alternate committee member-Finance and Budget Committee

Mayor Rhoads and Council,

Pursuant to the duties of the Mayor Pro Tem to appoint committee members and alternates, and whereas on or about September 2, Councilmember Moreno resigned from the Finance and Budget Committee, and thereby leaving alternate member Faith and myself to continue with helping to create a quorum.

Now that the Finance and Budget Committee is entering the busy stretch of their work, and after further review of Section 2-51 – Composition of Membership – Rule 1.1. says that “a quorum for a standing committee cannot be achieved by the presence of both the alternate committee member and the Mayor Pro Tempore”, it would seem logical to appoint a new ‘alternate’ so that in the event Council/Committee members cannot be present, there would still be several alternatives to allow them to continue business.

I nominate with your advice and consent, Councilmember Dave Mosby to serve as the Alternate, to the Budget & Finance Committee
