Hello,

I wish to comment on the discussion regarding Todd George Road and Boulevard taking place at this evening's city council meeting.

As a Lee's Summit resident, I am embarrassed that we have a major road named after Mayor Todd George given his racist beliefs and actions. I want to live in a community that is open and welcoming to all, and our city cannot live up to these ideals while glorifying someone like Mayor George.

Please consider stripping his name from our city's map and changing the street to honor a hero or value that our community stands for.

Thank you for your work on behalf of our city.
