City of Lee's Summit, Missouri
Attn: George Binger
220 SE Green Street
Lee's Summit, MO 64063

Dear Mr. Binger:

The U.S. Army Corps of Engineers (USACE) is requesting your permission to enter upon the property owned by the City of Lee's Summit, Missouri, per **Exhibit "A"**, of the Right-of-Entry (ROE) which is enclosed with this letter. USACE is seeking your permission to perform activities including site reconnaissance, channel surveys, shovel testing, boring testing, and wetland delineation within the streambank vicinity.

The Government will contact you at least one week prior to performing any work on the described property either by phone, email, letter, or facsimile. The purpose of the notification is to inform you of the specific work that will be conducted and when access to the property will be required, and to coordinate regarding any access requirements. The exact date will be determined once the Right-of-Entry is signed and will be coordinated by the Government and/or its agents.

Please review and sign the enclosed Right of Entry document within **30 days** of the date of this letter and return it via email or by mail. Thank you for your continued support and cooperation. Should you have any questions pertaining to the boring testing, please contact John Lunn at 816-389-3296 or by email at John.W.Lunn@usace.army.mil and if you have any real estate questions, please contact Garrett Smith at 816-389-3045 or by email at garrett.smith@usace.army.mil.

Sincerely,

Meredith LA Harmon
