accordingly. Vendor shall submit the adjusted price, if any, in writing to the City within 10 Days from when the change is ordered. Should a Purchase Order be canceled, the City may, but is not required to, reimburse the Vendor, but only for actual and documentable costs incurred by the Vendor due to and after issuance of the Purchase Order. The City reserves the right to review any and all of the insurance policies and/or endorsements cited in this Contract but has no obligation to do so. Failure to demand such evidence of full compliance with the insurance requirements set forth in this Contract or failure to identify any insurance deficiency shall not relieve Vendor from, nor be construed or deemed a waiver of, its obligation to maintain the required insurance at all times during the performance of this Contract.
- iii. **Additional Insured.** All insurance coverage and self-insured retention or deductible portions, except Workers' Compensation insurance and Professional Liability insurance, if applicable, shall name and endorse, to the fullest extent permitted by law for claims arising out of the performance of this Contract, the City, its agents, representatives, officers, directors, officials and employees as Additional Insured as specified under the respective coverage sections of this Contract.

The statutory waiver of sovereign immunity for 2020 is \$2,905,664 for all claims arising out of a single accident or occurrence.
- x. **Use of Subcontractors.** If any portion of this Contract is subcontracted in any way, Vendor shall execute written contract(s) with its Subcontractors containing the indemnification provisions set forth above and insurance requirements set forth herein protecting the City and Vendor. Confidential information such as the policy premium may be redacted from the declaration page(s) of each insurance policy, provided that such redactions do not alter any of the information required by this Contract. The City shall reasonably rely upon the certificates of insurance and declaration page(s) of the insurance policies as evidence of coverage but such acceptance and reliance shall not waive or alter in any way the insurance requirements or obligations of this Contract. If any of the policies required by this Contract expire during the life of this Contract, it shall be Vendor's responsibility to forward renewal certificates and declaration page(s) to the City 30 Days prior to the expiration date. - i. **Confidentiality of Records**. The Vendor shall establish and maintain procedures and controls that are acceptable to the City for the purpose of ensuring that information contained in its records or obtained from the City or from others in carrying out its obligations under this Contract shall not be used or disclosed by it, its agents, officers, or employees, except as required to perform Vendor's duties under this Contract. Persons requesting such information should be referred to the City. Vendor also agrees that any information pertaining to individual persons shall not be divulged other than to employees or officers of Vendor as needed for the performance of duties under this Contract. Vendor shall ensure its subcontractors are aware of and comply with this provision.
- m. **Conflicting Terms**. In the event of any inconsistency, conflict or ambiguity among the terms of this Contract, the IFB, the Specifications/Price Sheet, any City-approved Purchase Orders, invoices and the Vendor's response to the IFB, the documents shall govern in the order listed herein. Notwithstanding the foregoing, and in conformity with Section 2.1 above, unauthorized exceptions, conditions, limitations or provisions in conflict with the terms of this Contract (collectively, the "Unauthorized Conditions"), other than the City's project-specific quantities, configurations or delivery dates, are expressly declared void and shall be of no force and effect. Acceptance by the City of any invoice containing any such Unauthorized Conditions or failure to demand full compliance with the terms and conditions set forth in this Contract shall not alter or relieve Vendor from, nor be construed or deemed a waiver of, its requirements and obligations in the performance of this Contract. If the Contract is renewed pursuant to Subsection 3.1(B) above and such renewal includes any conflicting terms, other than price, those terms will be null and void.
- n. **Non-Exclusive Contract**. This Contract is entered into with the understanding and contract that it is for the sole convenience of the City of Lee's Summit. The City reserves the right to obtain like Materials and Services from another source when necessary.
- o. **Cooperative Purchasing**. The Vendor by submitting a bid acknowledges that other Public Agencies may use this contract (Piggyback) under the same terms and conditions, during the effective period of any resulting contract – services and/or purchases being proposed in this bid, for the same prices and/or terms proposed. Vendor has the option to agree or disagree to allow contract PiggyBacks on a case-by-case basis. Before a Public Agency is allowed to PiggyBack any contract, the Agency must first obtain the vendor's approval – without the vendor's approval, the seeking Agency cannot PiggyBack. The City assumes no responsibility for payment, performance or any liability or obligation associated with any cooperative procurement under this Contract. The City shall not be responsible for any disputes arising out of transactions made by others.
- p. **Signatory Authority**. Each person signing this Contract represents that such person has the requisite authority to execute this Contract on behalf of the entity the person represents and that all necessary formalities have been met.
- q. **E-Signature and Counterparts**. The Parties agree that this Contract may be signed in two or more counterparts and/or signed electronically, and all such counterparts together shall constitute one and the same contract; such signatures shall bind the signing party in the same manner as if a handwritten signature had been delivered.
- r. **Time of the Essence**. Time is of the essence in this Contract. Unless otherwise specifically provided, any consent to delay in Vendor's performance of its obligation is applicable only to the particular transaction to which it relates, and is not applicable to any other obligation or transaction.
- s. **Work Authorization/E-verify**. Pursuant to § 285.530, RSMo. if Contract exceeds five thousand dollars (\$5,000.00), Vendor warrants and affirms to the City that (i) Vendor is enrolled and participates in a federal work authorization program with respect to the employees working in connection with the contracted services and (ii) Vendor does not knowingly employ any person who is an unauthorized alien in connection with the contracted services.

Vendor shall swear to and sign an affidavit declaring such affirmation, and provide the City with supporting documentation of its enrollment and participation in a federal work authorization program with respect to the employees working in connection with this Contract. The required documentation must be from the federal

work authorization program provider (e.g. the electronic signature page from the E-Verify program's Memorandum of Understanding); a letter from Vendor reciting compliance is not sufficient.

- t. **Prevailing Wages.** Pursuant to § 290.230.5, RSMo. if this Contract, or a project of which this Contract is a part, exceeds seventy-five thousand dollars (\$75,000.00) and involves construction of public works, Vendor shall pay all its workers the applicable prevailing hourly rate of wages for work of a similar character in Lee's Summit. If there is a dispute whether this Contract is subject to prevailing wages as required by §§ 290.210, et. seq., RSMo. the City's determination shall control.
- u. **Force Majeure.** The Parties shall be excused from performance during the time and to the extent that they are prevented from obtaining, delivering, or performing for reasons beyond the Parties' reasonable control, including without limitation, by act of God, public health emergency, natural disaster fire, strike, loss or shortage of transportation facilities, lock-out, commandeering of materials, products, plants or facilities by the government, and any other events or circumstances beyond the reasonable control of the party, when satisfactory evidence is presented to the City, provided that it is satisfactorily established that the non-performance is not due to the fault or neglect of the Party not performing.
