Article I. Preamble

Section 1.01 Parties

This Agreement has been developed by the Fraternal Order of Police, West Central Missouri Regional Lodge # 50, herein called the "Lodge," and the City of Lee's Summit, Missouri, herein called the "City."

Section 1.02 Conflicts

In the event that any provision of this Agreement conflicts with any of the City's Personnel Policies, or with any General Orders of the City's Police Department (hereinafter, the "Department,"), the provisions of this Agreement shall be controlling. The parties recognize that the City's Personnel Policies, and the Department's policies and procedures will address topics not covered in this Agreement, and will provide further details about matters that are addressed in this Agreement. To the extent the provisions of the City's Personnel Policies, and the Department's policies and procedures do not conflict with the provisions of this Agreement, the policies and procedures shall be enforceable.

Article II. Recognition

Section 2.01 Bargaining Units

The City recognizes the Lodge as the exclusive bargaining representative for two separate bargaining units. The first unit shall consist of all full-time sworn Police Officers below the rank of Sergeant. The second unit shall consist of all full-time sworn Sergeants. The Lodge shall separately represent each of these units with respect to all matters concerning wages, hours, benefits, and other terms and conditions of employment.

Section 2.02 Added Classification

In the event any new sworn job classification is added to the Department with a rank equal to or below that of Sergeant, the City will bargain with the Lodge regarding whether the new job classification should be included in the bargaining unit. If the position is added to the bargaining unit, the City will further bargain with the Lodge regarding the duties and wage scale for the classification.

Section 2.03 Non-Discrimination

The Parties acknowledge and agree that there shall be no discrimination against or harassment of any employee by either party due to the employee's race, gender, color, national origin, religion, age, disability, sexual orientation, military service status, Lodge membership status or lawful Lodge activities, genetic information, marital status, political affiliation, political activity consistent with Article 14.3 of the City Charter and state law, or membership in any other category or classification that is protected by law.

Article III. Management Rights

Section 3.01 Management Right

Except as otherwise expressly provided in this Agreement, the City retains the right to manage the Department, both directly and as delegated to the Police Chief, including but not limited to the right to:

- a) Determine the mission of the City and the Department;
- b) Direct the working forces;
- c) Hire, classify, assign, promote, and transfer employees;
- d) Suspend, demote, discipline, and discharge employees for just cause;
- e) Relieve employees from duty because of lack of work or other legitimate reasons;
- f) Change existing methods, operations, facilities, equipment, and type or number of personnel;
- g) Promulgate, make, change, and/or revoke reasonable personnel rules, regulations, policies, and work and safety rules, consistent with this Agreement and applicable law, after discussion with the Lodge as provided herein;
- h) Assign work to bargaining unit and/or civilian support personnel;
- i) Maintain and/or take steps to enhance the efficiency of the operation of the Department; and
- j) Take whatever actions may be reasonably necessary to carry out the mission of the City and the Department.

Section 3.02 Rights & Responsibilities

The foregoing powers, rights, authority, and responsibilities, and the adoption of policies, rules, regulations and practices in furtherance thereof shall be exercised in good faith and in conformity with this Agreement by the City's selected management personnel. Failure of the City and/or Department to exercise any of the Management Rights enumerated above does not diminish the future ability to exercise such Management Rights.

Section 3.03 Operation of Law

Nothing in this Agreement shall be interpreted or construed in a way that would prevent the City and/or the Department from complying with any duty or obligation placed upon the City and/or Department by operation of law.

Section 3.04 Rules, Regulations, and City Orders (Not in Conflict with this Agreement).

The Lodge agrees that its' members shall be subject to all City and departmental policies, rules, regulations, orders and directives, including those relating to personal conduct and to work performance. The Lodge expresses its intent to encourage compliance of its membership with such policies, rules, regulations, orders, and directives.

Section 3.05 Section 3.05 Emergency Conditions.

If the Mayor, or the Mayor's designee as set forth in the Lee's Summit Emergency Operations Plan, declares by proclamation that a state of emergency exists within the City, the provisions of this Agreement may be suspended by the City during the time of the declared emergency. The City will return to normal operations once the emergency has been concluded.

Article IV. Lodge Rights

Section 4.01 Lodge Officials

The Lodge shall have the right to appoint or elect whatever officers, stewards, or other officials it wishes to elect. The Lodge will provide the City with up-to-date lists of the Lodge's officers, stewards, and assistant stewards.

Section 4.02 Lodge Business

Lodge officers may perform Lodge business while on the clock, with permission from their direct supervisor, so long as Lodge business does not interfere in any way with performance of the employee's regular job duties, or with the work of any other on-duty personnel. Lodge officers who are off-duty shall be paid for attending Labor/Management Committee meetings. All other Lodge business performed by off-duty personnel shall be performed at the employee's own discretion and on the employee's own time, without pay, and must be conducted in such a way that it does not interfere with the work of any on-duty personnel. The Chief of Police may grant time off to Lodge representatives designated by the Lodge for attendance at training or functions deemed mutually beneficial to the Lodge and the Department at the discretion of the Chief.

Section 4.03 Orientation

The City agrees that all new full-time personnel hired to fill represented positions shall, while on duty and during their orientation process, be given a presentation from the Lodge. During the presentation, the representative(s) of the Lodge will provide copies of this Agreement, explain the Lodge's function as the exclusive bargaining representative of the employees in the bargaining unit, will provide other information regarding the Lodge and membership therein, and will offer membership in the Lodge to each new full-time employee. The Lodge shall be allowed reasonable time to finish its presentation.

Section 4.04 Bulletin Boards

The City agrees to allow the Lodge to maintain bulletin boards in the shift briefing room and the CID Secretary area (one each). Bulletin board will be furnished by the City, and will be for the exclusive use of the Lodge and bargaining unit employees. All items placed on the bulletin board shall be initialed and dated by an officer of the Lodge. Items without a date and initials, or that are incendiary, inappropriate, or disruptive items may be removed by Management or a Lodge officer, with discussion between the parties.

Section 4.05 Use of Internal Mail

The Lodge shall be permitted to use the City's e-mail and hard copy internal mail distribution systems for Lodge business, so long as the Lodge's use does not create a

burden on the City's electronic and/or physical systems, and so long as such mail use does not hinder on-duty personnel in the performance of their duties. The Lodge and its members acknowledge that all City mail, whether electronic or physical, is subject to potential monitoring, and may also be subject to public disclosure under the State's sunshine law.

Section 4.06 Dues Deduction

Upon submission by the Lodge to the Finance Director of appropriate authorization cards, the City agrees to deduct monthly Lodge dues from the pay of each individual employee who has authorized such deduction. The City will remit deducted amounts to the Lodge on a monthly basis, or more frequently as the payroll system reasonably allows. The Lodge will notify the City of any changes in deduction rates at least thirty (30) days before such changes are to be put into effect. Revocation of such authorization must be in writing, with a copy to the Lodge and to the City.

Section 4.07 PAC Deduction

Upon submission by the Lodge to the Finance Director of appropriate authorization forms, the City agrees to deduct the specified amount from the pay of each individual employee who has authorized such deduction to the Lee's Summit Police Officers Association PAC fund (or other political action committee identified by the Lodge.) The City will remit deducted amounts to the Lodge on a monthly basis, or more frequently as the payroll system reasonably allows. Revocation of such authorization must be in writing, with a copy to the Lodge and the City.

Section 4.08 FOP Pin

Members shall be allowed to wear a ½ inch FOP pin on their official Police Department uniforms above their nametag. Members assigned to plain clothes duties will be allowed to wear the pin when appropriate for their duties.

Section 4.09 Lodge Representatives

On January 1 of each year, the Lodge shall provide the Department with a list of employees, at least four (4) sergeants and six (6) police officers, who shall serve as official Lodge representatives for that calendar year.

Section 4.10 Confidentiality

Bargaining unit personnel shall have the right to consult with a Lodge representative on a confidential basis regarding performance and disciplinary matters. To avoid any conflict between supervisory and Lodge responsibilities, all such confidential conversations shall occur only between employees and Lodge representatives. Any Lodge representative who has any supervisory responsibility over the person or issue involved shall be excluded from serving as a Lodge representative in any way with regard to that particular issue. Further, the right of confidentiality under this paragraph shall be limited in that all employees of the Police Department shall be obligated to immediately report to senior management and to answer questions about any statement indicating that an employee clearly has committed, or has a current intention to commit, any crime.

Section 4.11 Release of Information

The City shall, upon request, provide to the Lodge information, statistics, and records reasonably relevant to the Lodge's performance of its functions in serving as the exclusive bargaining representative of the employees in the bargaining unit. Where such information involves medical data, the City may require the Lodge to present a signed release from each employee covered by the request.

Section 4.12 Request For Information Fee

In the event the City estimates that responding to a single information request will require the production of more than 500 pages of information that is not available in electronic format, and/or will require more than four hours of staff time to research or prepare, the City shall notify the Lodge of this fact, and the estimated charge for compliance with the request. Research and duplication time will be estimated and charged at the lowest hourly pay and benefit rate of available qualified personnel, and copies shall be estimated and charged at 10 cents per page. In no event shall the Lodge be charged if the actual cost of research, duplication, and copies is less than \$300.00.

Section 4.13 Indemnification

The Lodge shall defend, indemnify and hold harmless the City in the event that a City employee should file a claim against the City for unauthorized dues deduction or release

of information, and such deduction or release was pursuant to information, or a request for information, provided by the Lodge to the City.

Article V. Past Practices

Section 5.01 Section 5.01 Establishment of Past Practices

A past practice is an agreement to handle a particular factual situation in a given manner. In order for a past practice to exist it must be: (1) unequivocal; (2) clearly enunciated and acted upon; and (3) readily ascertainable over a reasonable period of time. The parties mutually acknowledge that there do not exist any binding past practices between them as of the date of execution of this Agreement that establish terms or conditions of employment that exist outside the provisions of this agreement. In order for any binding past practice to be established in the future, the practice must be reduced to writing and signed by the parties at the time it is established. However, the parties acknowledge that past practices with regard to the interpretation of this agreement may exist and may be used by either party in any proceeding in which the interpretation of a provision of this Agreement is at issue.

Article VI. Job Descriptions and Specialty Positions

Section 6.01 Job Descriptions

The Department shall maintain job descriptions for all positions within the bargaining units. Job descriptions shall specify the qualifications for promotion into each classification.

Section 6.02 Training Time

Approved time spent in training for any higher position or specialized or additional duty assignments shall be paid for by the Department.

Article VII. Specialized and Additional Duty Assignments

Section 7.01 Specialized Assignments

Specialized duty assignments shall include, but not be limited to K-9 Officer, Community Interaction Officer, Detectives, IMPACT Officer, School Resource Officer, Traffic Officer, Crime Reduction Team Officer, Court Liaison Officer, Training Coordinator, Training and Wellness Sergeant, Community Interaction Sergeant, Crime Reduction Team Sergeant, Criminal Investigation Division Sergeant, Field Training Sergeant, and Traffic Unit Sergeant.

Section 7.02 Additional Duty Assignments

Additional Duty assignments shall include but not be limited to Bicycle Officer, Bomb Squad Officer, Crisis Intervention Team, Crisis Negotiators, Drug Recognition Experts, Emergency Services Squad, Field Training Officers, Honor Guard, Motorcycle Officers, Polygraph Examiners, Training Instructors, and supervising Sergeants over the described units and positions.

Section 7.03 Vacancy Posting

When there is a vacancy in any specialized duty assignment or additional duty assignment, the Department shall notify the Lodge and all members of the vacancy via interdepartmental e-mail and the Department will also post a copy of the notice on appropriate bulletin boards. The posting shall:

- a) Identify the vacant or new position by name and the rank of the position;
- b) Identify where the position is located;
- c) Identify the date on which the applications for the position must be received and to whom the applications should be delivered;
- d) Provide the entry qualifications for the position.

Section 7.04 Bid For Vacancy

Bargaining unit employees shall submit their bid for the vacant position to the Chief of Police or designee within the time prescribed in the bid posting. Once the deadline has passed, the Chief of Police or designee shall review the bids and determine if any or all

applicants meet the entry qualifications and shall review whether an applicant is disqualified from the position. An applicant will be disqualified when:

- a) The applicant has been disciplined for excessive absenteeism in the prior twelve-month period; or,
- b) The applicant has received any disciplinary suspensions in the prior twelve-month period.

The twelve-month period set out in subparagraphs (a) and (b) above shall run from the date of the job posting, but any employee who triggers either disqualifier between the date of bid posting and the date a position is awarded shall also be deemed disqualified. Applicants who are disqualified shall no longer be considered for the position.

Section 7.05 Multiple Assignments

Personnel who hold additional duty assignments may bid for and hold multiple additional duty assignments, so long as no conflict exists among the positions held.

Section 7.06 Input

The Chief of Police, or the Chief's designee, shall solicit and give due consideration to written input from the Sergeants, Captains, and Majors, and any other appropriate stakeholder regarding the most qualified applicant for each assignment, and shall then select the most qualified bidder to fill each assignment. Where overall qualifications are substantially equal, seniority shall be used as the tiebreaker to determine which bidder will be selected.

Section 7.07 Exempt Positions

IMPACT Officer, School Resource Officer, undercover or covert position openings may be exempt from Article VII requirements, at the direction of the Chief of Police. However, the Department shall still conduct a process, established at its discretion, to fill these listed positions.

Section 7.08 Abolition

The Chief has the right to abolish any specialized or additional duty assignment listed herein.

Article VIII. Hours of Work

Section 8.01 Hours

All bargaining unit members shall have a work year of at least 2080 hours. The normal shift duration is eight (8), nine (9), ten (10), or twelve (12) hours, depending upon the assignment.

Section 8.02 Shift Bidding Procedure

- a) Members assigned to Patrol, Traffic, and the Criminal Investigations Unit will complete a seniority-based bidding process annually, wherein:
- b) The bidding process will begin on October 15th at 0800 hours.
- c) Bid sheets listing all affected employees in the unit shall be placed conspicuously within their division, or shall be made readily available on-line, and shall list the shift and the hours available within each shift.
- d) The Division Commander shall list the employee's date of hire, promotion or unit appointment as applicable for seniority determination on the bid sheet. Members are responsible for contacting the Division Commander prior to the end of the bidding process if any discrepancy is noted in their date of hire or promotion.
- e) Employees may submit up to five (5) shift choices depending upon their assignments and available shifts. Employees shall record their preference in shift assignments ranked #1 through #5, with #1 being their first preference and so on. Employees will initial their selection on the bid sheet, or if completed electronically the bid will be submitted through the employee's City user account.
- f) The shift bidding shall end on November 1st of each year.
- g) The Division Commanders or their designees will announce the shift assignments, in writing, no later than November 15th of each year.
- h) Members who fail to provide a timely shift bid request will be placed on a shift at the discretion of the Chief of Police or the Chief's designee.
- i) Seniority will be determined in accordance with Article XX of this Agreement with rank seniority utilized for Sergeants, specialized unit seniority for Criminal Investigations and Traffic Units, and department seniority for Patrol.

- j) New shift assignments will become effective beginning on the first pay period of January of the new year, and shall be effective until the effective date of the subsequent shift bidding process.

Section 8.03 Additional Duty Assignments

Employees in additional duty assignments may bid for work hours; however, the Department may depart from the requirements of Section 8.02 if necessary to adequately spread additional duty employees throughout the shifts. Bidding shall take place within the assignment on the basis of specialized unit seniority.

Section 8.04 Shift Transfers and Reassignments

Employees may submit written requests to be transferred to any open position on a different shift, unit, section or squad (excepting specialized assignments) through their Chain of Command. Employees may also submit written requests to permanently trade shifts, units, sections, or squads with another employee, so long as both employees are in agreement to the trade. When, in the judgment of the Chief of Police or the Chief's designee, such reassignments or transfers will not be unduly disruptive to the operations of the Department, such reassignments or transfers shall be approved.

The Chief of Police or the Chief's designee shall assign a member who enters service to a shift until the next bidding process commences.

The Chief of Police shall have the authority to reassign any employee or employees to another shift, unit, section, or squad, for legitimate operational reasons. Any potential involuntary reassignment and the specific reasons therefore shall be provided to the Lodge and the employee(s) involved. When a reassignment may cause bumping of an employee, the Department shall initially seek volunteers and shall honor seniority as much as reasonably possible.

Members who are involuntarily or voluntarily reassigned to Patrol shall be placed in a vacant position at the discretion of the Chief of Police based upon the operational needs of the Department. Once reassigned, the member may submit a shift request listing five choices in rank order of preference. Upon receipt by the Department, the member shall be placed in the pool of other members who did not receive their priority preference during the bidding process, and an eligibility list for open positions shall be used based

upon the members' department seniority. Future openings shall be awarded to the most senior employee on the eligibility list pertaining to the open position.

Section 8.05 Meal Breaks

All employees shall receive a thirty (30) minute paid meal break. All employees shall receive two fifteen (15) minute rest breaks per shift worked. All breaks shall be subject to interruption or cancellation due to work demands.

Section 8.06 Duty Trade

Employees assigned to the same position shall be eligible to trade shifts between themselves, for their own convenience, subject to approval from management. All such trades shall be purely voluntary between the employees involved, and each employee shall be paid as if the employee had worked the employee's original schedule.

Article IX. Sergeants

Section 9.01 Supervisory Sergeant Duties

The parties mutually acknowledge that Sergeants are supervisory employees. As such, Sergeants are obligated to direct and maintain order and efficiency among subordinate personnel. Sergeants shall assist in the scheduling of personnel, and shall report any observed misconduct and/or performance problems. Sergeants shall recommend discipline when appropriate, and shall have the authority to suspend subordinate employees pending investigation on their own authority, when appropriate. Sergeants shall provide objective and accurate performance evaluations. Sergeants shall not be inappropriately pressured to change their rating of any individual employee. Sergeants shall also administer approved discipline when directed to do so.

Section 9.02 Retaliation Prohibited

Neither the City, the Lodge, or any member of either bargaining unit shall discriminate or retaliate against any Sergeant for the good faith performance of the above duties. Any Sergeant who is unable or unwilling to fulfill the above duties shall be subject to discharge or demotion to a non-supervisory position.

Section 9.03 Sergeant Promotions

- a) When the Chief of Police determines there is a need to fill one or more Sergeant positions, the Chief or a designated commander shall distribute a notice of the opening(s) via e-mail at least thirty days before the position is to be filled. The e-mail shall specify the commencement date for the promotional process.
- b) The promotional process shall begin with a written examination, to be validated and scored by an independent entity. The independent entity shall determine the cut-off for passing scores. Candidates passing the written examination will advance to the Oral Board interview.
- c) The Oral Board shall consist of one Captain designated by the Chief of Police or the Chief's designee, one Sergeant designated by the Lodge, and two outside law enforcement professionals at or above the rank of Sergeant, selected by the Chief of Police, or the Chiefs designee. The Oral Board will interview and score all candidates who passed the written examination. The Oral Board, with advice from Human Resources, shall agree upon a core set of questions to ask each candidate. The Board may additionally ask appropriate follow-up and individual background questions of each employee.
- d) The Oral Board will provide its interview scores to the Human Resources Department. The Human Resources Department will then prepare a list of the candidates, in rank order, based upon the overall combined scores received on the written and oral portions of the promotional process, which it will provide to the Chief of Police. The top 50% of the list will proceed for further consideration for promotion. When the top 50% number is an odd number, 50% plus one additional candidate will be considered. If any candidate is tied for the last position within the 50%, that candidate will be considered for promotion. The Chief shall determine and publish a rank order of these remaining candidates.
- e) This rank order will be used for promotion for the one year following the promotion date of the initial successful candidate. If this list is exhausted prior to a year, the Chief shall determine and publish a rank order of the remaining candidates who did not initially score in the top 50%. This list will be used for the remainder of the one-year period specified above. If the entire list is exhausted, a new promotional process will be conducted to fill new Sergeant positions.

- f) Rules regarding promotional eligibility and additional details of the promotional process are set out in Departmental policy, as it may be revised from time-to-time, consistent with this Agreement.
- g) Employees not eligible for promotion are those who were on probation or unpaid leave (other than FMLA or military leave) on either the testing date or the appointment date. A candidate may be passed over for promotion for sufficient cause, in which case each candidate passed over shall be advised, in writing, of the reasons for being passed over, with a copy sent to the Lodge.

The parties further recognize the extraordinary circumstances for care may arise, which will be compensated at the regular overtime rate pending commander approval. It is the intent of the parties that this pay will provide full compensation for all time spent in the standard care, feeding, and exercising of a City canine, as required under the Fair Labor Standards Act. Discipline or discharge of bargaining unit represented employees will be for just cause. For purposes of just cause:

- a) Knowledge of a policy shall be imputed if the employee has received a copy of the City and/or departmental policies and has signed electronically or in writing an acknowledgment of the same, subject to any amendments or

updates which shall also be provided and shall be acknowledged by electronic or written signature of the employee.

- b) Notice shall not be required when a reasonable person would know that the conduct could or would be likely to lead to discipline, unless such conduct is covered by a Department policy. Such instances include, but are not limited to, insubordination, intoxication, whether from drugs or alcohol, on the job, theft, fraud, loss of eligibility to perform essential duties of the job for which the individual is employed, unreasonably endangering the safety of self or others, and violation of any federal, state or local law, ordinance or law enforcement regulation.

During any investigatory meeting, the result of which may reasonably be expected to lead to discipline of the employee being questioned, and during any meeting in which discipline other than informal counseling is to be issued, the employee who is being questioned or who is receiving discipline shall have the right to request Lodge representation. If the employee requests such representation, the meeting shall not proceed until a Lodge representative is present. The employee must select a representative from the official list of Lodge representatives, who is not involved in the matter at hand, who has no supervisory authority over the employee, and who is available to attend the meeting within a reasonable period of time, which will typically mean that the representative must be selected from among on-duty employees. Stewards or other Lodge representatives present at investigatory or disciplinary meetings shall be permitted to ask questions, bring issues to management's attention, and to confer privately with the employee upon request, so long as the Lodge representative's conduct does not unduly disrupt or interfere with the conduct of the meeting.

Section 24.06 Unsatisfactory Performance

In cases involving unsatisfactory performance of an employee's duties — if the unsatisfactory performance does not involve negligence, willful neglect, or gross incompetence — Department management shall notify the employee of the shortcomings in job performance, explain the Department's performance expectations, and give the employee a reasonable opportunity to improve performance before initiating the disciplinary process. If it appears that additional training is appropriate, and if such training can reasonably be provided to the employee using the City's in-house

resources, the City shall provide and the employee shall willingly and in good faith participate in such training, before any discipline will commence.

Article XXV. Internal Investigations

Section 25.01 Administrative Investigations

- a) Notify the bargaining unit member in writing, prior to any interview. The notification shall specify (i) the nature of the complaint, and any specific allegations against the employee; (ii) the complainant's name, if known, unless disclosing such name may jeopardize the investigation; and (iii) the name and phone number of the investigator.
- b) Offer the employee the opportunity to speak with a Lodge representative prior to the interview and have the Lodge representative present during any interview of the employee, in accordance with this Agreement.
- c) Mechanically or digitally record any formal statement taken during the course of the investigation, including but not limited to the statement of the accused officer.
- d) Provide a Garrity warning to all employees who are ordered to provide statements.
- e) Complete the investigation within a reasonable period of time.

Section 25.02 Criminal Investigations

If, during the course of any investigation, it becomes apparent that the employee's alleged conduct may amount to criminal activity, the Department shall suspend any

internal investigation and refer the matter for criminal investigation. During the pendency of any criminal investigation, management may elect either to place the employee on administrative leave, with pay, or it may elect to take appropriate disciplinary action based on the information gathered independent of the criminal investigation referral.

Section 25.03 Outcome Of Investigation

Once an investigation is complete, management shall inform the employee and the Lodge of the outcome of the investigation.

Section 26.03 Waiver Of Additional Process, When

In the event that the Lodge files a grievance on behalf of an individual employee or group of employees, the election to use the grievance process set out herein shall constitute a waiver of any other dispute resolution mechanism that would otherwise be available to address the same matter.

Section 26.04 Filed Within 15 Days

All grievances must be brought to the attention of management within fifteen (15) calendar days after the Lodge and/or grieving employee first knew or reasonably should have known of the issue being raised. The Lodge may file a grievance on its own behalf or on behalf of any bargaining unit employee.

Grievances at the first step shall be filed with the appropriate Captain. Every grievance shall be reduced to writing, signed, and dated by the person submitting the grievance. Each first step grievance shall state in summary fashion the nature of the issue being grieved, including a concise statement of the facts giving rise to the grievance, the applicable section(s) of the Agreement that has allegedly been violated, and the resolution desired. The Captain shall countersign and date the grievance when it is submitted. Within ten (10) calendar days after receiving a grievance, the Captain shall issue a written decision stating that the grievance is upheld, or if the grievance is denied, stating the reasons for the denial.

If the matter is not satisfactorily resolved at Step One, the Lodge or the aggrieved employee may appeal the grievance to the Police Chief. Any appeal to Step Two must be submitted to the Police Chief within ten (10) calendar days after the Captain issues a decision at Step One, or within fourteen (14) calendar days after the grievance was filed at Step One if the Captain fails to issue a timely decision. The written Step Two appeal to the Police Chief must contain a concise statement of the facts giving rise to the grievance, the applicable section of this Agreement or City or Departmental policy that has allegedly been violated, and the resolution desired.

Section 26.07 Step Three

If the matter is not satisfactorily resolved at Step Two, the Lodge or the aggrieved employee may appeal the grievance to the City Manager or the City Manager's designee. Any appeal to Step Three must be submitted within ten (10) calendar days after the Police Chief issues a decision at Step Two, or within fourteen (14) calendar days after the grievance was appealed to Step Two, if the Police Chief fails to issue a timely decision.

Section 26.08 Step Three Hearing

The parties may mutually agree to hold a Step Three Hearing within ten (10) calendar days after receiving a Step Three appeal. At such hearing, the parties shall have the right to call and cross-examine witnesses and submit evidence in support of their respective positions. The City Manager or the City Manager's designee shall issue a written decision either upholding or denying the grievance within ten (10) calendar days after the Step Three hearing, or within ten (10) calendar days after the grievance is submitted at Step Three if no hearing is requested. The written decision shall explain the reasons for any conclusion reached.

Section 26.09 May File At Step Two, When

In any grievance challenging any disciplinary suspension that involves loss of pay, or any discharge from employment, the Lodge shall have the right to file the initial grievance at Step Two.

Section 26.10 Lodge Shall Represent

The Lodge shall represent the interests of the bargaining unit members at all steps of the grievance process.

Section 26.11 Time Limits

The time limits set out above shall be strictly enforced, unless one party submits a written request for an extension of time and the other party agrees to the requested extension in writing (including e-mail). All extensions of time shall be for a specific number of calendar days.

Article XXVII. Arbitration

Section 27.01 Appeal To Arbitration

If a grievance regarding the application or interpretation of this Labor Agreement is not satisfactorily resolved at Step Three, the Lodge may appeal the grievance to binding arbitration by delivering a Notice of Intent to Arbitrate to the Director of Human Resources within ten (10) calendar days after receiving the Step Three decision, or within fourteen (14) calendar days if the City Manager or the City Manager's designee fails to issue a Step Three decision.

Section 27.02 Selection of the Arbitrator

Within fourteen (14) calendar days after the Notice of Intent to Arbitrate is delivered, the parties will jointly agree upon an arbitrator. In the event a joint agreement is not reached within 14 days, then the party seeking arbitration shall submit a request for a list of seven (7) arbitrators to the Federal Mediation and Conciliation Service. Each party may reject a maximum of one list received from FMCS per grievance, and the party rejecting any list shall be responsible for obtaining a replacement list from FMCS. The parties shall alternately strike one name from the list, with the party seeking arbitration striking first. The last name remaining on the FMCS list shall be appointed to serve as the Arbitrator empowered to resolve the matter. The party requesting arbitration shall notify the selected arbitrator of the selection within seven (7) days after the date of selection, requesting dates within the next three months on which the arbitrator could be available to hold a hearing on the matter. Within seven days after receiving available hearing dates from the Arbitrator, the parties shall jointly select an agreeable hearing date.

Section 27.03 Decision Of The Arbitrator, Conditions

The decision of the Arbitrator shall be subject to the following conditions:

- a) The Arbitrator shall determine the procedural rules of arbitration, and make such orders during the pendency of the proceeding as are necessary to enable the Arbitrator to act effectively.
- b) In the resolution of disputes, the Arbitrator shall give no weight or consideration to any matter except the language of the Agreement and policies at issue, applicable law, and the evidence presented by the parties.

- c) The Arbitrator shall have no power to add to, subtract from, or modify any of the terms of this Agreement. The Arbitrator shall have no power to establish or change any wage rates.
- d) The Arbitrator's authority shall be limited to resolving the particular grievance pending before the Arbitrator.

Section 27.04 Arbitrator Decision Final And Binding

Section 27.05 Costs Shared Equally

The costs of the Arbitrator shall be shared equally by the City and the Lodge. Each party shall otherwise bear its own costs.

Article XXVIII. Labor Management Committee

This Committee will strive to improve relationships between Labor and Management in all areas, and to ensure that this Agreement is properly administered at all times. The City and the Lodge shall appoint their respective representatives to this Committee within one month after this Agreement is signed by both parties. Those representatives shall meet promptly thereafter and shall set up a schedule of regular meetings. All other joint committees as provided for in Section 28.04 shall report to the Labor/Management Committee.

Section 28.02 Labor/Management Committee Cooperative Basis

The parties mutually acknowledge that the purpose of the Labor/Management Committee is to discuss topics of mutual interest on a cooperative basis. The Labor/Management Committee is not a forum for formal collective bargaining.

All new or revised policies, work rules, or practices, if requested, shall be discussed by the Labor/Management Committee before being implemented, except in cases where failure to immediately implement a policy, work rule, or practice would negatively affect the Department's ability to provide services to the public. Such discussions shall not be pro forma, but shall be meaningful and conducted in good faith, with due consideration of the Lodge's comments and input. A Lodge representative will serve on the Policy Review Committee.
- d) Clarifications as to the application or interpretation of this Agreement, policies, work rules, or practices, not the subject of an active grievance at the time.
- e) Resolution of any dispute or problem involving any represented full-time employee or group of employees, on an informal, voluntary basis.

Any appropriate, lawful action, consistent with City and Departmental policy, taken by a commissioned officer on the officer's time off, which could have been taken by an officer on duty, if present or available, shall be considered police action, and bargaining unit members shall have all the rights, obligations, and benefits concerning such action as if they were on active duty.

Section 29.03 Policies To Be Available

The City will make all policies that are applicable to employees covered under this agreement available to each employee in print or electronic format. Employees desiring to hold other employment shall submit a written request to the Police Chief, identifying the other employment for consideration and approval.

Section 29.05 Release of Personal Information

The City shall not release an employee's personal information, including, date of birth, address, phone number or other identifiable information to a third party (not including the Lodge) for any reason except with the employee's written consent, when required for the performance of the employee's duties (e.g. to arrange for training), or as required by law.

Training approved by the Department shall be considered to be on-duty time, for which the employee will be compensated in accordance with the provisions set forth in this Agreement. Time spent in such training over and above the employee's regular workday shall be considered overtime, and compensated at the rate of one-and-one-half times the member's normal rate of pay. All costs associated with the training shall be paid by the Department.

Article XXXI.Complete Agreement

Section 31.01 Opportunity To Make Demands

The parties acknowledge that during negotiations which resulted in this Agreement, each had the unlimited right and opportunity to make demands and proposals with respect to any subject or matter not removed by law from the area of collective bargaining, and that the understandings and agreements arrived at by the parties after the exercise of that right and opportunity are set out in this Agreement. Therefore, the City and the Lodge, for the life of this Agreement, each voluntarily and unqualifiedly waives the right and each agrees that the other shall not be obligated to bargain collectively with respect to any subject or matter referred to or covered in this Agreement, except as expressly provided for herein. Further, each party voluntarily and unqualifiedly waives the right and agrees that the other shall not be obligated to bargain collectively over any other subject during the life of this Agreement, even though such subjects or matters are not addressed herein, and may not have been within the knowledge or contemplation of either or both of the parties at the time they negotiated or signed this Agreement. Should matters arise during the term of this Agreement that are appropriate subjects of collective bargaining, they shall be addressed under the Labor/Management process set out in Article XXVII.

Section 31.02 Entire Agreement

This Agreement constitutes the entire Agreement between the parties hereto, and supersedes and replaces any and all obligations and/or agreements, whether written or oral, express or implied, between or concerning the parties and/or represented employees of the City. No amendment, modification, or addition to this Agreement shall be effective unless it is reduced to writing and signed by both parties.

Section 31.03 Savings

If any article or section of this Agreement shall be held invalid by operation of law or by any tribunal, the remainder of the Agreement shall not be affected thereby. The Parties shall enter into immediate collective bargaining for the purpose of arriving at a mutually satisfactory replacement for any article or section that has been held invalid.

For the term of this Agreement, should the City declare a bona fide fiscal emergency, the City may re-open this Agreement for the purposes of renegotiating wages only. Should such an emergency be declared, no unilateral changes to the wage progression shall be implemented until the expiration of a mandatory forty-five (45) calendar day negotiation period during which time both parties shall negotiate in good faith. At the conclusion of the mandatory negotiation period, the City may implement such changes to the wage progression as may be necessary to address the fiscal emergency, provided that the City has met with the bargaining representative. Should the City declare a bona fide fiscal emergency and implement unilateral changes to the wage progression, the Lodge may at its option terminate the remaining term of the agreement as of December 31st and begin negotiations with the City for a successor agreement.

Article XXXII. Term of Agreement

attempt to reach agreement on the terms of the renewal or replacement of this Agreement. In the event no notice is given, this Agreement will automatically renew for successive one-year periods. If notice is given, then the terms of this Agreement will remain in effect after the expiration date, until the parties either reach agreement on a renewal or replacement agreement, or until the parties reach a bargaining impasse.
