**Section 3.02 Extensions.** In addition to any extension permitted pursuant to Section 3.01 of this Agreement, the times within which development activities are to commence or be completed may, upon written request from Developer, be extended by the City upon approval of same by its City Council, in the City Council's sole discretion.

**ARTICLE 4**  
**TAX ABATEMENT AND PAYMENTS IN LIEU OF TAXES**

**Section 4.01 Tax Abatement.** The tax abatement provided in this section shall be as follows:

A. First Ten (10) Years. The real property in the Redevelopment Area shall not be subject to assessment or payment of general ad valorem real estate taxes imposed by the City, the State, or any political subdivision or taxing district thereof, for a period of ten (10) years after the year in which the Corporation first becomes the record owner of each tract. The amounts of such tax assessments shall not be increased during said ten (10) year period so long as the real property is owned by the Corporation and used in accordance with this Redevelopment Plan, or the successor in interest to any such property shall continue to use, operate and maintain such real property in accordance with this Redevelopment Plan. Real property taxes imposed on the basis of the assessed value of the land exclusive of improvements as was determined by the County Assessor for taxes during the calendar year preceding the calendar year in which the Corporation acquired title to any tract within the Redevelopment Area shall be paid to the taxing districts in accordance with The Urban Redevelopment Corporations Law.

B. Second Fifteen (15) Years. For the next ensuing period of fifteen (15) years (the “**15-Year Period**”), ad valorem taxes upon each tract within the Redevelopment Area shall be measured by the assessed valuation thereof as determined by the County Assessor upon the basis of not to exceed fifty percent (50%) of the true value of such real property, including any improvements thereon, nor shall such valuations be increased over fifty percent (50%) of the true value of such real property from year to year during the 15-Year Period, so long as such tract is owned by the Corporation and used in accordance with this Redevelopment Plan, or the successor in interest to any such tract shall continue to use, operate and maintain such tract in accordance with this Redevelopment Plan.

C. Abatement Contingent upon Compliance with Redevelopment Plan. The tax relief provided in this section shall be contingent upon the Developers’, or their successors’ and assigns’, compliance with the Redevelopment Plan and this Agreement, and shall apply to general ad valorem taxes only and shall not be deemed or construed to exempt the Corporation, Developer or their successors in interest, in whole or in part, from special assessments, the City’s excise tax imposed upon building contractors, fees, charges or other taxes which may be imposed by the City or another governmental unit, including the CID Special Assessments imposed by the CID.

D. Expiration of Abatement. The real property comprising each of the Redevelopment Project Areas within the Redevelopment Area shall become subject to assessment and payment of all ad valorem taxes, based upon the full true value of such real property, upon the earlier to occur of the following: (i) the costs of the Redevelopment Project Public Improvements, plus interest, associated with each Redevelopment Project Area, as described in the Redevelopment Plan, have been paid in full with the revenue generated by the CID Special Assessments imposed within each Redevelopment Project Area, or (ii) the expiration of the twenty-five (25) year period of abatement.

E. PILOTs. During each year for a period of ten (10) years after the date upon which the Corporation acquires title to a tract within the Redevelopment Area, an annual payment in lieu of taxes (“**PILOTs**”) shall be paid to the taxing districts by the owner of each tract transferred to the Corporation in an amount equal to fifty percent (50%) of the taxes that would have been due and payable based on the assessed valuation of the land and improvements, in the absence of the tax abatement provided in this Section 4.01, and less any taxes actually paid pursuant to Section 4.01.A. above. During the 15-Year Period, no PILOTs shall be required.

**ARTICLE 5  
TRANSFER OF THE REDEVELOPMENT AREA**

**Section 5.01 Developer's Ability to Transfer the Redevelopment Area.**

A. Sale to Third Party. If Developer proposes to sell, lease, assign, transfer, convey and/or otherwise dispose (hereinafter collectively referred to as a "**Sale**") any portion of the Redevelopment Area, Developer shall first obtain a fully executed Transferee Agreement in accordance with Section 5.01.C. In the event of such a Sale, all rights and obligations of Corporation hereunder with respect to the subject property, including those concerning tax abatement, shall transfer to the transferee.

B. Restriction on Transfer of Phase 1 Property to Tax-Exempt Entities. No sale, transfer or other conveyance of any portion of the Phase 1 Property may be made to an entity that may claim exemption, or is exempt, from real property taxes for all or any portion of any parcel of the Phase 1 Property (a "**Restricted Entity**") as long as the CID Special Assessments are being imposed by the CID in order to generate revenue to reimburse the City for its funding of the Redevelopment Project 1 Public Improvements (as that term is defined in the Redevelopment Plan) (the "**Restricted Period**") without the prior written approval of the City. In the event that Developer or its successors and assigns in the Phase 1 Property seeks to transfer any portion of the Phase 1 Property to a Restricted Entity during the Restricted Period, such transfer may only occur upon the prior written approval of the City, which approval shall not be unreasonably withheld, and upon the prior execution of a separate agreement between the purchasing Restricted Entity and the City which provides for the annual payment of an amount equal to the CID Special Assessments imposed by the CID which otherwise would be paid in regard to such property by such Restricted Entity for each of the years remaining in the Restricted Period, or such lesser amount as approved by the City. This requirement shall be a covenant running with the land and shall be enforceable for such period as if such purchaser, transferee or possessor thereof were originally a party to and bound by the Agreement.

C. Transferee Agreement. In the event of each transfer of property in the Redevelopment Area pursuant to Section 5.01.A., Developer or its authorized successors and assigns shall require the proposed transferee to execute a transferee agreement with the City in substantial compliance with the form attached as Exhibit E. No Sale shall occur without the prior execution of a transferee agreement with the City. The parties agree that the intention of each transferee agreement is to protect the Corporation and the City by ensuring that all transferees in the Redevelopment Area receive actual notice of the rights, duties and obligations contained in this Agreement prior to taking ownership, and nothing contained in a transferee agreement that is an accordance with Exhibit E shall be deemed to impose any rights, duties or obligations that are not imposed pursuant to this Agreement. A transferee agreement in compliance with the form attached as Exhibit E may be executed by the Mayor without further action or approvals by the City Council. Changes to a proposed transferee agreement shall require approval of the City Council before such transferee agreement may be executed by the Mayor.

**ARTICLE 6  
DEFAULT AND REMEDIES**

**Section 6.01 Default and Remedies.**

A. Event of Default. It shall constitute a "**Developer Event of Default**" if Developer, or its successors or assigns, fails to timely perform, in material respects, any obligation or covenant of Developer under this Agreement, and such failure is not cured to the City's reasonable satisfaction within fifteen (15) days after the City gives Developer, or its successors or assigns, written notice thereof, or if it

cannot reasonably be cured within fifteen (15) days, Developer, or its successors or assigns, is not diligently proceeding to cure same. Upon the occurrence of a Developer Event of Default respecting any portion of the Redevelopment Area which is still owned by Developer at the time of the Developer Event of Default, this Agreement shall be terminated with respect to all portions of the Redevelopment Area which have not been the subject of a Sale in accordance with Section 5.01.A. Upon the occurrence of a Developer Event of Default respecting any portion of the Redevelopment Area which is no longer owned by Developer at the time of the Developer Event of Default, this Agreement shall be terminated with respect to that portion of the Redevelopment Area which was the subject of the Sale.

B. Full Assessment. Upon termination of this Agreement pursuant to this section, for the Redevelopment Area as a whole, or for any portion of the Redevelopment Area, a declaration of abandonment shall be filed with the Recorder of Deeds of Jackson County, Missouri, and the subject real property shall from that date be subject to assessment and payment of all ad valorem taxes based on the true full value of such real property.

C. CID Special Assessments. In the event this Agreement is terminated prior to the full term of the Agreement set forth in Section 7.02 based on a Developer Event of Default with respect to any portion of the Phase 1 Property, and any portion of the Phase 1 Property becomes subject to assessment and payment of ad valorem taxes, the CID Special Assessments imposed on the Phase 1 Property shall not be repealed or otherwise terminated and shall remain in full force and effect.

## ARTICLE 7 GENERAL PROVISIONS

**Section 7.01 Modifications; Successors and Assigns.** The terms, conditions and provisions of this Agreement and of the Redevelopment Plan shall not be modified or amended except by mutual agreement in writing between the City, Developer, and Corporation. This Agreement shall be binding upon and inure to the benefit of the City, Developer, and Corporation and their respective successors and assigns; provided, however, Developer may not assign its rights under this Agreement except in conjunction with a Sale in accordance with the provisions of Section 5.01 hereof, and then only if the proposed assignee and/or transferee thereof shall execute a transferee agreement in substantial compliance with the form attached as Exhibit E, wherein the transferee expressly assumes all obligations of Corporation hereunder.

**Section 7.02 Term of Agreement.** This Agreement shall remain in full force and effect for so long as any portion of the real property comprising and located within the Redevelopment Area is or could be subject to abatement of general ad valorem taxes pursuant to Section 4.01 hereof and upon the expiration of such period for all parcels in the Area this Agreement shall terminate. The rights and privileges given to Developer and Corporation by this Agreement and the duties and obligations imposed on Developer and Corporation shall apply only to the Redevelopment Projects described in the Redevelopment Plan. Notwithstanding anything herein to the contrary, any liability of Developer to the City accruing prior to the termination of this Agreement and remaining unsatisfied at the time of such termination, shall continue and remain actionable beyond such date of termination.

**Section 7.03 Representatives Not Personally Liable.** No elected or appointed official, agent, employee or representative of the City shall be personally liable to Corporation in the event of any default or breach by any party under this Agreement, or for any amount which may become due to any party or on any obligations under the terms of this Agreement.

**Section 7.04 Indemnification and Hold Harmless.** The indemnification and covenants contained in this Section 7.04 shall survive expiration or earlier termination of this Agreement.

A. Notwithstanding anything herein to the contrary, the City shall not be liable to Developer or Corporation for damages or otherwise in the event that all or any part of The Urban Redevelopment Corporations Law, the Authorizing Ordinance and/or any other ordinance of the City adopted in connection with this Agreement or the Redevelopment Plan or affecting the proposed Redevelopment Projects shall be declared invalid or unconstitutional in whole or in part by the final (as to which all rights of appeal have expired or have been exhausted) judgment of any court of competent jurisdiction.

B. Developer hereby agrees that, anything to the contrary herein notwithstanding, it will defend, indemnify and hold harmless the City and the Corporation, and their governing body members, officers, agents, servants and employees against any and all claims, demands, actions, causes of action, loss, damage, injury, liability and/or expense (including attorneys' fees and court costs) resulting from, arising out of, or in any way connected with (i) a Developer Event of Default, (ii) the negligence or intentional misconduct of Developer, its employees, agents, contractors, or subcontractors, (iii) design, engineering or construction of any public improvements by or at the direction of Developer within the Redevelopment Area, or (iv) the presence of hazardous wastes, hazardous materials or other environmental contaminants on any property within the Redevelopment Area. In the event that the validity or construction of The Urban Redevelopment Corporations Law, the Authorizing Ordinance and/or any other ordinance of the City adopted in connection with this Agreement or the Redevelopment Plan or affecting the proposed Redevelopment Projects are contested in court, the City and the Corporation shall be defended, held harmless and indemnified by Developer from and against all claims, demands and/or liabilities of any kind whatsoever including, without limitation, any claim for attorney fees and court costs, and Developer shall pay any monetary judgment and all court costs rendered against the City or the Corporation, if any. Notwithstanding the foregoing terms of this Section 7.04.B., Developer shall have no obligation to defend, hold harmless or indemnify the City with respect to any matter or expense resulting from or arising out of the negligence or willful misconduct of the City and/or its elected and/or appointed officers, governing body, members, servants, employees, agents, contractors or subcontractors.

C. The City and the Corporation, and their governing body members, officers, agents, servants and employees shall not be liable for any damage or injury to the persons or property of Developer or its officers, agents, servants or employees or any other person who may be within the Redevelopment Area, or to the construction of the Redevelopment Projects, except for matters arising out of the willful misconduct or negligence of the City and the Corporation or their governing body members, officers, agents, servants, employees, contractors or subcontractors.
