NOW, THEREFORE, be it resolved by the Board of Commissioners for the Land Clearance for Redevelopment Authority for the City of Lee’s Summit:

1. **Findings.** In accordance with the LCRA Act, the LCRA Board of Commissioners makes the following findings and recommends that the City Council by ordinance make the following findings regarding the LCRA Plan:

A. The LCRA Plan sets forth all required elements of a project withing a “redevelopment plan” and the “urban renewal plan” as required by the LCRA Act, and the redevelopment work described in the LCRA Plan qualifies as an “urban renewal project” under the

LCRA Act.

B. The LCRA Redevelopment Area for the LCRA Plan is a blighted area, in that:

1. The City Council found that Redevelopment Area is a blighted area pursuant to the LCRA Act through the adoption of Ordinance No. 7472 in June 2014, and further finds that the blighting conditions within such area, and specifically on this parcel of property, have not been cured by redevelopment since the date of the blight finding in 2014;

2. the area has a predominance of insanitary or unsafe conditions and conditions which endanger life or property by fire or other causes, and suffers from economic underutilization and is an economic liability to the City, and therefore constitutes an economic and social liability in its present condition and use.

C. Redevelopment of the LCRA Redevelopment Project Area is necessary and is in the interests of the public health, safety, morals and welfare of the residents of the City.

D. The LCRA Plan is in conformance with the Comprehensive Plan of the City, in that:

1. The existing zoning designation of the Redevelopment Area is appropriate for the Project's intended uses, and the property in the Redevelopment Area is identified within the City's Comprehensive Plan as designated for "mixed-use" and the property is zoned in the "Planned Industrial" zoning district, which demonstrates consistency between the Comprehensive Plan, the zoning of the Redevelopment Area, and the LCRA Plan.

2. The proposed land uses and building requirements in the Redevelopment Area are designed with the general purpose of accomplishing, in conformance with the Comprehensive Plan, a coordinated, adjusted and harmonious development of the community and its environs which, in accordance with present and future needs, will promote health, safety, morals, order, convenience, prosperity and the general welfare, as well as efficiency and economy in the process of development.

3. The City's Comprehensive Plan presents a "workable program" as required by the LCRA Act for the LCRA Redevelopment Project Area in that it provides for an official plan of action for effectively dealing with the problem in insanitary, blighted, deteriorated or deteriorating areas within the community and for the establishment and preservation of a well-planned community with well-organized residential neighborhoods of decent homes and suitable living environment for adequate family life, for utilizing appropriate private and public resources to eliminate and prevent the development or spread of insanitary, blighted, deteriorated or deteriorating areas, to encourage needed urban rehabilitation, to provide for the redevelopment of blighted, insanitary, deteriorated and deteriorating areas, and undertaking such activities as may be suitably employed to achieve the objectives of such a program.

2. **Recommendations.** The LCRA Board of Commissioners recommends that the City Council take the following actions with respect to the LCRA Plan:

A. adopt an ordinance to make the findings recommended in Section 1 above regarding approval of the LCRA Plan;

B. approve the LCRA Plan; and

C. designate 1601 SE Hamblen Road, LLC, as the developer of record for the LCRA Plan and enter into a redevelopment agreement with the developer of record for implementation of the LCRA Plan with respect to the redevelopment in the LCRA Redevelopment Project Area.

3. **Delegation of Authority, Powers and Functions.** The LCRA Board of Commissioners hereby delegates the authority, powers and functions of the LCRA with respect to implementation of the LCRA Plan and carrying out the purposes and the intent of this Resolution:

A. The LCRA Board of Commissioners hereby delegates to the City of Lee’s Summit, Missouri, all of the authority, powers and functions of the LCRA as granted to the LCRA under the LCRA Act with respect to the planning and undertaking of the LCRA Plan and the land clearance project authorized therein within the Redevelopment Area, and the City will thereby be authorized to carry out and perform such authority, powers and functions for the LCRA.
