

Minutes for Neighborhood Meeting Douglas Corporate Center

Meeting Details

Date: March 12, 2016

Time: 6:00 PM – 7:00 PM

Location: Mid-Continent Public Library Room 5 - Lee Summit, Missouri

Participants: Brian Davalos, Brian Maenner

Agenda

Discussion about any qualms, questions, or concerns about the development of Douglas Corporate Center.

Opening Remarks

Brian Davalos and Brian Maenner, being the only two participants, introduced each other and began discussing what concerns that Brian Maenner might have on the project.

Concerns and Questions

Brian Maenner would be opposed to a convenience store being put on any lot within the development of Douglas Corporate Center. A lot of money has been invested into the development across the street, and the convenience store might have a negative effect on that.

Another concern would be the signalized intersection that is being proposed. If possible, he would like it to be moved further north if possible, but that is up to the traffic engineer and realizes it might not be possible. It's just a preference for aesthetics.

Closing and Next Meeting

The meeting ended at 7:00 PM and the next meeting is still up for an undetermined date.
