The Boards and Commissions Application from cityofls.net was submitted.

**District registered to vote:** District 1

**High School Attended:** Lee's Summit North

**College Attended:** University of Missouri Kansas City (UMKC)

**Current Employment:** Integrity Group Real Estate & Icy Shine Car Wash

**Position Held:** Real Estate Broker & Business Owner

**Interest Response:** I have had a deep love for Lee's Summit since I was a child, attending school (K-12) in the LSR7 school district and graduating from Lee's Summit North. I was highly active in many sports, activities, and organizations throughout my time in school and have aspired to be able to benefit the broader Lee's Summit community as an adult utilizing my professional experiences and education.

I graduated from UMKC with a Bachelor's degree in Finance and have a Master's degree in Financial Management from Boston University. I have also received higher education in construction management and operations management. I have significant experience across both real estate and finance, including as a licensed real estate broker and former commercial banker at UMB Bank. I also have significant experience in real estate development, both as an employee of one of the largest developers in the country as well as consulting on smaller, private developments.

I currently am active as a commercial real estate broker and consultant, as well as a small business owner with a car wash in Independence.

**Other Activities:** I have not recently been very active in community and civic groups due to relocating back to Lee's Summit right at the beginning of the pandemic and subsequently having a demanding work schedule. I am excited to engage more with the community once again now that I have more time available to do so.

As a youth in Lee's Summit, I participated in many school and community programs including various sports, National Honor Society (NHS), Student Athletics and Activities Council (SAAC), Student Senate, and many others. I held various leadership positions in these organizations.

More recently (2015-2017), I was a heavily involved volunteer with the Boys Hope Girls Hope program located in South Kansas City. After moving to Denver for a work promotion in 2017, I continued to volunteer with the Boys Hope Girls Hope affiliate in Denver and was a highly active participant in the prestigious civic/business program called Impact Denver.

I currently attend Chamber of Commerce events in Lee's Summit as well as Cass County, along with some business networking groups.
