RE: YOUR SOLE SOURCE FOR BIOXIDE® PRODUCTS AND SERVICES

Dear Mr. Riley:

Evoqua Water Technologies LLC is the sole source provider of Bioxide® products (Bioxide, Bioxide-AQ, Bioxide AE, Bioxide Plus 71 and AQUIT solutions). Related services that we offer to our customers are provided under the Full Service Odor Controlsm program. Evoqua is the only authorized service provider for our Bioxide products line, which includes VersaDose, Link2site and VaporLink devices. We are also the only authorized service provider for our Bioxide products chemical feed systems, which includes the 2-pump 2 timer.

A license to use Bioxide products is included with the product sale. Patents that cover aspects of the use of Bioxide products include, but are not necessarily limited to, United States Patent Nos. 6,309,597, 7,087,172, 7,186,341 B2, US 7,779,224 B2, US 7,799,215 B2 and 7,553,420 B2. Bioxide, Bioxide-AQ, Bioxide AE, Bioxide Plus, AQUIT and Full Service Odor Control are trademarks of Evoqua Water Technologies LLC.

Should you have any questions or require additional information, please contact me at (469) 712-9330 or via email at robert.scott@xylem.com.

Sincerely,

Evoqua Water Technologies LLC
