

- Legal Description: Proposed Lot 1, Lee's Summit Retirement Residence.
- Notes:
1. All construction and materials to conform to the City of Lee's Summit specifications per the Design and Construction Manual. It is advisable that the contractor become familiar with this document in the event that there is a discrepancy between this approved plan and the Manual. Advise the design engineer of any discrepancy prior to bidding or working on this project.
 2. Haybales/silt fence shall be installed at the perimeter of all disturbed areas within the site during construction for erosion control.
 3. Contractor to locate and relocate any existing utilities that may conflict with construction as necessary.
 4. All disturbed areas to be sodded or seeded and covered with straw after final grading to control erosion.
 5. All curb shall be CG-1 or integral with the sidewalk.
 6. A handicap parking sign, 3' to 3.5' above finish grade, shall be placed at the head of the parking space. (MUTCD Sign No. R7-8D)
 7. There shall be two way traffic movement.
 8. Perimeter parking area dimensions shown are to the back of curb.
 9. This site is not located within the 100-Year Flood Plain.
 10. All mechanical equipment is roof mounted except as shown (See Architectural Submittal for screening of ground mounted units at delivery area).
 11. See architectural submittal for all building dimensions and monument signs details.
 12. Sight triangle requirements at the drives have been met.
 13. Building dimensioned to edge of slab.
 14. All easements shown to be dedicated by minor plat unless designated as existing.
 15. Building line along Tudor Road is based on original right-of-way and to be the basis for this project per staff agreement and preliminary site plan approval (15' Building Line after taking of Right-of-Way).
