Interest Response: I am most interested in serving on the Citizens Advisory Committee for Police and Fire but would entertain any appointment. I believe Police and Fire are entities that have to be protected and fully supported. I believe my love of people coupled with my passion and interest in police and fire work could provide a nice bridge between each of the departments and the community.

Other Activities: Water Utilities Advisory Board

Interested in serving on: Building Board of Appeals, Human Relations Commission, Parks and Recreation Board, Public Safety Advisory, Special Ad Hoc Committees

Other Interests: Spending time with my classmates from LSHS class of 1981, love the game of golf, being an empty nester with my wife and watching my four children grow as adults. As of yet; no grandchildren.
