The following committee interest information was submitted through cityofls.

Name: Jeffrey Sims

Address: 2127 SE 5th St  
Lee's Summit MO 64063

Email: [Jeffrey.s.sims@gmail.com](mailto:Jeffrey.s.sims@gmail.com)

Phone: 785-430-9447

Council District: District 4

How many years a resident: 21

High School: Lee's Summit High

College: Missouri University of Science and Technology

Employment: Wilson & Company

Position: Transportation Project Engineer

Why interested: I grew up in Lee's Summit, graduated from Lee's Summit High School, and am now raising my boys here. I love Lee's Summit and want to see it continue to grow and remain a safe place to live and raise a family. I am a transportation engineer and would like to volunteer my time and serve my community. I know about public safety and infrastructure improvements. I feel like I can bring a practical and technical perspective to issues that the city faces.

Other participation: I ran the National Future City Competition – Great Plains Region from 2012-2016. Future City is an engineering competition for middle school students. I organized the event and recruited over 100 engineers to volunteer their time each year. I have also been very active in the American Society of Civil Engineers – Younger Members Group and was president back in 2012. I have volunteered my time to teaching our youth about engineering through gumdrop bridges, balsa wood bridges, egg drop competitions, and safety presentations.

Interested in serving on: Livable Streets Advisory Board, Parks and Recreation Board, Planning Commission, Public Safety Advisory, Strategic Plan

Other interests:
