Re: I-470 Community Improvement District

Dear Trisha:

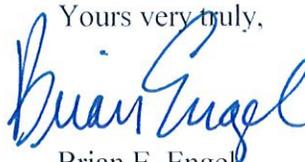

The I-470 Community Improvement District (the "District") is a political subdivision created by the City of Lee's Summit, Missouri (the "City"), on February 1, 2007, under the authority of the Missouri Community Improvement District Act, Sections 67.1401, *et seq.*, of the Revised Statutes of Missouri, as amended.

The terms of three members of the board of directors of the District (Jason Burchfield, Amy Henderson, and David "Mac" LeMone) have expired. At its annual meeting on May 15, 2018, the District voted to approve a slate consisting of those same directors.

Pursuant to Section IV(B)(6) of the petition to establish the District, this slate of directors for the District must be approved by the City's Mayor and the City Council of the City. Therefore, by this letter, the District requests that you submit this slate to the Mayor and the City Council pursuant to the Petition.

Please feel free to call with any questions you may have concerning this matter.

Yours very truly,

Brian E. Engel
