Distribute shall mean the same as the term is defined in Section 195.010, RSMo., as amended, which is to deliver other than by administering or dispensing a drug or controlled substance.

Drug shall mean the same as the term is defined in Section 195.010, RSMo., as amended, which is:

- A. Substances recognized as drugs in the official United States Pharmacopoeia, Official Homeopathic Pharmacopoeia of the United States or Official National Formulary, or any supplement of any of them; or
- B. Substances intended for use in the diagnosis, cure, mitigation, treatment or prevention of disease in humans or animals; or
- C. Substances, other than food, intended to affect the structure or any function of the body of humans or animals; or
- D. Substances intended for use as a component of any article specified in this definition. It does not include devices or their components, parts or accessories.

Drug paraphernalia shall mean the same as the term is defined in Section 195.010, RSMo., as amended, which is

- A. ~~Drug paraphernalia shall mean a~~All equipment, products and materials of any kind which are used, intended for use, or designed for use in planting, propagating, cultivating, growing, harvesting, manufacturing, compounding, converting, producing, processing, preparing, testing, analyzing, packaging, repackaging, storing, containing, concealing, injecting, ingesting, inhaling, or otherwise introducing into the human body a controlled substance or an imitation controlled substance in violation of this article. It includes, but is not limited to:
 - 1. Kits used, intended for use, or designed for use in planting, propagating, cultivating, growing or harvesting of any species of plant which is a controlled substance or from which a controlled substance can be derived;
 - 2. Kits used, intended for use, or designed for use in manufacturing, compounding, converting, producing, processing, or preparing controlled substances or imitation controlled substances;
 - 3. Isomerization devices used, intended for use, or designed for use in increasing the potency of any species of plant which is a controlled substance or imitation controlled substance;
 - 4. Testing equipment used, intended for use, or designed for use in identifying, or in analyzing the strength, effectiveness or purity of controlled substances or imitation controlled substances;
 - 5. Scales and balances used, intended for use, or designed for use in weighing or measuring controlled substances or imitation controlled substances;
 - 6. Diluents and adulterants, such as quinine hydrochloride, mannitol, mannite, dextrose and lactose, used, intended for use, or designed for use in cutting controlled substances or imitation controlled substances;
 - 7. Separation gins and sifters used, intended for use, or designed for use in removing twigs and seeds from, or in otherwise cleaning or refining, marijuana;
 - 8. Blenders, bowls, containers, spoons and mixing devices used, intended for use, or designed for use in compounding controlled substances or imitation controlled substances;
 - 9. Capsules, balloons, envelopes and other containers used, intended for use, or designed for use in packaging small quantities of controlled substances or imitation controlled substances;

10. Containers and other objects used, intended for use, or designed for use in storing or concealing controlled substances or imitation controlled substances;
11. Hypodermic syringes, needles and other objects used, intended for use, or designed for use in parenterally injecting controlled substances or imitation controlled substances into the human body;

 - j. Air-driven pipes;
 - k. Chillums;
 - l. Bongs;
 - m. Ice pipes or chillers

13. Substances used, intended for use, or designed for use in the manufacture of a controlled substance;

- B. In determining whether an object, product, substance or material is drug paraphernalia, a court or other authority should consider, in addition to all other logically relevant factors, the following:
1. Statements by an owner or by anyone in control of the object concerning its use;
 2. Prior convictions, if any, of an owner, or of anyone in control of the object, under any state or federal law relating to any controlled substance or imitation controlled substance;
 3. The proximity of the object, in time and space, to a direct violation of this article;
 4. The proximity of the object to controlled substances or imitation controlled substances;
 5. The existence of any residue of controlled substances or imitation controlled substances on the object;
 6. Direct or circumstantial evidence of the intent of an owner or of anyone in control of the object to deliver it to persons who he knows, or reasonably should know, intend to use the object to facilitate a violation of this article; the innocence of an owner, or of anyone in control of the object as to a direct violation of this article, shall not prevent a finding that the object is intended for use as drug paraphernalia;
 7. Instructions, oral or written, provided with the object concerning its use;
 8. Descriptive materials accompanying the object which explain or depict its use;
 9. National and local advertising concerning its use;
 10. The manner in which the object is displayed for sale;
 11. Whether the owner, or anyone in control of the object, is a legitimate supplier of like or released items to the community, such as a licensed distributor or dealer of tobacco products;

 13. The existence and scope of legitimate uses for the object in the community;
 14. Expert testimony concerning its use;

15. The quantity, form or packaging of the product, substance or material in relation to the quantity, form or packaging associated with any legitimate use for the product, substance or material.

Imitation controlled substance shall mean the same as the term is defined in Section 195.010, RSMo., as amended, which is:

- A. A substance that is not a controlled substance, which by dosage, unit appearance (including color, shape, size and markings), or by representations made, would lead a reasonable person to believe that it is a controlled substance. In determining whether a substance is an imitation controlled substance, the court or other authority concerned should consider, in addition to all other logically relevant factors, the following:
 - 1. Whether the substance was approved by the federal Food and Drug Administration for over-the-counter (nonprescription or non-legend) sales and was sold in the federal Food and Drug Administration package, with the federal Food and Drug Administration approval labeling information;
 - 2. Statements made by an owner or by anyone else in control of the substance concerning the nature of the substance, or its use or effect;
 - 3. Whether the substance is packaged in a manner normally used for illicit controlled substances;
 - 4. Prior convictions, if any, of an owner or anyone in control of the object, under State or Federal law related to controlled substances or fraud;
 - 5. The proximity of the substances to controlled substances;
 - 6. Whether the consideration tendered in exchange for the non-controlled substance substantially exceeds the reasonable value of the substance considering the actual chemical composition of the substance and, where applicable, the price at which over-the-counter substances of like chemical composition sell.
- B. An imitation controlled substance does not include a placebo or registered investigational drug either of which was manufactured, distributed, possessed or delivered in the ordinary course of professional practice and research.

License or *licensed* shall refer to persons required to obtain annual registration as issued by the State Division of Health as provided by Section 195.030, RSMo ~~195.030~~.

Manufacture shall mean the same as the term is defined in Section 195.010, RSMo., as amended, which is the production, preparation, propagation, compounding, or processing of drug paraphernalia or a controlled substance or an imitation controlled substance either directly or by extraction from substances of natural origin, or independently by means of chemical synthesis, or by a combination of extraction and chemical synthesis, and includes any packaging or repackaging of the substance or labeling or relabeling of its container. ~~except that~~ This term does not include the preparation or compounding of a controlled substance or an imitation controlled substance or the preparation, compounding, packaging or labeling of a narcotic or dangerous drug:

- A. By a practitioner as an incident to his administering or dispensing of a controlled substance or an imitation controlled substance in the course of his professional practice; or
- B. By a practitioner or by his authorized agent under his supervision, for the purpose of or as an incident to research, teaching or chemical analysis and not for sale.

Marijuana or *marihuana* shall mean the same as the term is defined in Article XIV of the Missouri Constitution, as amended, which is *Cannabis indica*, *Cannabis sativa*, and *Cannabis ruderalis*, hybrids of such species, and any other strains commonly understood within the scientific community to constitute marijuana, as well as resin extracted from the plant and marijuana-infused products. “Marijuana” or “marihuana” do not include industrial hemp containing a cropwide average tetrahydrocannabinol

concentration that does not exceed three-tenths of one percent on a dry weight basis, or commodities or products manufactured from industrial hemp.

~~Marijuana shall mean all parts of all varieties of the plant genus Cannabis, in any species or form thereof, including, but not limited to Cannabis Sativa L., Cannabis Indica, Cannabis Americana, Cannabis Ruderalis, and Cannabis Gigantea, whether growing or not, the seeds thereof, the resin extracted from any part of the plant; and every compound, manufacture, salt, derivative, mixture or preparation of the plant, its seeds or resin. It does not include the mature stalks of the plant, fiber produced from the stalks, oil or cake made from the seeds of the plant, any other compound, manufacture, salt, derivative, mixture or preparation of the mature stalks, except the resin extracted therefrom, fiber, oil, or cake or the sterilized seed of the plant which is incapable of germination.~~

Marijuana-infused Products same as the term is defined in Article XIV of the Missouri Constitution, as amended, which is products that are infused with marijuana or an extract thereof and are intended for use or consumption other than by smoking, including, but not limited to, edible products, ointments, tinctures and concentrates.

Provided that the preparation administered or distributed or dispensed shall contain some drug of medicinal qualities in addition to those possessed by the controlled substances alone. Such preparation shall be administered, distributed, or dispensed in good faith and not for the purpose of evading this subsection. However, no person shall administer, dispense or sell, under the exemption of this section, any preparation included in this subsection, when he knows, or can by reasonable diligence ascertain, that such administering, dispensing or selling will provide the person to whom or for whose use such preparation is administered, dispensed or sold, within any forty eight (48) consecutive hours, with more than four (4) grains of codeine or any of its salts.~~
- ~~G. The provisions of this section restricting the possession and control of controlled substances shall not apply to common carriers or warehousemen engaged in lawfully transporting or storing such controlled substances, nor to any employee of such common carriers or warehousemen within the scope of his employment, nor to public officers or employees in the performance of official duties requiring possession or control of controlled substances, nor to persons aiding such officers or employees in performance of such duties.~~

Sec. 17-240 - Possession of a Controlled Substance

- A. No person shall knowingly possess a controlled substance, marijuana, or synthetic cannabinoid, except and only to the extent as authorized by Chapter 579 or Chapter 195 of the Revised Statutes of Missouri, or Article XIV of the Missouri Constitution, including any and all rules and regulations promulgated by the Department relating to legalized medical marijuana.
- B. As described above in subsection A, the following may possess marijuana pursuant to Article XIV of the Missouri Constitution and its accompanying State regulations:
1. A qualifying patient for the patient's own personal use, provided that a qualifying patient shall not possess more than four (4) ounces of dried, unprocessed marijuana in a thirty (30) day period, unless such patient is able to possess more than such limits pursuant to 19 CSR 30-195.030(5)(E), as amended, in which case such person shall not possess more than amount of marijuana the person's two physicians have certified the person to possess;
 2. A primary caregiver for a qualifying patient(s), but only when transporting marijuana to a qualifying patient(s) or when accompanying a qualifying patient(s); and
 3. An owner or employee of a medical marijuana facility licensed by the State of Missouri while on the premises of said facility, or when transporting to a qualified patient's or primary caregiver's residence or another medical marijuana facility licensed by the State of Missouri.
- C. In any complaint, information, or indictment, and in any action or proceeding brought for the enforcement of any provision of this Section, it shall not be necessary to include any exception,

excuse, proviso, or exemption contained in (i) this Section, (ii) Chapter 579 of the Revised Statutes of Missouri, or (iii) Chapter 195 of the Revised Statutes of Missouri, and the burden of proof of any such exception, excuse, proviso or exemption shall be upon the defendant.

[NOTE: The following sections are being added to Chapter 17, Offenses, Article VIII, Controlled Substances. The section numbers listed next to the section titles are currently reserved in the City Code and serve as a suggestion to the codifiers of the appropriate location in the City Code for each section.]

Sec. 17-241 Failure to Produce Medical Marijuana Identification

Any person in possession of marijuana, including a marijuana-infused product, shall, immediately upon request of any law enforcement officer, produce a valid identification card issued by either the Department or the respective equivalent identification card or authorization issued by another state or political subdivision of another state, authorizing the person to possess the amount of marijuana in such person's possession as provided by Article XIV of the Missouri Constitution. Any person who fails to produce such identification card as required by this Section shall be guilty of the offense of failure to produce a medical marijuana identification card.

Sec. 17-242 Disposal of Medical Marijuana

A person must dispose of medical marijuana or medical marijuana-infused products in the manner proscribed by the rules of the Department. The City reserves the right to enforce the rules established by the Department with regard to disposal of marijuana.

Sec. 17-243 Consumption of Medical Marijuana in Public

- A. No person shall consume marijuana, including marijuana for medical use, in a public place.
- B. As used in this Section only, "public place" means the same as the term in defined in 19 CSR 30-95.010(33), as amended, which is any public or private property, or portion of public or private property, that is open to the general public, including, but not limited to, sidewalks, streets, bridges, parks, schools, and businesses. However, for purposes of designating a nonpublic place within a public place, the owner or entity with control of any such property may, but is not required to, provide one (1) or more enclosed, private spaces where one (1) qualifying patient and, if required by the owner or entity with control of any such property, a representative of such owner or entity, may congregate for the qualifying patient to consume medical marijuana. The qualifying patient may be accompanied by the family of the qualifying patient, the qualifying patient's primary caregiver, and/or the qualifying patient's physician. The owner or entity with control of any such property may provide such a space by individual request or designate such a space for ongoing use and may limit use of medical marijuana in that space to uses that do not produce smoke. Any such permission shall be given in writing and provided to the qualifying patient or publicly posted prior to a qualifying patient's use of medical marijuana in that space. "Public place" shall not include:
 - 1. The residence of the person administering medical marijuana or the residence of another person when the person in control of that property has consented to the administering of marijuana; or
 - 2. A licensed medical facility with the consent of the person or persons in charge of that facility.
