3. Council Roundtable

Mayor Pro Tem Lopez said Council District 3 now has its own magic tree in the old Spokes Ridge Meadows neighborhood and invited citizens to come take pictures.

Mayor Baird shared today was the All Staff Meeting with special guest motivational speaker Dan Mears, KC Wolf. Eight Departmental outstanding employees were recognized and one was chosen as the City's Employee of the Year. He congratulated Mr. Tom Soetaert, Control System Supervisor with the Water Utility Department. He is responsible for monitoring the Lee's Summit sanitary sewer and water systems 24 hours a day, 7 days a week.

4. Public Hearings:

- A. [2019-3188](#) Public Hearing: Amend the Clean Indoor Air ordinance to modify various sections and to enact a new Article XI Vapor Products all in Chapter 17 of the Lee's Summit Code of Ordinances.

Exhibits 1-16 were entered into the record.

City Council discussions included:

- When the original ordinance was brought before council
- Applies to all types of vaping
- When Kansas City passed their ordinance
- How many of the studies in the packet were done in America
- Clarification of the particle study
- School District policy
- When was the study done that determined 77% of Lee's Summit residents don't want vaping in public places
- Vaping is replacing smoking and is not helping them to quit smoking

Ms. Riley Biggy, Lee's Summit West High School student and Lee's Summit Cares Youth Advisory Board member, spoke in favor of this ordinance. She asked Council to ban vaping as a whole. She said she believes it is bad for their body and shared a story about a fellow student that was bold enough to charge his Jul during class. She felt Ordinance will help end the epidemic.

Ms. Lea Zan, also a Lee's Summit West High School student and Lee's Summit Cares Youth Advisory Board member, spoke in favor of this ordinance. She informed the council on why vaping should be banned in public places. Vaping products contain many harmful chemicals and people are getting addicted. By giving them less opportunities to vape in public will help them realize they don't need to do it as often. Secondhand vape smoking has been proven by multiple studies to be harmful to bystanders.

Mr. Steve Salanski, Family Physician and Co-Chair of the Lee's Summit Health

Education Advisory Board, spoke in favor of this ordinance. He thanked many people for their contributions in this advocacy effort. Studies now show there are harmful particles in exhaled aerosol from vaping. There is a growing epidemic of e-cigarette or vaping associated lung injury; with 2,409 people that have been hospitalized and 52 deaths. He went on to quote statistics from several different studies. In conclusion, he stated the Health Education Advisory Board voted unanimously to support the proposed ordinance in its current form.

Dr Ed Kramer, Family Physician and Co-Chair of the Lee's Summit Health Education Advisory Board, spoke in favor of this ordinance. He also shared several statistics from different studies, gave a list of reasons why vaping poses a threat to public health, and named several organizations that are in support of banning vaping in public places.

Mr. Don Lucietta spoke in opposition of this ordinance. He stated he does not oppose banning vaping from schools. He heard many studies quoted tonight and could come up with studies that contradict everything that was said. The CDC has not had any conclusions so passing an ordinance before there are facts is only inviting further lawsuits.

1) [BILL NO. 19-270](#)

8. Committee Reports

There were no committee reports.

9. Council Comments:

Councilmember Forte complimented the Mayor for showing restraint during Public Comments earlier in the meeting.

Mayor Baird wished everyone a great holiday and Merry Christmas.

Councilmember Faith thanked the snow plow operators for protecting everyone and getting the roads cleared during the latest snow event.

10. Staff Roundtable

Mr. Steve Arbo, City Manager, gave some brief statements regarding the All Staff meeting.

Chief Travis Forbes, Chief of Police, stated he went to the Missouri Police Chiefs Conference in Jefferson City. Every year at the conference, Special Olympics holds a luncheon. The Lee's Summit DARE officer, Amanda Geno, coordinates the entire region for Tip A Cop, The Polar Plunge, The Torch Run and Freezin for a Reason. She helped raise over \$115,000.00 last year for Special Olympics Missouri. Chief Forbes expressed his pride in her, and the officers and staff's, efforts to make such a difference in the lives of those athletes.

Ms. Dena Mezger, Director of Public Works, spoke regarding the status of putting in a traffic signal at 291 South and Thompson. MoDOT has the project fully funded for June 2021. It had been funded earlier with The Grove funding half but that development didn't proceed as planned so MoDOT reallocated the funds. Mr. Arbo added that he would like to begin a conversation with MoDOT about a policy to accelerate the funding for that project.

11. Adjournment

There being no further business, Mayor Baird adjourned Regular Session No. 46 at 9:21 p.m.
