To whom it may concern:

Grains & Taps LLC currently holds license types G3, S, and A1. It is our intent to add license type B1 while still retaining all of our existing license types. We have included the full amount of payment due for license type B1 plus the upgrade fee.

We are in favor of our license starting on July 1st, which we understand to be the beginning of the licensing year, if that is the easiest way to do this. If it makes more sense for our license to start earlier we can send a check for a different amount or whatever needs to be done.

Thank you,

Brad Boehm
