NOW, THEREFORE, be it resolved by the Board of Commissioners for the Land Clearance for Redevelopment Authority for the City of Lee’s Summit:

1. **Findings.** In accordance with the LCRA Act, the LCRA Board of Commissioners makes the following findings and recommends that the City Council by ordinance make the following findings regarding the LCRA Plan:

A. The LCRA Plan sets forth all required elements of a “redevelopment plan” and an “urban renewal plan” as required by the LCRA Act, which are set forth in detail in Section 6 of the LCRA Plan, and the redevelopment work described in the LCRA Plan qualifies as an “urban renewal project” under the LCRA Act.

B. The LCRA Redevelopment Area and the Redevelopment Project Area for the LCRA Plan is a blighted area as previously determined by the City Council, in that:

1. The City Council found that the Redevelopment Area which comprises the entire Streets of West Pryor mixed-use project area, is a blighted area pursuant to the Real Property Tax Increment Allocation Redevelopment Act set forth in Chapter 99 of the Revised Statutes of Missouri through the adoption of Ordinance No. 8539 on January 9, 2019.

2. The definition of “blighted area” under Section 99.805(1) RSMo is the same as the “blighted area” definition set forth in Section 99.320(3) of the LCRA Act and the Property satisfies the criteria of a blighted area under the LCRA Act..

C. Redevelopment of the Redevelopment Project Area is necessary and is in the interests of the public health, safety, morals and welfare of the residents of the City.

D. The LCRA Plan is in conformance with the Comprehensive Plan of the City based on the following:

1. A Preliminary Development Plan for the Redevelopment Project and property adjacent to the Redevelopment Project was approved by the City Council on March 9, 2021 pursuant to Ordinance No. 9090 (the “Preliminary Development Plan”) and the proposed land uses for the Redevelopment Project are in conformance with the approved Preliminary Development Plan. In approving the Preliminary Development Plan, the City made findings that the proposed land uses within the Redevelopment Project were consistent with the City’s Comprehensive Plan.

2. The proposed land uses and building requirements in the Redevelopment Area are designed with the general purpose of accomplishing, in conformance with the Comprehensive Plan, a coordinated, adjusted and harmonious development of the community and its environs which, in accordance with present and future needs, will promote health, safety, morals, order, convenience, prosperity and the general welfare, as well as efficiency and economy in the process of development. The LCRA Plan provides for adequate parking, the promotion of healthful and convenient distribution of population, the provision of adequate public facilities, the promotion of sound design and arrangement and the efficient expenditure of public funds, the prevention of the recurrence of unsanitary and unsafe dwelling accommodations, and blight clearance.

3. The City’s Comprehensive Plan presents a “workable program” as required by the LCRA Act for the Redevelopment Project Area in that it provides for an official plan of action for effectively dealing with the problem in insanitary, blighted, deteriorated or deteriorating areas within the community and for the establishment and preservation of a well-planned community with well-organized residential neighborhoods of decent homes and suitable living environment for adequate family life, for utilizing appropriate private and public resources to eliminate and prevent the development or spread of insanitary, blighted, deteriorated or deteriorating areas, to encourage needed

urban rehabilitation, to provide for the redevelopment of blighted, insanitary, deteriorated and deteriorating areas, and undertaking such activities as may be suitably employed to achieve the objectives of such a program.

2. **Recommendations.** The LCRA Board of Commissioners recommends that the City Council take the following actions with respect to the LCRA Plan:

A. adopt an ordinance to make the findings recommended in Section 1 above regarding approval of the LCRA Plan;

B. approve the LCRA Plan; and

C. designate the limited liability company to be created for the project and owned by Drake Development and Tegethoff Development as the developer of record for the LCRA Plan and enter into a redevelopment contract with the developer of record for implementation of the LCRA Plan.
