The Committee Interest form from cityofls.net was submitted.

Name: Bryon Livingston

Home Address: 705 SE Pierre Crt, Lees Summit, MO 845737662850

Email Address: blivingston@kc.rr.com

Phone Number: 816-729-3546

District of residence: District 1

Years as a resident: 25

High School Attended: West High (Salt Lake City, Utah)

College Attended: University of Utah

Current Employment: Retired from Black & Veatch

Position Held: Civil Engineer, Technical Specialist for Buried Infrastructure

Interest Response: Recently I have worked for municipalities in helping them address infrastructure and want to continue to use my experience to help the community. My work at Black & Veatch provided experience with prioritization for funding projects and processes for assessing the best practices for implementing projects. I worked two years as a Project Manager for the City of Olathe Kansas and 5 years as a Director of Water Utilities reporting to the city Manager in Bartlesville OK. This plus my work as a consultant provides me with an understanding of the many procedures and issues within municipal government.

Other Activities: I have been active in Boy Scouts, little league baseball, and church activities.

Interested in serving on: Industrial Development Authority, Planning Commission, Public Safety Advisory, Strategic Plan, Water Tap Fee Review Committee

Other Interests: I have experience with the Water Development Board work or work associated with the wastewater collection or treatment.

At B&V I worked with the Asset Management for a lot of municipalities across the US so that may be a new committee the council may want to consider forming.
