KCP41482	TOWELS,SCOTT KITCHEN ROLL PERF	<p>When you need an affordable kitchen paper towel for your break room, the Scott Kitchen Paper Towels are a smart choice. Each of the paper towel rolls (20 per case) features a generous 128 perforated towels. While they are single-ply kitchen paper, they feature fast-drying Absorbency Pockets which soak up water fast, so users need fewer towels to dry their hands and wipe up spills. The Scott kitchen roll fits easily into standard roll towel dispensers - such as a countertop towel holder or a roll holder for under kitchen cabinets. By giving your employees and break room visitors what they need to dry their hands after proper washing, you're helping them stay clean and healthy. The paper towel rolls contain a mix of recycled fiber and post-consumer waste to meet EPA minimum guidelines for (kitchen tissue) paper towel products.</p>	20 RL / CS	KIMBERLY-CLARK CORPORATION	\$34.43

PTX3266	CTHETER,SFETY.VIAVLVE, IV,20X1 1/4	ViaValve Safety IV Catheter provides blood control to help reduce the risk of blood exposure and contamination. A unique valve inside the catheter hub impedes blood flow from the patient's vein upon initial venipuncture. Maintaining a clean access site, helps prevent the transfer of bloodborne pathogens from patient to caregiver on soiled gloves, clothing, bedding and dressings. The catheter, once in the patient's vein, is activated by attaching the Luer fitting of an infusion line which opens the valve to allow unrestricted flow. ViaValve Safety IV Catheter also helps prevent unintended needlesticks. Its safety guard surrounds the retracted introducer needle and produces a "click" to indicate that the needle is contained for handling and disposal.	200 EA / CS	SMITHS MEDICAL	\$601.75
