- B. **2021-4366** Continued Discussion of Legislative Priorities

There was some brief discussion regarding consistency with the language on the headers of the brochure (We support, We believe, etc.). There was also a consensus to keep the same colors as last year.

This Discussion Item was continued to the Legislative and Intergovernmental Relations Committee due back on 11/15/2021.

- 1) [2021-4447](#) Discussion of language for eminent domain and local election priorities

Eminent Domain:

There was general discussion regarding eminent domain and how it is believed that this specific bill is focused more on broadband than farmland.

There was discussion regarding how to add this item on the priorities brochure and the language that would be best to use.

*Staff will draft language for the next meeting.

There was extensive discussion regarding how important it is to have and maintain personal relationships with the Legislators. A suggestion was made to compile a list/timeline of all events/activities that Legislators are invited to attend locally throughout the year (i.e. -events held by EJCBC, Chamber, EDC, MML and R-7, etc.). Once the list is compiled, sharing it with Mayor and Council so they are aware of opportunities and can plan to attend when available.

*Staff will get with Administration for assistance with creating a list.

Local Election Priorities:

Staff proposed a first rough draft of the following language as a starting point and suggested adding this to the brochure of priorities under it's own section

titled:

"Democracy"

We believe...

- Municipal elections should maintain their own date
- local elections should stay non-partisan, and
- decisions on local taxation should stay local without special majorities.

After some discussion, Staff worked on a new draft and emailed it to the Committee during the meeting as follows:

Local Elections (or Democracy)

We Believe:

- Municipal elections should maintain their own day.
- Non-partisan local elections should stay non-partisan.
- Maintain current tax vote majorities.

The Committee will review the language at the next meeting.
