

BEAUTIFICATION COMMISSION MEETING

July 9, 2019
MINUTES

Attended by Sarah DeBray, Kim Fritchie, Randy Carr, Charlotte Lea, Carol Rothwell, Bruce Holliman, Steve Arbo, Glenda Maters, and Lila Raymond.

The meeting was called to order by Bruce at 6:04. Minutes of the June meeting were approved.

The financial report for 2019 FYE showed a remaining balance of \$8,721. Glenda presented a new FY 2020 budget of \$30,550, the details of which can be adjusted.

Glenda reported on the benefits of moving the Beautification Commission's information onto the City's website structure. The Creative Services group has created a new logo to fit within the Yours Truly scheme. We will be removed from the Parks site and our activities will be promoted on the City's page, with 10,000 followers. Other exposure will be on Instagram, NextDoor and Twitter.

Steve asked us to put our traditional activities on a master calendar for planning purposes, which was done at the meeting.

We need to write a report for Monarch City.

The Lakewood monument site was mowed and sprayed. It is still planned to be landscaped in the fall, using Will Gibson's plan.

Other:

We should get new bids for plantings; Rosehill services haven't been re-bid since 2011.

Randy asked about weeds in the street curbs, medians, and roundabouts. The City may need to ask for bids to get spraying done.

Glenda mentioned that there may be areas where we can work with the Arts Council, and asked for any ideas.

The meeting adjourned at 7:08.

Carol Rothwell, Secretary
